OPPORTUNITY FOR THE PUBLIC TO CONTRIBUTE

TO THE OVERSIGHT OF STATE AGENCIES

Your input is wanted by the SC House Legislative Oversight Committee about these state agencies:

Arts Commission; Attorney General's Office; Department on Aging; Department of Commerce; Department of Health and Human Services; Ethics Commission; Jobs-Economic Development Authority; State Accident Fund; and State Library

Columbia, SC - Speaker Jay Lucas and the South Carolina House of Representatives' Legislative Oversight Committee are pleased to announce an online survey seeking public input on the next nine agencies under study by the House Legislative Oversight Committee. These agencies are the Arts Commission; Attorney General's Office; Department on Aging; Department of Commerce; Department of Health and Human Services; Ethics Commission; Jobs-Economic Development Authority; State Accident Fund; and State Library.

The public is encouraged to use the survey to share with the Committee any comments, concerns, or suggestions about these agencies, including their thoughts on the ease of obtaining agency information online. It can be found at this link: <https://www.surveymonkey.com/r/LOC-2020PublicInput>. While this survey will only be open until April 1, 2020, members of the public may contact the Committee anytime to share comments, concerns, or suggestions about state agencies.

What: Survey, which may be completed in a few minutes, seeking public input

When: Until April 1, 2020

Where: Online; from home, school or public library

The link to take the survey is <https://www.surveymonkey.com/r/LOC-2020PublicInput>

Who: Entire public and agency personnel are encouraged to take the survey

Input and observations from people who interact with these agencies are important because they may help direct the Committee to potential areas for improvement with these agencies. The Committee's vision is for South Carolina agencies to become, and continuously remain, the most effective state agencies in the country through processes which eliminate waste and efficiently deploy resources thereby creating greater confidence in state government.
