

Amendment: 23

Representative Herbkersman proposes the following amendment:

Department of Health and Environmental Control

New

34.SFSP. (DHEC: Single Family Structure Permits) *In the current fiscal year, the Department of Health and Environmental Control shall issue a special permit for the construction of single-family habitable structures seaward of the baseline so long as the structure is new construction on a vacant lot, the neighboring lots are occupied by single-family homes, and no construction takes place on the active beach. No other restriction or limitation on such single-family habitable structures shall apply. The department shall charge a fee for the permit in the amount of \$1,500.*
