RE: Follow-up questions from the Subcommittee meeting with the agency on January 23, 2019

Dear Director Shwedo:

The Economic Development, Transportation, and Natural Resources Subcommittee appreciates the Department of Motor Vehicles' continued partnership in the oversight process. As follow-up from the meeting on January 23, 2019, please provide the following information by Monday, February 4, 2019:

1. A brief description of the steps DMV and others would have to take to begin automatically transmitting address changes made with DMV to counties to be used to update voter registrations. Please include an estimate of the costs DMV would incur to take those steps;
2. The number of employees DMV currently has that make less than \$25,750, the 2019 federal poverty threshold for a family of four; and
3. A list of the in-state court systems that do not provide at least 90% of adjudicated tickets to DMV within the ten-day reporting period.

If these inquiries would yield responses that are not an accurate reflection of the agency or if additional time is needed to respond, please contact Committee staff. Thank you for your service to the citizens of South Carolina and for your continued cooperation with the legislative oversight process. We look forward to continuing our discussion of the Department of Motor Vehicles at the next Subcommittee meeting.

Sincerely,

A handwritten signature in blue ink that reads "Bill Hixon".
