RE: Legislative Oversight Study of the Department of Health and Environmental Control

Dear Director Heigel:

On behalf of the Healthcare and Regulatory Subcommittee, we thank you and your staff for sharing your time and knowledge with the Subcommittee during our April 20, 2017, meeting. During our last meeting Subcommittee Members noted they would like additional information on the following:

- teen pregnancy rates;
- legislative recommendations to assist with managed care Medicaid;
- identification of challenges related to storm water/water infrastructure; and
- identification of participants in the adopt-a-stream program.

Thank you for your service to the citizens of South Carolina and for your continued cooperation with the legislative oversight process. We look forward to our next meeting on Tuesday, May 9, 2017, to learn more about the agency's strategic planning, performance measures, and partners.

Sincerely,

Signature Redacted

Phyllis Henderson
Subcommittee Chair
