

Dominion Energy

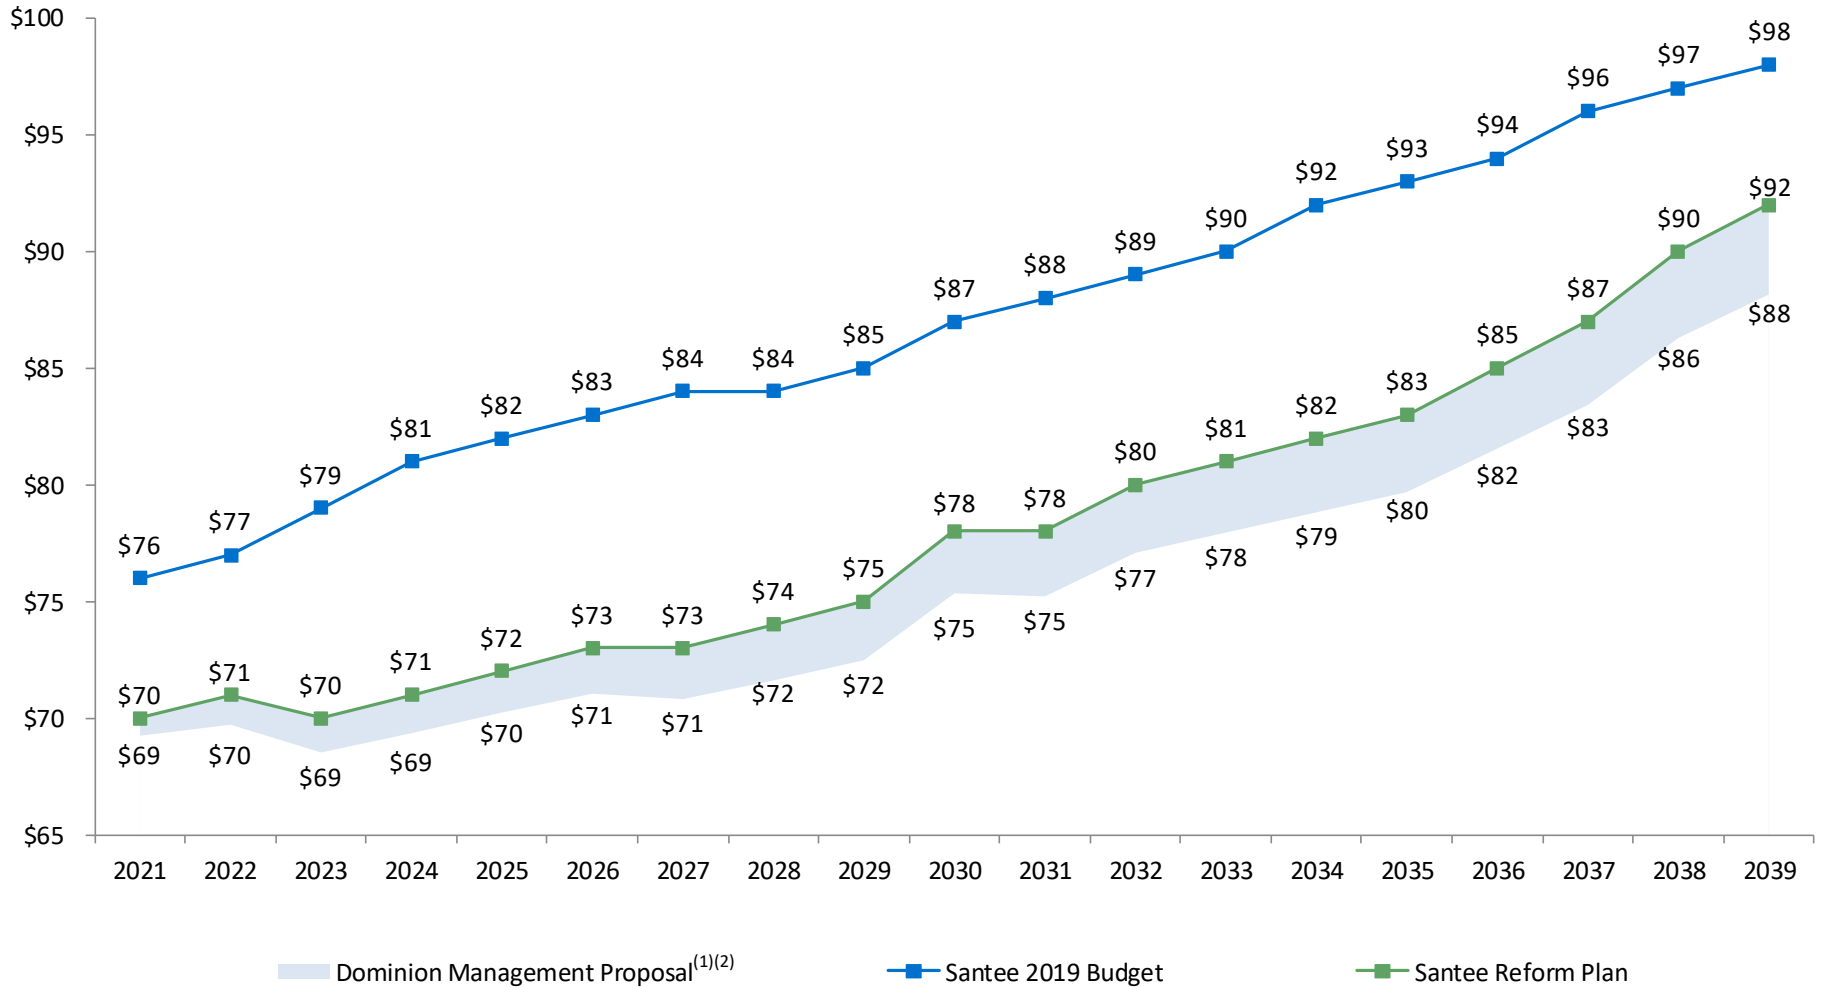

**House Ways and Means Committee Rate
Projection Materials**

February 2020

**Dominion
Energy[®]**

Rate Comparison — \$/MWh

1) The Dominion Energy Management Agreement can be implemented in conjunction with the Self-Reform plan, but without proper diligence on the Santee Self-Reform plan, Dominion Energy is providing a range of potential rate savings over and above the Self-Reform as is shown by the shaded area

2) The rates under the Dominion Management Agreement assume certain standalone cost efficiencies and joint cost saving opportunities with associated interest savings
