

# **ENERGY ADVISORY COUNCIL**

**Monday, September 12, 2011  
2:00 p.m. Gressette Building Room 207**

## **AGENDA**

I. Energy Advisory Council members will discuss the preliminary draft of the Black & Veatch study.

*Please be aware:* Monday's meeting is solely for the Council members to discuss the preliminary draft. Since this is a preliminary draft, public testimony will not be taken at this time. Opportunities for public comment will be provided once the Council receives the completed draft of the study. If you have any questions, please contact Heather Anderson at 212-6208.
