Reentry Division - Overview

The Division of Reentry offers invaluable services to the inmate population in providing essential tools that help tackle the complexities of Reentry. The transition from life in custody to life in the community can have profound implications to public safety. To address public safety issues, the Agency’s approach to stopping the cycle of arrest, incarceration, release and rearrests (recidivism), is to create reentry programs that assist incarcerated individuals with successful transition to their communities after release.

Greater focus has been placed on reentry efforts with the creation of this new division.

Victim Services Division - Overview

The Division of Victim Services provides notices of temporary, provisional, or final release from custody, as well as notice of escape and recapture. These notifications, and additional notifications of transfers between facilities, are also provided through the South Carolina Statewide Automated Victim Information and Notification System (SC SAVIN).

The division also provides services to employees assaulted on the job. Critical Incident Stress Management (CISM) is a program that was established to provide support services to staff who have been assaulted and/or otherwise experience trauma.

The mission of the Division of Victim Services is to inform, support, restore and empower survivors of crime by providing meaningful justice for crime victims of SCDC offenders in partnership with community, state and national resources.

Division of Inmate Services
• **Chaplains**: Assist the inmates in practicing their faith/religious views. Chaplains provide services in the areas of worship, religious education, and pastoral counseling. These services are provided to inmates of various faiths. Chaplains are responsible for the notification of an inmate’s serious illness, injury, or death.
14.1 The Chaplain is responsible for obtaining the inmate's consent and information for notifying family/designated individuals in the event of the inmate's serious illness, injury, or death. SCDC Form 9-11, "Inmate/Resident Release of Information/Consent," will be filled out by each inmate during the institutional orientation upon transfer to a new institution. This form will be filed in the inmate's institutional record.

14.2 When an inmate is seriously ill, seriously injured, or dies, the Warden/Duty Warden will contact the Chaplain to notify the inmate's family.

14.2.2 The Chaplain will notify the designated family member of an inmate's death only after the doctor or coroner has verified the death. The family may claim the body and provide a funeral. If the family is not located or does not claim the body, SCDC will contact the funeral home to cremate the body. The family can claim the ashes, or they will be spread in the SCDC cemetery within 30 days after cremation. The institutional Chaplain will prepare SCDC Form 26-8, "Medical Emergency or Death of an Inmate." The form will be placed in the inmate's institutional record and a copy will be forwarded to the Chief, Pastoral Care Services Branch. (See SCDC Policy/Procedure HS-18.04, "Inmate Death."

14.2.3 The Chaplain will arrange for the next of kin to receive any possessions of the deceased inmate. If the next of kin cannot be located, the Chaplain will ensure the appropriate disposition of the inmate's property as specified in SCDC Policy OP-22.03, "Authorized Inmate Property and Disposition of Unauthorized Property," section 10.
Upon an Inmate’s Death

• **What method does SCDC use to notify of an inmate’s death?**
  
  • Contact for notification of an inmate death is normally made by phone.

• **How many times does SCDC try to contact next of kin to determine if they want the body before SCDC cremates the body?**
  
  • SCDC Chaplains try repetitively to make contact for Notification of an inmate death. In difficult contact situations this process may go over a period of days, even beyond a week. On rare occasions, an inmate’s attorney has been contacted for the Notification to be done. Even friends may be sought out to enable contact with the inmate Family for Notification. County Sheriff(s) may be contacted to assist in this effort. The SCDC contract funeral home will hold the body when there is a delayed Notification or in a circumstance where it takes a period of time for an inmate Family to determine if they will claim the body.
In the Notification process, upon the death of an inmate, the inmate’s Family is asked if they desire to claim the body. If they say they will, they are informed that all funeral costs upon claiming are borne by the Family, SCDC will not assist in any way. If the Family indicates they will not claim the body, the Chaplain informs them that SCDC will do a Cremation of the remains. The Chaplain further asks the Family if they would desire to receive the Cremains. If the Family wants the Cremains, the Chaplain will work with the Family to arrange this. If the Family does not claim the Cremains, the ashes will be spread in the SCDC Cemetery in a Spreading of the Ashes Service by Chaplains and staff.

Are there any options for family/friends, who are unable to pay for a funeral, to at least view the body before SCDC cremates?

If a Family requests to view the body without claiming the body, they are informed that SCDC will not provide such a service; but that they can discuss this possibility with the contract funeral home, and that this would be at the Family expense.
• Can the family of an individual that dies in prison have their own autopsy performed on the individual?

• An autopsy will be performed by the State on a deceased inmate in almost every case as determined by the Coroner. If a Family claims the body of a deceased inmate, the Family can have their own additional autopsy conducted.

• Under current contract, the cost of cremation is $457
• **Recreational and Wellness Programs**: Promotes physical fitness, good health, and wellness by ensuring inmates are afforded access to recreational programs. Recreational programs and leisure activities assist the inmates in developing positive means of releasing tension and reduce idleness.

• **Volunteers**: Special people who unselfishly donate their time and energy towards inmates. They are the cherished resources of the South Carolina Department of Corrections. They supplement staff, provide programs and support services that may not otherwise be available. They bridge the gap between the community and the correctional setting.

• **Self-Paced In-Class Education (SPICE):** An education and employment initiative. This initiative is a faith-based community partnership between SC Department of Corrections, SC Department of Probation, Parole and Pardon Services, SC Department of Vocational Rehabilitation, and SC Technical Colleges. The SPICE program provides meaningful educational opportunities (vocational training, life skill training, spiritual awareness and career readiness training).

• **Public Awareness/Crime Prevention:** SC Department of Corrections recognizes the importance of public awareness and crime prevention and currently offers two crime prevention/public awareness programs for schools, colleges, law enforcement, churches, civic and business groups throughout South Carolina.
• **Operation Get Smart**: Implemented in 1976, and for more than 40 years has been an intricate component in our crime prevention efforts. Operation Get Smart consists of a carefully screened team of inmates who travel the state speaking to youth and adults about actions which led to their involvement in crime and the consequences of criminal behavior.

• **Operation Behind Bars**: Implemented in 1992, utilizes a more realistic approach with the participants rather than scare tactics. The program is targeted toward young adults, allows each participant to tour a prison facility and then hear inmates give realistic accounts of actions that led to their criminal behavior, the effects of incarceration and day to day prison life.

PUSD Purpose and Mission

The purpose of the district is to enhance the quality and scope of education for inmates within the Department of Corrections so that they will be better motivated and better equipped to restore themselves in the community. The establishment of this district shall ensure that education programs are available to all inmates with less than a high school diploma, or its equivalent, and that various vocational training programs are made available to selected inmates with the necessary aptitude and desire. Where enrollment in an education program must be restricted, justification for that restriction should be documented by the district.

The Division of Reentry is...

• Training staff in a more holistic approach to providing services to our returning citizens.

• Placing greater emphasis on educational/vocational completion and skills certification, while addressing the underlying cause of the incarceration.

Inmate Skills – Information Maintained by SCDC

SCDC captures inmates’ skills through entries made from job assignments and training obtained during incarceration. SCDC’s IT department has created an Inmate Occupation Search engine that allows us to extract a listing of inmates with particular skills by county, release date, age, offender type and job code. This information is utilized to assist with job placement internally and as employment referrals prior to release, please see example below.

The use of cell phones and social media sites by offenders in the custody of SCDC is strictly prohibited.

Prosecute inmates, and those assisting inmates, who utilize the internet for the purpose of communicating with victims.

SCDC provides a link on the agency website ([www.doc.sc.gov](http://www.doc.sc.gov)) to report offender usage of cell phones/social media usage.

Victims who are being harassed/intimidated through cell phones and social networking websites can report activity using the website link or call Victim Services directly.

Recommendations to General Assembly:
- Increase the penalty for this offense.
- Minimal fines and 30 day sentences do not deter currently imprisoned inmates.

Greatest potential harm of not providing: Inmates contact, harass and extort individuals that have already been harmed.
