

## **South Carolina Highway Patrol Basic Training Program**

### **Pre-Academy Orientation/Indoctrination – Three weeks**

The SCHP Pre-Academy is designed to properly prepare the Trooper Trainee to successfully complete the SC Criminal Justice Academy. During this three week phase, Trooper Trainees are exposed to a highly autocratic paramilitary environment. The objective of this type of environment is to convey an established chain of command, strict adherence to the rules and promote self-discipline.

- SCDPS Policy and Procedures – Trooper Trainees are indoctrinated to SCDPS policies and procedures.
- Firearms – Trooper Trainees are given firearms instruction with an emphasis placed on basic weapons handling, drawing skills, and marksmanship fundamentals.
- Driving – Trooper Trainees are given hands on experience driving a full size police vehicle and exposed to several different driving courses and techniques.
- Defensive Tactics – Trooper Trainees are introduced to defensive tactics with an emphasis placed on patterns of movement, tactical handcuffing, relative positioning, and weapon retention and force continuum issues.
- Physical Training – Trooper Trainees will participate in daily physical training sessions designed to develop cardiovascular endurance and muscular strength. It is also designed to build mental and physical toughness. It focuses on team building and esprit de corps.

After reviewing our applicants, we schedule them to run the SCCJA PAT course. When an applicant passes the PAT course, they must fill out a background questionnaire. After the background questionnaire is complete, we review it for any automatic disqualifiers, such as criminal record, specific drug usage. When we determine the applicant is successful after the background questionnaire, they may take the National Police Officer Selection Test (P.O.S.T.) or the National Correction Officer Selection Test (C.O.S.T.). The minimum score on either test is 70%. If the applicant fails the PAT, they have to wait 30 days before they may attempt the course again. If the applicant fails either written test, they will have to wait 90 days before they may re-take the test. When the applicant has successfully completed these tasks, a background investigator is assigned to review their file. If anything that disqualifies is found, they are sent a rejection letter. If the applicant passes the background, they are invited to an interview with 5 board members that consist of, professional standards unit (4) people and a supervisor from the patrol division. A vote of 3 or more must be passed in order for the applicant to be sent to see the Major and the Sheriff for a final interview. If the applicant passes the interview with the Sheriff, he gives them a conditional offer of employment. This means the applicant must pass a drug screen and a psychological exam. Once all test are completed and the applicant passes, they will be sent to the professional standards unit for pre-academy training. This consists of firearms familiarization and qualification, defensive tactics and driving.
