RE: Legislative Oversight Study of the South Carolina Commission on Higher Education

Dear Director Monhollon:

On December 7, 2022, the House Legislative Oversight Committee approved the South Carolina Commission on Higher Education for study. In conducting studies, it is the Committee's goal to partner with the agency to help it identify areas in which it can continue to improve upon the positive results it has generated for the people of South Carolina.

Enclosed are copies of the Committee's Rules and Standard Practices, which may be modified during the legislative oversight process. Notably, the Standard Practices include a flow chart with an overview of the process the Committee intends to follow and a diagram indicating how public input is received and disseminated. In the near future, if they have not already done so, the Committee staff will schedule a meeting with you to discuss preliminary matters relating to the study process. Please do not hesitate to contact Committee staff at any time with questions. Also, below is a brief summary of the Committee's expectations.

The Committee expects the following of each agency under study:

- Inform its staff that the agency is undergoing the legislative oversight study process as well as the purpose of the study;
- Appoint a liaison to assist the Committee with all activities;
- Respond to Committee requests in a concise, complete and timely manner;

- Be candid with the Committee;
- Promptly discuss with the Committee any concerns or questions the agency may have related to the legislative oversight study process, including any concerns the agency may have that (a) the Committee has drawn an incorrect conclusion; or (b) time or resources required to respond to a Committee request are excessive;
- Realize written information provided to the Committee is considered sworn testimony pursuant to S.C. Code Ann. §2-2-70; and
- Inform the Committee if any information requested by the Committee cannot be published online due to provisions in contract or law and refrain from providing such information to the Committee.

Enclosed please find information to share with agency employees.

I hope the information above and enclosed is helpful to you and your agency in understanding the process the Committee intends to follow in conducting its study and investigation process.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Johnson", with a long horizontal flourish extending to the right.

cc: Subcommittee Chair
South Carolina Commission on Higher Education Board of Commissioners

Both the House of Representatives and the Senate are charged by Act 121 of 2014 with conducting legislative oversight studies and investigations of state agencies at least once every seven years.

The South Carolina Commission on Higher Education is in this round of agency reviews for the House of Representatives' Legislative Oversight Committee. The study's purpose is to determine if agency laws and programs are being implemented and carried out with the intent of the General Assembly and whether or not they should be continued, curtailed, or even eliminated. Information about the study process is accessible on the General Assembly's website, www.scstatehouse.gov, under "Citizens' Interest," and under "Agency Oversight by the House Legislative Oversight Committee."

Public input is a cornerstone of the Committee's process. Constituents, including employees and other stakeholders (e.g., partners, customers, vendors, etc.) may share comments and concerns with the Committee about state agencies. Information about opportunities to participate in the Committee's process is regularly posted on the Committee's webpage. Also, an ongoing opportunity to provide anonymous input to the Committee is available on the Committee's webpage.

See below for a few things the Committee advises to expect and not to expect with this study.

What to Expect:

- Oversight study by your elected representatives
- Ability for the public to be involved in the process
- Identification of areas for improvement and recommendations for agencies under study

What Not to Expect:

- Finding every issue or potential area of improvement at agencies
- Solving every issue at agencies
- Recommendations that satisfy everyone

COMMITTEE PROCESS

Vision

For South Carolina agencies to become, and continuously remain, the most effective state agencies in the country through processes which eliminate waste and efficiently deploy resources thereby creating greater confidence in state government.

Mission

Determine if agency laws and programs are being implemented and carried out in accordance with the intent of the General Assembly and whether they should be continued, curtailed or eliminated. Inform the public about state agencies.

Methods

The Committee and Subcommittee evaluate:

- the application, administration, execution, and effectiveness of the agency's laws and programs;
- the organization and operation of the agency; and
- any conditions or circumstances that may indicate the necessity or desirability of enacting new or additional legislation pertaining to the agency.

Process

South Carolina House of Representatives Legislative Oversight Committee

COMMITTEE RULES

Rule 1: Rules of the South Carolina House of Representatives

- 1.1** The Rules of the South Carolina House of Representatives (House) as they are now or as hereafter adopted shall be the rules of the House Legislative Oversight Committee (Committee) as determined to be appropriate by the Chairman of the Committee (Chairman) and except as otherwise provided below.
- 1.2** Where the rules of the Committee might be deemed in conflict with the Rules of the House as determined by the Chairman, the Rules of the House will prevail.

Rule 2: General rules of the committee

- 2.1** The Committee recognizes itself as a standing committee of the House as enumerated in House Rule 4.2.
- 2.2** The adopted rules of the Committee must be taken as an expression of the normal operating procedure of the Committee, but the procedure, excluding voting requirements, may be departed from with the approval of two-thirds of the Committee members present.
- 2.3** The rules of the Committee shall remain in effect beyond the two-year session to serve as the temporary rules until the subsequent Committee membership adopts rules.

Rule 3: Committee officers

- 3.1** During its organizational meeting at the beginning of each two-year session (organizational meeting), the Committee's most senior member, as determined

by service in the General Assembly, shall preside as the temporary Chairman until a permanent Chairman is elected.

- 3.2** The Committee shall elect a Chairman at its organizational meeting.
- 3.3** The Committee shall elect a First Vice-Chairman at its organizational meeting.
- 3.4** The Committee may elect a Second Vice-Chairman.
- 3.5** In the event a Vice-Chairman position becomes vacant due to a member leaving the committee's membership, the Chairman, in his discretion, may call for a new election to fill the remainder of the Vice-Chairman's term.

Rule 4: Full committee meetings

- 4.1** The First Vice-Chairman shall preside over full Committee meetings in the absence of the Chairman or at the pleasure of the Chairman. The Second Vice-Chairman, if one is elected, shall preside over the full Committee meetings in the absence of the Chairman and First Vice-Chairman or at the pleasure of the Chairman.
- 4.2** In the event of the absence of the Chairman and other Committee officers, the Chairman may appoint a Committee member to serve as temporary presiding officer.
- 4.3** A matter to be considered at a full Committee meeting shall be listed on the agenda.
- 4.4** Preparation of the agenda for a full Committee meeting and designation of the meeting time and location is the responsibility of the Chairman. As the

Committee does not have designated meeting rooms, the location of its meetings will vary due to room availability in the Blatt Building.

- 4.5 An agenda for a full Committee meeting shall be distributed to the members of the Committee.
- 4.6 Without objection of those members present and voting, a matter not listed on the agenda may be considered at the meeting for which the agenda is prepared.
- 4.7 The Chairman, in an effort to make all full committee meetings available to the public, shall allow access to S.C. ETV for the availability of internet streaming whenever technologically feasible. If a meeting cannot be broadcast via video or Internet streaming due to scheduling conflicts or technological malfunctions, the Chairman shall determine whether to continue the meeting.

Rule 5: Voting

- 5.1 All votes taken on legislative oversight studies and investigations by the full Committee, any subcommittee or ad hoc committee shall be decided by a roll call vote, after which the names of committee members voting in the affirmative, voting in the negative, and not voting shall be recorded in the minutes. The Chairman, at his pleasure, may direct a roll call vote on any other matter. A subcommittee chair or ad hoc committee chair, at his pleasure, may direct a roll call vote on any other matter in such meetings.
- 5.2 A roll call vote may be taken by last name only for efficiency purposes.
- 5.3 A simple majority of the appointed membership constitutes a quorum of the full Committee.
- 5.4 At least three of the membership of a subcommittee or a simple majority of an ad hoc committee constitutes a quorum.
- 5.5 The Chairman may vote, at his discretion, on any matter under consideration in full committee and in all subcommittees and ad hoc committees and may, at his discretion, be counted as a member of such

committees to constitute a quorum. If a quorum is not present for a subcommittee meeting relating to a scheduled agency study, the First Vice-Chairman, or, if the First Vice-Chairman is unavailable, another committee member appointed by the Chairman, at his discretion, may serve temporarily as a member of any such committee to achieve the number necessary to constitute a quorum.

- 5.6 Any member of the Committee may request a roll-call vote on any question pending consideration. The Chairman shall direct a roll-call vote to be taken if at least five Committee members second the requesting member's action.
- 5.7 Permanent changes to the rules require approval by two-thirds of the appointed membership. Any such changes must be conducted by a roll-call vote.

Rule 6: Subcommittees and ad hoc committees

- 6.1 The Chairman shall determine the number and size of subcommittees; the Committee recognizes that S.C. Code of Laws Section 2-2-30 provides that a subcommittee conducting an oversight study and investigation of an agency must not consist of fewer than three members.
- 6.2 The Chairman shall appoint subcommittee chairmen and may appoint other subcommittee officers.
- 6.3 The Chairman may appoint ad hoc committees to study specific issues. The Chairman may appoint officers for any ad hoc committee. The Rules of the House as they are now or as hereafter adopted and the Rules of this Committee, as they may be applicable, shall be the rules of any such ad hoc committee. An ad hoc committee shall cease to exist upon completion of the assigned task(s).
- 6.4 Legislative oversight studies and investigations of agencies are assigned to a subcommittee or an ad hoc committee at the discretion of the Chairman; the Chairman may modify assignments and appointments as he deems appropriate.
- 6.5 A subcommittee chairman or an ad hoc committee chairman is responsible for scheduling meetings of

such committees, without objection of the Chairman. As the Committee does not have designated meeting rooms, the location of its subcommittee and ad hoc committee meetings will vary due to room availability in the Blatt Building.

- 6.6 An agenda for a subcommittee or an ad hoc committee meeting shall be distributed to the members of such committees.
- 6.7 A subcommittee chairman or an ad hoc committee chairman shall allow access to S.C. ETV for the availability of internet streaming of such meetings whenever technologically feasible. If a meeting cannot be broadcast via video or Internet streaming due to scheduling conflicts or technological malfunctions, the subcommittee chairman or an ad hoc committee chairman, in his discretion, shall determine whether to continue the meeting.

Rule 7: Testimony and written correspondence

- 7.1 With the exception of members of the South Carolina General Assembly, a person requesting to be heard at a full committee, subcommittee or ad hoc committee hearing must contact the Committee office by the deadline determined by the Chairman, a subcommittee chairman, or an ad hoc committee chairman. The person must submit a prepared statement at least twenty-four hours before the day and time of the hearing to Committee staff. An appropriate number of copies of the prepared statement, as determined by Committee staff, is the responsibility of the person requesting to be heard. However, the Chairman, a subcommittee chairman or an ad hoc chairman may waive the requirement for a prepared statement.
- 7. To address the Committee during a meeting, an individual who is not a member of the Committee must be granted permission by the Chairman. This provision does not apply to full Committee meetings scheduled to receive testimony from the public.
- 7.3 To address a subcommittee or ad hoc committee, an individual who is not a member of the subcommittee or ad hoc committee must be granted permission

during the meeting by the subcommittee chairman or ad hoc committee chairman.

- 7.4 Chairman, subcommittee chairman, or ad hoc committee chairman may institute time restrictions for testimony.
- 7.5 Chairman, subcommittee chairman, or ad hoc committee chairman may require written information in lieu of testimony in the interest of avoiding redundancy if an individual has testified in a prior meeting.
- 7.6 Up to 30 days after providing verbal or written testimony, an individual may deliver written correspondence to the Committee curing false, materially misleading, or materially incomplete testimony from the individual. After such time, with the exception of extenuating circumstances, the Committee shall consider such false, materially misleading, or materially incomplete testimony to have been willfully given pursuant to S.C. Code Section 2-2-100.

Rule 8: Legislative oversight studies and investigations of an agency

- 8.1 The Committee recognizes its duties, jurisdiction, and responsibilities as enumerated in House Rule 4.2, House Rule 4.3, and S.C. Code of Laws Section 2-2-5 et seq. In carrying out those duties and responsibilities, the Committee may develop and adhere to standard practices for the normal operating procedure, upon approval by the Chairman.
- 8.2 Pursuant to the provisions of S.C. Code Section 2-2-50 et seq., S.C. Code Section 2-69-30 and Article III, Section 12, of the South Carolina Constitution, the full Committee, a subcommittee or an ad hoc committee, in the discharge of its duties, may administer oaths and affirmations, take depositions, issue subpoenas and subpoenas duces tecum, and receive testimony and evidence as necessary in connection with its work, study, or investigation. Further, the full Committee, a subcommittee or ad hoc committee, in the discharge of its duties of providing legislative oversight, may determine what evidence or information to obtain from an agency.

- 8.3. A Committee meeting shall be held on any legislative oversight study or investigation if requested by two-thirds of the appointed members of the Committee. The Chairman shall designate the meeting time for the meeting.
- 8.4 The Chairman, at his discretion, may request that the Legislative Audit Council perform an audit of an agency.
