Natural Resources, Department of

I welcome the opportunity of public input to your committee. I am a Veteran of the US Army. I would like this consideration given to all VETERANS. Not just disabled Vets! Some Vets are disabled but for one reason or another, not willing to ask for assistance and that's fine. All Vets, especially Combat Vets should be allowed to at least fish without paying a fee . It could have an effect that is better than any doctor or drugs! Thanks for allowing me a platform on which to speak up for the military! As for the employees that feel this forum is where you air your dirty laundry...LEAVE if you are not happy or jealous of your coworkers with the DNR! You are probably the one who doesn't have the brains to accept or work with new ideas and work smarter not harder or whatever. You sound like you have a jealousy issue in a sense! Putting crap like that on here! No room for the likes of people like you in the military or anywhere for that matter...HOORAH!
