Disabilities and Special Needs, Department

Our son has been a resident of Coastal Regional Center since 1980. We believe he is in the best home for his condition. He is profoundly ID, has multiple medical problems and is severely affected physically. We have peace of mind in the knowing that if he outlives us he has a good home with caring people for the rest of his life. There are good facilities in our state and I believe those run by DDSN are the best of them.
