

Office of Personalized Learning

Stephanie DiStasio

The Office of Personalized Learning focuses on specialized teaching for students in order to support them seeking to attain the World Class Knowledge, World Class Skills, and Life and Career Characteristics identified in the Profile of the South Carolina Graduate. The SCDE has established a system of supports to aid districts as they explore, plan, and implement high quality systems for personalizing learning.

Deliverable #95: Develop competencies for the Profile of the SC Graduate.

Intent

S.C. Code Ann 59-1-50

The State shall make a reasonable and concerted effort to ensure that graduates have world class knowledge based on rigorous standards in language arts and math for college and career readiness. Students should have the opportunity to learn one of a number of foreign languages, and have offerings in science, technology, engineering, mathematics, arts, and social sciences that afford them the knowledge needed to be successful.

Deliverable #96: Provide professional learning opportunities to teachers, schools, and students regarding personalized learning and competency based initiatives.

Intent

S.C. Code Ann 59-18-1940

Working with the Education Oversight Committee, the State Department of Education shall design and pilot district accountability models that focus on competency-based education for a district or school or on regional or county economic initiatives to improve the postsecondary success of students. A district may apply to the department and the committee to participate in the pilot.
