The Legislative Audit Council held a meeting on March 17, 2015 and accepted the audit request regarding the S.C. Department of Transportation, which you agreed would address the concerns of the House Legislative Oversight Committee. We anticipate having staff available to begin this review by late April.

Thank you for your support and interest in our work. We will keep you and Representative Henderson updated as we proceed with the audit. If you have any questions or need additional information, do not hesitate to contact me.

Sincerely,
