

- Another question that was asked of the Academy was to determine how other State Academies' / POSTs are funded? The results of the survey conducted through IADLEST is listed below:

51.6% funded through state/general fund. Of these:

43% primarily use court costs and tickets as primary funding (fines and fees)

43% primarily use their state's general fund

13% primarily use state taxes or insurance premiums

32% funded by candidates attending training

16% funded by agencies sending candidates for training

The question from the survey conducted by IADLEST was “How is your academy funded?” and did not specifically question whether the funding was for basic training or the combination of both basic and advanced.

The responses were from the following states:
