

## Intake and Data Training for County Facilities (January 2019)

Included in the Department of Corrections' (SCDC) May 24, 2019 letter to the House Legislative Oversight Committee (LOC). This information was provided in response to following question in LOC's May 16, 2019 letter to the Department of Corrections: "7. Please provide a brief summary of the training provided to counties regarding data they provide SCDC, including, but not limited to, why the agency believed the training was needed, types of data the training discussed, entities invited to the training, entities that did not attend the training, number of times in the past in which the training has been held, and the agency's plans for future training, if any."

In addition to providing the information in this document, SCDC provided the following response:

- A four-hour county training is conducted on a yearly basis to update and train county detention center employees on paperwork needed and procedures for transporting inmates to the R&E centers. Training was conducted on January 29 and January 30, 2019. The training was offered on two (2) separate days to allow for shift coverage at the participating agencies. Areas covered included issues regarding bringing more or less inmates than scheduled, incorrect/missing paperwork, inmate property, missing/incomplete medical documentation. The next training will be held in January of 2020. Please see attachments Agenda and County Participant Roster.
- Also attached are PowerPoint presentations that are routinely presented by the SCDC General Counsel's Office at conferences and other gatherings several times throughout each year. The audiences for these presentations are generally solicitors, public defenders, judges, and private defense attorneys. The first Power Point deals with all types of sentences, while the second addresses Youthful Offender Act sentences.

**RE: Personal Property of Intake Inmates / Males and Females**

To Whom It May Concern:

The South Carolina Department of Corrections does not provide funding for inmates to mail unauthorized property to their residence or family members. Please inform all intake inmates in advance of their transfer from your location to Kirkland and Camille-Graham R&E Center to make arrangements for their family members to pick up their personal property in excess of the attached list. This includes cell phones, valuables, and jewelry.

Any unauthorized property that arrives with the inmate will be confiscated and donated to charity unless the inmate has appropriate funds (cash or checks) to cover postage, shipping and handling fees. Please post the attached listing of allowed and issued property for inmates while in intake status at Kirkland and Camille-Graham R&E Center.

In addition, for the protection of your officers and ours, please ensure a thorough property and frisk search has been conducted prior to arrival at Kirkland or Camille-Graham R&E. There have been instances of drugs and other illegal items found in inmate property.

If you have any questions or concerns, please contact me at 803-896-3927 or email me at richardson.stacey@doc.sc.gov.

Sincerely,

A handwritten signature in cursive script that reads "Stacey E. Richardson".

**FROM:** Joette D. Scarborough, Division Director –Classification and Inmate Records  
**SUBJECT:** PROCEDURES FOR REMOTE COUNTY RELEASE  
**DATE:** January 29, 2018

The following procedure applies to cases in which the inmate is not physically transferred to SCDC, but sentencing sheets and other documents are sent for release processing via email or fax. These release types are herein referred to as remote county releases.

- All efforts will be made to process each inmate for release on the date that sentencing documents are received. If clarification is needed, the inmate will not be processed for release until such clarification is received.
- The R&E intake staff will ensure that the IRO Supervisors routing group is informed via email of all remote release processing within one (1) hour of receipt.
- Documentation for the remote release of county inmates must be received by the South Carolina Department of Corrections Kirkland R&E by 12 Noon for same day processing. Release documentation received after 12 Noon may be processed for next day release. The factors that may determine next day release would include: all documents not received or late day receipt of documents. The exception to this will be releases scheduled for Fridays or the work day before a state holiday. Required documentation must be faxed to SCDC at (803) 896-2749/2750. Required documentation includes:
