Q1 Please share any comments, suggestions or concerns you may have about these agencies, including any observations about the way the agency shares information online. Please note your responses will be posted online and may be included in a Committee report.

Corrections, Department of

Evans Correctional Institutions, our loved ones are kept locked down more than not and are in a cell with no natural light. Kept with a cell mate that they fear for their life and when they are ask to be moved their put off. It's a kill or be killed mentality. The gangs run the prison but let the guards think they do. Theirs few guards that care about the inmates. You don't know who to trust when trying to protect your LO. Theirs no rehabilitation. They don't get to bath regularly. When they ask to see a nurse it takes months. I don't guys who've been in jail for years and have years to go should be housed with short term guys. A lot of guys that are in gangs don't care what they do or who they hurt they just want to get higher in the gang ranks.
