I am a taxpayer and attended one of your Small Business Workshops in conjunction with the IRS. The rep from the dept of revenue, I think her name was Randy, was the most unprofessional tax employee I have ever come across. She was dressed sloppy, spoke like she was in a hurry. She spoke so fast that most people couldn't understand her. Also, several of the items regarding sales tax was just plain wrong. The DOR needs to do a better job training these people before they are sent out to represent the agency. These people need to be shown how to dress and pronounce words correctly. Thank you!

I work for DOR. It is bad under the current director. He is hiring his friends from outside . They are destroying hard working reliable employees. He brought in friends to hurt specific district offices. One man he just hired is harrasing women in the office already. He is making women uncomfortable and he is treating good workers really bad. He needs to be stopped. He thinks he has unlimited power with the directors blessing. There is giung to be a big sex harassment scandal coming out just soon.
