SEC Response to April 19, 2017 Executive Subcommittee Request for Additional Information

Voter Registration

- 1. Please provide a list of the additional information a County Election Board may request at the registration stage to determine if an individual is a U.S. citizen, and thus qualified to vote.**

County boards of voter registration and elections may request additional information from an individual at the voter registration stage if the board has reason to believe the individual is not a U.S. citizen. Acceptable documents that can be used to prove citizenship include:

- Birth certificate (issued by a U.S. State or U.S. Department of State)
- U.S. Passport (issued by U.S. Department of State)
- Certificate of Citizenship (issued by U.S. Citizenship and Immigration Services)
- Naturalization Certificate (issued by U.S. Citizenship and Immigration Services)

- 2. Please provide a list of requirements for an individual to be eligible to vote. (Note: This is not asking for what can be provided to prove eligibility).**

To register to vote in South Carolina, a person must meet the following qualifications:

- Must be a U.S. Citizen.
- Must be at least 18 years of age. A person who is not yet 18 years of age, but will attain 18 years of age by the date of an upcoming election, may register to vote beginning 150 days prior to the election. If there is a primary associated with the election, the person may register to vote beginning 150 days prior to the primary.
- Must be a resident of the county and precinct in which the person is registering to vote
- Must not be adjudicated by a court of competent jurisdiction to be mentally incompetent.
- Must not be serving a term of imprisonment for the conviction of any crime.
- Must not be convicted of a felony or offenses against the election laws, unless the disqualification has been removed by service of the sentence, including probation and parole time unless sooner pardoned.

- 3. Please provide a list of every avenue through which an individual may register to vote (e.g., telephone, mail, online, in person, etc.)**

Online	On-line Voter Registration (OVR) application allows a citizen with a valid S.C. Driver's License or S.C. Identification Card issued by the S.C. Department of Motor Vehicles (DMV) to register to vote and/or update their address.

4. For each avenue listed above, please provide the following:

- **Entity and location at which the individual may register (including all agencies through whom an individual may register to vote)**
- **Specifically what action the individual must take at the location to register to vote, including the options of information/documentation that can be shown/provided to establish the individual satisfies each requirement of an eligible voter.**
- **Who is responsible for verifying the accuracy of the information/documentation shown/provided by the individual registering to vote.**
- **How the individual(s) at each entity and location records the information that establishes the individual is an eligible voter;**
- **What the entity does with the information recorded (e.g., sends to Election Commission and deletes, sends to Election Commission and stores, etc.);**
- **How the entity transmits the individual's information to the Election Commission.**
- **The name of the entity responsible for determining an individual's correct county and precinct based on information provided when the individual registered?**

See Attachments A and B.

5. For each entity and location above, common causes of issues/complaints from individuals who believed they registered to vote through the entity or at the location, but when they arrived at their precinct were told they were not registered to vote.

See Attachment A.

6. Are there any databases maintained by the Federal government through which the Election Commission could verify those in the voter registration system that are U.S. citizens?

The SEC is not aware of any federal database through which the citizenship of all voters could be verified.

7. Please provide a bullet list summary of the instructions provided to County Election Boards, during mandatory training with the Election Commission, in regards to methods for verifying citizenship.

The following instruction related to verification of citizenship is included in mandatory training for county boards of voter registration and elections and for county election directors:

- The county board is responsible for determining the qualifications of a person who applies to register to vote.
- The board must be satisfied that the applicant meets all voter registration requirements, including the citizenship requirement.
- All applicants must complete a voter registration application. The applicant must attest to citizenship on the voter registration application and by signing the application takes an oath to that effect. Any applicant guilty of fraudulently applying for registration is guilty of perjury and is subject to the penalty for that offense.
- In most cases, this attestation should be sufficient to satisfy the board that the applicant is a U.S. citizen.
- If the board has some question as to the qualifications (including citizenship) of any applicant, the board may require additional documentation as outline in the response to Question 1.
- County board members, directors, and staff are trained to use caution in requiring additional documentation to prove citizenship. Additional documentation should only be required if there is a real question, based on individual circumstances, about whether the person is a U.S. citizen.
- Additional documentation must not be requested based on race, color, ethnicity, national origin, or language as doing so would be discriminatory. Counties are cautioned that appearing to create a barrier to voter registration would be a violation of Federal and State laws.

8. What information from voter registration databases at the Election Commission is available for sale?

Any registered voter in South Carolina can purchase a list of registered voters. The list is available in the following formats: tape, diskette, mailing labels, printed report, or electronic download via online. Information on voters can be selected by the following combinations:

Candidate Registration

- 1. Please answer questions 2, 3, and 4 under Voter Registration, but as it relates to individuals registering to run as a candidate in an election.**

Candidate Eligibility/Qualifications

- General Qualifications
 - No person may be popularly elected to and serve in any office in the State unless he is registered to vote in the geographical area represented by the office
 - A person convicted of a felony or an offense against the election laws is not qualified to file for or hold office, unless it has been fifteen years since the completion of the sentence for the crime or unless the person has been pardoned (S.C. Constitution, Article VI, Section 1).
- Specific Qualifications
 - See Attachment C for specific qualifications for federal, state and county offices
 - Qualifications for municipal offices may vary by ordinance.
 - Qualifications for school boards and special purpose district may vary by enabling legislation

Candidate Filing Process

- Partisan Candidates
 - Candidates for federal office, statewide office, and solicitor must file with the State Election Commission.
 - Candidates for State Senate, State House of Representatives, countywide office, and less-than-countywide office must file with the county board of voter registration and elections in the candidate's county of residence.
 - The filing period for the General Election opens at noon on March 16th of the election year and closes at noon on March 30th of the election year.
 - The filing period for special elections opens at noon on the third Friday after the vacancy occurs and closes at noon, 10 days later.
 - A candidate who files for the nomination of a party that nominates by primary must pay a filing fee. The filing fee is one percent of the annual salary of the office multiplied by the number of years in the term of office or \$100, whichever is greater. This fee is applied to funding the party's primary. A candidate who files for the nomination of a party that nominates by convention does not pay a filing fee.
 - At the time of filing, candidates present three copies of a completed Statement of Intention of Candidacy/Party Pledge form (SICPP) available at scVOTES.org, the SEC, and county voter registration and elections offices. The candidate must also present a check or money order for any necessary filing fees.
 - The candidate must sign the SICPP form in front of an election official unless the candidate's signature has been notarized.
- Nonpartisan Candidates
 - Petition candidates must file a nominating petition containing the valid signatures of at least one percent of the active registered voters in the geographical area represented by the office, not to exceed 10,000 signatures. Candidates for federal and state offices, State Senate, State House, and multi-county offices file petitions with the SEC. Candidates for countywide and lesser offices file petitions with the county board of voter registration and elections. Petition signatures are checked against voter registration records on file with county boards of voter registration and elections to determine the number of valid signatures. The petition deadline for the General Election is noon, July 15. The petition deadline for special elections is noon, 60 days prior to the date of the election.
 - Generally, nonpartisan candidates (other than petition candidates) file using a Nonpartisan Statement of Intention of Candidacy Form available at scVOTES.org, the SEC, and county voter registration and elections offices. In General Elections, nonpartisan candidates must file by noon, August 15. The filing period for nonpartisan special elections opens at noon on the third Friday after the vacancy occurs and closes at noon, 10 days later.
 - Candidates should check locally for specific filing requirements for nonpartisan and municipal offices. Nonpartisan candidate filing requirements may vary by office based on requirements in enabling legislation and municipal ordinances.
- When candidates file, their names are entered into the Candidate Tracking System, which is part of the Statewide Voter Registration System. The Candidate Tracking System makes candidate information instantly available to the public throughout a filing period. The public can view candidate names and other information and download copies of candidates' filing forms.

Candidate Certification Process

- Political parties are responsible for certifying partisan candidates to the SEC and county boards of voter registration and elections. Political parties certify that each candidate meets the qualifications for the office for which the candidate has filed.
- The responsibility for checking qualifications and certifying nonpartisan candidates lies with the entity that receives the filing (SEC, county board of voter registration and elections, or municipal election commission).

Cyber Security

1. How many times per day does each of the Election Commission's databases receive a hit that attempts to penetrate the system?

The chart below shows the number of blocked attempts to penetrate the firewall of the statewide voter registration system hosted at the Department of Administration Division of Technology (DTO) on the second Tuesday of each month between November 2016 and April 2017.

November 8, 2016	149,832
December 13, 2016	113,372
January 10, 2017	76,993
February 10, 2017	41,420
March 14, 2017	58,278
April 11, 2017	44,754

Voting Machines and Poll Managers

- 1. Does statute or regulation not set out a formula for the number of voting machines and poll managers each precinct must have based on the number of registered voters in the precinct?**

Poll Managers (SECTION 7-13-72)

For the general election held on the first Tuesday following the first Monday in November in each even-numbered year, the members of the county board of voter registration and elections must appoint three managers of election for each polling place in the county for which they must respectively be appointed for each five hundred electors, or portion of each five hundred electors, registered to vote at the polling place.

For primary elections held on the second Tuesday in June of each general election year, the members of the county board of voter registration and elections must appoint three managers of election for each polling place in the county for which they must respectively be appointed for the first five hundred electors registered to vote in each precinct in the county, and may appoint three additional managers for each five hundred electors registered to vote in the precinct above the first five hundred electors, or portion thereof.

For all other primary, special, or municipal elections, the authority charged by law with conducting the primary, special, or municipal elections must appoint three managers of election for the first five hundred electors registered to vote in each precinct in the county, municipality, or other election district and one additional manager for each five hundred electors registered to vote in the precinct above the first five hundred electors.

Voting Machines (SECTION 7-13-1680)

The governing body of any county or municipality providing voting machines at polling places for use at elections shall provide for each polling place at least one voting machine for each two hundred fifty registered voters or portion thereof or as near thereto as may be practicable.

Election Commissioners

- 1. Please provide the list of current commissioners, which of the commissioners serves as the member of the majority party in the General Assembly, which of the commissioners serves as the member of the largest minority party in the General Assembly, and the date each commissioner was originally appointed to serve as a commissioner.**

County Election Boards

SC Code Section 7-5-10(C) addresses previous governing structures and when they will be transitioned to new ones. Specifically it states: (C) The previous offices of county election commissions, voter registration boards, or combined boards are abolished. The powers and duties of the county election commissions, voter registration boards, or combined boards are devolved upon the board of voter registration and elections for each county created in subsection (A). Those members currently serving on the county election commissions, voter registration boards, or combined boards shall continue to serve in a combined governing capacity until at least five members of the successor board members established under this section are appointed and qualify.

- 1. In light of the last sentence of 7-5-10(C), are there any counties that do not have at least five members of the successor board appointed and qualified? (i.e. are there any still running under the old system)**

Per the Governor's Office, all board members have been appointed/reappointed under the new system.

- 2. Is there a chart which includes the following information, by county:**
 - a. Number of individuals on the Board of Voter Registration and Elections**
 - b. Number of years each individual has served on the Board**
