I'm confused as to how the HP Colonel (and others) reside in Richland County, zip code 29106, yet require driving 85 miles one-way to get to Blythewood which is also 29016? Is this just sloppy reporting of data? I can understand a missed decimal on one line, but the errata appears for four different personnel, and increases the costs estimates provided by SCDPS by \$23,378.40 and \$15,127.20, respectively. The errata appear on Attachment 3 for personnel driving 85 miles (55 new miles under policy). Makes you wonder, if these numbers are wrong, then what other numbers are they incorrectly reporting?
