This information is requested by SCCID from JusticeWorks as needed. Additional information is available upon request so long as both SCCID and the Public Defenders agree to the release of the information as needed.

### \*Definition of “case” utilized by the Commission on Indigent Defense:

- A case is a single charge or a collection of related charges brought in the same court for the same initial arrest. When subsequent arrests occur, they only belong to the same case when they belong to the same court and have the same underlying conduct.
