16	SRO must be of great character, people person, and able to work well with others. They have to be active and patrol the grounds, watch cameras and investigate crime. They need to speak to classes and the school in groups. They need to keep their ear to the ground and solve cases in and outside the school. They need to build trust even with the ones they charge, you have to or you won't have any informants. Informants will solve at less 25% of crimes in the school. Check the woods, parking lots, and entire property. I have found weapons in the shrubs at the school, under trash cans, etc.	4/28/2016 10:19 AM

30	I feel that as School Resource Officers, we are trained well and know our job duties, however, I feel that the school district and their administration running the schools (principal's etc) need to know what our jobs as LEO and SRO are. I find that there are situations and issues that I should be involved in and am not. Too many people trying to sweep things under the rug. We are here to protect the staff and students and handle situations when called for but it seems like as an SRO, you are not utilized for issues that you should be involved in. I have also found that the school admin enjoys using SRO's for tasks that are out of our element, just because we are here. I think that at the beginning of each school year, principals should meet with the districts superintendent and SRO's before signing our MOA's, so there is a clearer picture of our job duties.	4/25/2016 9:50 AM

I try and build relationships with these specific kids to try and help them rise above their circumstances to become successful. I am not sure what you would label this task.	4/19/2016 10:14 AM
34	To fill in the needs of your school and that still remains in the frame work of your job description i.e. I teach an Honor Guard class and take care of flag duty.	4/19/2016 9:13 AM
35	SCHOOLS EMERGENCY TRAINING	4/18/2016 9:36 AM
36	Teaching classes law related education. Developing lesson plans, Assisting with sports events, dances, etc security at events, Court for juvenile court, general sessions court or municipal court. Investigating child abuse, child neglect, sexual abuse. Coordinating with DSS ref. abuse cases, Assisting school in contacting/locating parents when needed. Handling investigations that occurred outside of school because involves student.	4/17/2016 1:36 AM
37	Along with training for resource officers, district employees need to be trained on the purposes of a resource officer in the school. Some teachers believe that SROs should enforce behavior/discipline issues as well as removal of students from class when they are not receiving cooperation from the student. A clear understanding of our role on campus would be beneficial to many.	4/15/2016 1:58 PM

Also training should be conducted during the summer months to allow all SRO to participate.	4/14/2016 8:12 AM
41	I think the biggest problem is in this city is there are so many officers threw in this job with no training and are not certified and because of lack of personnel, they create problems. I was taught out job was pro-active, not re-active now the officers do nothing because they are not train , I thought it was a unique job to be an SRO, they have made it, or you feel that it is only a job for officers they don't know what to do with.	4/14/2016 7:59 AM

63	Attend Family Court Hearings/Arbitration Hearings.	4/11/2016 2:35 PM
64	In my years as an SRO, the largest percentage of time is spent as a counselor to students who are not comfortable talking to school counselors and they need a place to "vent".
