RE: Follow-up questions from the Subcommittee meetings with the agency on December 10 and 17, 2019

Dear Director Goldsby:

The Healthcare and Regulatory Subcommittee appreciates the Department of Alcohol and Other Drug Abuse Services' continued partnership in the oversight process. As a follow-up to the meetings on December 10 and December 17, 2019, please provide the requested information by Tuesday, January 14, 2019.

1. How did you determine the targets for performance measure #9, "Increase Number of Individuals who Receive Prevention Services"? What strategies do you use to set appropriate performance targets in general?
2. How many inspectors work on the U.S. Food and Drug Administration contract annually? What percentage of that contract's funding does DAODAS retain to cover administrative costs?
3. How many fake IDs were confiscated in the 721 fake ID/bar sweeps completed as part of Project Safety Through Alcohol Responsibility?
4. Please provide more information about the criminal penalties for providing alcohol to minors in different ways, including purchasing it at a store and providing it at a party.
5. Please provide the drunk driving enforcement survey referenced during the meeting on December 17, 2019.

6. Please provide the most recent Alcohol and Drug Safety Action Program report the agency provided to the Senate Finance and House Ways and Means Committees.
7. What opportunities do patients have to provide feedback about services provided by county authorities? Does DAODAS see that feedback?
8. Please provide any available estimates of the number of people living with opioid use disorder in South Carolina.

In responding to these questions, please remember the Committee's expectations, which are provided in Committee [Standard Practice 9](#). The subcommittee looks forward to working collaboratively with the Department of Alcohol and Other Drug Abuse Services. Thank you and your team for your service to the people of South Carolina.

Sincerely,
