A. Glossary of Terms

1. Glossary of agency terms.

Term, Phrase or Acronym	Meaning of the Term, Phrase or Acronym
Adequate proportion	The minimum amount of federal Title III-B OAA funds to be expended for the delivery of legal assistance. In South Carolina, the minimum adequate proportion has been set at 1%.
Administration on Aging (AOA)	The federal agency established in the Office of the Secretary, for the United States Department of Health and Human Services (USDHHS), which is charged with the responsibility for administering the provisions of the OAA. The AoA is now part of the Administration for Community Living (ACL) at the USDHHS.
Advice (legal)	An informed opinion and the suggestion of possible courses of legal action that may be taken to remedy an identified legal problem; or clarification of rights under the law rendered by an attorney licensed to practice law in the State of South Carolina.
Adult Child with Disabilities	According to the OAA, means a child who is 18 years of age or older; is financially dependent on an older individual who is a parent of the child; and has a disability.
Adult Day Care/Adult Day Health	Personal care for dependent elders in a supervised, protective, and congregate setting during some portion of a day. Services offered in conjunction with adult day care/adult day health typically include social and recreational activities, training, counseling, and services such as rehabilitation, medications assistance, and home health aide services for adult day health. Note: The OAA considers Adult Day Care to be a temporary Respite function.
Agency Executive/Management Staff	Personnel such as State Unit on Aging (SUA) director, directors of key divisions, and other positions that provide overall leadership and direction for the state or Area Agency on Aging.
Aging and Disability Resource Center (ADRC)	An entity, network, or consortium established by the state as part of the state's system of long-term care to provide a coordinated system for providing consumers access to the range of publicly- and privately-supported long-term care programs for which older individuals and persons with disabilities may be eligible by serving as a convenient point of entry for such programs. ADRC's include an emphasis on independent living and home and community-based services. In South Carolina, ADRCs are part of the AAAs.
Aging Network	In South Carolina, the network of the South Carolina Department on Aging, Area Agencies on Aging (AAAs), and service providers contracted by the AAAs.
Area Agency on Aging	A public or private nonprofit agency or organization designated by the South Carolina Department on Aging, which in a designated planning and service area administers the OAA and other programs at the local level to assure that supportive and nutrition services are made available to older persons in communities where they live by funding, implementing, coordinating, expanding and maintaining needed services. (adapted from the Older Americans Act)
Advanced Information Manager System (AIM)	Client and service tracking tool used by the SCDOA and Aging Network.
Alzheimer's Disease and Related Disorders Resource Coordination Center (ADRC)	Division within the SCDOA for dementia and Alzheimer's coordination.
Area Plan	The official document that is submitted by a designated AAA to the Department on Aging for approval in order to receive aging grant funding during a grant period set by the Department on Aging every four years. The State of South Carolina has a four-year State Plan, which is submitted to the ACL. The AAA's Area Plan is based partly on the State Plan Assurances. The

	AAA's approved area plan shall be updated annually, or as required by the
	Department on Aging. The Area Plan process shall be comprehensive and
	inclusive of all programmatic systems and services. The area plan sets forth
	measurable objectives and identifies the planning, coordination,
	administration, social services, resource allocation, evaluation, and other
	related activities to be undertaken for the plan period. An Area Plan is
	required for the receipt of OAA funds and shall be strictly adhered to by the
	AAA and its providers.
Assessment	The process of determining the level of need of aging clients in order to
	provide OAA services. The AAAs assess clients to determine service eligibility
	and priority.
Assets	Liquid (cash) and non-liquid (non-cash) property of value belonging to the
	older individual who seeks/requests legal assistance.
Assisted Transportation	Assistance and transportation, including escort, to a person who has
·	difficulties (physical or cognitive) using regular vehicular transportation. These
	trips are primarily for medical appointments or essential trips such as grocery
	shopping. These are primarily round-trips.

Outreach	Intervention with individuals initiated by an agency or organization for the purpose of identifying potential clients (or the client's caregivers) and encouraging the use of existing services and benefits. Note: The service units for information and assistance and for outreach are individual, one-on-one contacts between a service provider and an elderly client or caregiver. An activity that involves contact with multiple current or potential clients or caregivers (e.g., publications, publicity campaigns, and other mass media activities) should not be counted as a unit of service. Such services might be termed public information and reported on the public information category.

	They may also be reported in "Section II.E. – Utilization and Expenditures
	Profiles, Other Services Profile." (as defined by NAPIS)
Paralegal	Legal assistants, also known as paralegals, are a distinguishable group of persons who assist attorneys in the delivery of legal services. Through formal education, training, and experience, legal assistants have knowledge and expertise regarding the legal system and substantive and procedural law which qualify them to do work of a legal nature under the supervision of an attorney, who is ultimately responsible.
Palliative Care and Quality of Life Study	A committee established by the General Assembly and coordinated by the
Committee	SCDOA to study Palliative Care and to make recommendations. The committee met in 2019 – 2020 and released a report on February 20, 2020.
Passenger Mile	One mile ridden by one passenger is the unit of service for transportation services. It is also the unit of service for riders provided assisted transportation.
Pass-Through Entity	A non-Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program.
Physical Abuse	Physical abuse means intentionally inflicting or allowing to be inflicted physical injury on a vulnerable adult by an act or failure to act. Physical abuse includes, but is not limited to, slapping, hitting, kicking, biting, choking, pinching, burning, actual or attempted sexual battery as defined in Section 16-3-651, use of medication outside the standards of reasonable medical practice for the purpose of controlling behavior, and unreasonable confinement. Physical abuse also includes the use of a restrictive or physically intrusive procedure to control behavior for the purpose of punishment except that a therapeutic procedure prescribed by a licensed physician or other qualified professional or that is part of a written plan of care by a licensed physician or other qualified professional is not considered physical abuse. Physical abuse does not include altercations or acts of assault between vulnerable adults. S.C. Code Ann. § 43-35-10(8)
Planning and Services Area (PSA)	According to the OAA, a legislatively mandated sub-state, area-wide district designated for purposes of planning, development, delivery, and overall administration of service. In South Carolina, there are 10 planning and service areas (AAAs).
Point-to-Point Transportation	A transportation system in which a client travels directly to a destination. Point-to-point describes a transportation service for clients from point-of-origin to point-of-destination.
Poverty Line	The term "poverty line" means the official poverty line (as defined by the Office of Management and Budget, and adjusted by the Secretary in accordance with section 673(2) of the Community Services Block Grant Act (42 U.S.C. 9902(2)).
Program Beneficiary	An eligible individual who receives services from the Department on Aging, AAA, or a provider.
Program Income	Gross income received by the grantee and all providers, such as voluntary contributions or income earned only as a result of the grant project, during the grant period (Program income is required to be put back into the program that collected the income and be used to expand or enhance those services). (as defined by NAPIS)
Protective Services	Legal assistance to older individuals aimed at preventing or correcting abuse, neglect, fraud or exploitation through the various legal tools and processes.
Provider	Either a subrecipient or contractor that has entered into an agreement with an AAA to deliver services under the Area Plan, as determined by the AAA, using criteria set by 45 CFR 74 and 75. (The Department on Aging is a grantee of the ACL; the AAA is a subgrantee of the Department on Aging; and the provider receives its funding directly from the AAA.) As defined by NAPIS, a provider is an organization or person that provides services to clients under a formal contractual arrangement with an AAA or the Department on Aging. Under Title

	III-E, in cases where direct cash payment is made to a caregiver and the
Psychological Abuse	ultimate provider is unknown, the number of providers may be omitted. Psychological abuse means deliberately subjecting a vulnerable adult to threats or harassment or other forms of intimidating behavior causing fear, humiliation, degradation, agitation, confusion, or other forms of serious emotional distress. S.C. Code Ann. § 43-35-10(10).
Public Funds	Funds received directly or indirectly from any federal, state or local
	government or instrumentality of a government.
Race/Ethnicity Status	The following reflects the requirements of the Office of Management and Budget (OMB) for obtaining information from individuals regarding race and ethnicity. It constitutes what OMB classifies as the "two-question format." When questions on race and ethnicity are administered, respondents are to be asked about ethnicity and race as two separate questions. Respondents should ideally be given the opportunity for self-identification and are to be allowed to designate all categories that apply to them. Consistent with OMB requirements, the following are the race and ethnicity categories to be used for information collection purposes:
	Ethnicity: Hispanic or Latino Not Hispanic or Latino Race: American Indian or Alaskan Native: A person having origins in any of the original peoples of North America (including Central America), and who maintains tribal affiliation or community attachment. Asian: A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example,
	Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam. Black or African-American: A person having origins in any of the black racial groups of Africa. Hispanic or Latino: A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race. Native Hawaiian or Other Pacific Islander: A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands. White: A person having origins in any of the peoples of Europe, the Middle East, or North Africa.
	" (Alone)": When appended to a racial category (e.g., "White (Alone)" means that the individual only designated one race category. (as defined by NAPIS)
Recipient	The entity to which a United States Department of Health and Human Services (USDHHS) or any other federal agencies award funds and which is accountable for the use of the funds provided. The recipient is the entire legal entity, even if only a particular component of the entity is designated in the award document. For this Manual, the Department on Aging will use Grantee instead of Recipient.
Recommended Daily Allowance (RDA)	Federal nutrition requirements that the SCCOA must adhere to in order to receive Federal funding for nutrition programs.
Registered Client	An individual who received at least one unit of the following specified services within the reported fiscal year. The services include congregate meals, nutrition counseling, assisted transportation, personal care, homemaker, chore, home-delivered meals, or case management. The count of registered clients does not include caregivers. (as defined by NAPIS)
Representative Payee	One appointed by a governmental entity to receive, on behalf of an older individual who is unable to manage funds due to a physical or mental incapacity, any funds owed to such individual by such entity.

Reservation	A designated area of land set apart for the sole use and habitation by any
These value	federally- or state-recognized Native American tribe.
Resource Development/Program	The identification and use of new and existing resources to create new
Development	programs or to expand existing programs and services for older persons. This
•	process includes those activities that result in the utilization of previously
	untapped resources.
Respite Care	Services which offer temporary, substitute supports or living arrangements for
	care recipients in order to provide a brief period of relief or rest for caregivers.
	Respite Care includes: (1) in-home respite (personal care, homemaker, and
	other in-home respite); (2) respite provided by attendance of the care
	recipient at a senior center or other nonresidential program; (3) institutional
	respite provided by placing the care recipient in an institutional setting, such as
	a nursing home, for a short period of time as a respite service to the caregiver;
	and (4) (for Grandparent or other older relative caregiver of a child) summer
	camps. If the specific service units purchased via a direct voucher can be
	tracked or estimated, report those service unit hours. If not, a unit of service in
	a direct payment is one payment. (as defined by NAPIS)
Rural	For the purpose of targeting, "rural" consists of those cities and towns with a
	population of less than 2,500 people according to the 2010 Census.
Rural Providers	A provider that delivers services to clients who live in rural areas. Rural
	providers are not necessarily providers of services only to rural clients. They
	may also be providers of services to clients in urban areas. [See definition of
	rural.]
Senior Center Permanent Improvement	A grant program, funded through South Carolina Bingo tax revenues to
Project (PIP)	renovate, expand, or build permanent senior centers.
Self-Directed Care	Self-direction (SD) is a service delivery model where services are planned,
	budgeted, and directly controlled by the person receiving services. Self-
	direction should involve the individuals receiving HCBS to the maximum extent
	possible and include family members, guardians, or other legal representatives
	as applicable. Through SD, the person can maximize independence and control
	over needed services. Self-Directed Care typically involves a fiscal intermediary
	or financial management service that performs tasks such as payroll processing
	and tax withholding. People who self-direct services may have varying levels of control over a flexible budget, which is required to be sufficient to meet the
	needs appropriately in the community, and maintain health and safety. This
	service delivery model is also referred to as self-direction, participant-
	direction, consumer-direction, and cash and counseling.
Self-Neglect	An adult's inability, due to physical or mental impairment or diminished
Jen Negreet	capacity, to perform essential self-care tasks (such as obtaining food, clothing,
	shelter, medical care, or goods and services necessary to maintain physical and
	mental health or general safety) or to manage one's own financial affairs.
Senior Medicare Patrol (SMP)	An entity that educates seniors and stakeholders on Medicare fraud.
Service Slot	The number of service units it takes to provide a service (like meals) once per
	day for a whole year. A service slot may be filled by more than one client over
	the course of a year, depending on clients' changing needs or to accommodate
	clients who do not need the service daily. For example: Client A requires meals
	five days a week, equaling one service slot. Client B requires meals three days
	per week, while Client C requires meals two days a week. Clients B and C,
	added together, equals one service slot.
Service Unit	The provision of one service to one client.
Severe Disability	A severe, chronic condition attributable to mental or physical impairment or a
	combination of mental and physical impairments that is likely to continue
	indefinitely, resulting in substantial functional limitation in three or more life
	activities as specified in the definition for "Disability."
Sole Responder Bid/Agreement	When there is only one bid (offer) for an aging service during the competitive
	bid process.

Sole Source Bid/Agreement	When there is only one bidder/contractor with the skills, ability, or resources to provide services.
South Carolina Advisory Council on Aging	The council that advises the SCDOA and Aging Network on topics related to aging. Members represent 10 regions with five at-large members.
South Carolina Aging Contact Tracker (SCACT)	A data tool used by the SCDOA and Aging Network to track clients and need.
South Carolina Association of Area Agencies on Aging (SC4A)	Professional organization for the state's AAAs.
State Community Service Employment Program (SCSEP)	A senior employment program coordinated by the SCDOA through contracts.
State Fiscal Year (SFY)	Calendar set for the State fiscal year for service delivery and expenditures. From July 1 – June 30.
State Health Insurance Assistance Program (SHIP)	An insurance counseling program coordinated by the SCDOA.
State Long Term Care Ombudsman Program	Ombudsman program coordinated by the SCDOA. An entity that investigates abuse, neglect, and exploitation at nursing homes, assisted living facilities, and state residential facilities.
State Plan	The official document that is submitted by SCDOA to ACL every four years. The Plan must be approved by ACL in order for the SCDOA to receive its Federal funding. It sets goals, strategies, and performance measures for the four-year period.
State Unit on Aging (SUA)	The state agency designated by ACL to serve as the sole entity to develop a state plan; administer the state plan, take responsibility for the planning, policy development, administration, coordination, priority setting and evaluation of all State activities related to the objectives of the OAA; to serve as an effective and visible advocate for older individuals by reviewing and commenting upon all State plans, budgets, and policies which affect older individuals and providing technical assistance to any agency, organization, association, or individual representing the needs of older individuals; and dividing the State into distinct planning and service areas.
Statutory Functions	Statutory functions of the AAA are those functions that shall be performed in a consistent manner throughout the planning and service area. These services are information and referral/assistance, outreach, advocacy, program development, coordination, and individual needs assessment.
Subrecipient	A non-federal entity that receives a subaward from a pass-through entity to carry out part of a federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other federal awards directly from a federal awarding agency.
Target Groups	Those persons 60 years of age or older and spouses, regardless of age, identified by the OAA and the Department on Aging to be: in greatest economic need; in greatest social need; considered minorities; at risk for institutionalization; older individuals with limited English proficiency; and/or who reside in rural areas. (Holocaust Survivor Population is not an official target but the OAA expects it to be served.)
Targeted Populations	Those individuals with the greatest social and economic need that the Older Americans Act mandates should receive priority for services.
Therapeutic Diet	A diet ordered by a healthcare provider as part of treatment for a disease or clinical condition, or to eliminate, decrease, or increase specific nutrients in the diet.
Total Older Americans Act (OAA) Expenditures	Outlays/payments made by the SUA and/or AAAs using OAA federal funds to provide allowable services. (as defined by NAPIS)

Total Service Expenditures	OAA expenditures plus all other funds administered by the SUA and/or AAAs on behalf of elderly individuals and caregivers for services meeting the definition of OAA services — both services which are means tested and those which are not. SUAs are encouraged to report expenditures in these service categories whether or not ACL funds were utilized for that purpose. This is not intended for financial accountability but for statistical purposes, such as computing accurate service unit costs based on total service expenditures. (as defined by NAPIS)
Transportation	Transportation from one location to another. Does not include any other activity (one way trip). (as defined by NAPIS)
Unit Cost	The amount of funding needed to provide one service unit.
Unit of Service (Legal Assistance)	One hour of legal advice, counseling, and representation by an attorney or other person acting under the supervision of an attorney. Legal assistance includes casework; it does not include time spent by the legal assistance provider on community education and training, one-time phone referral to another agency and outreach activities.
United States Department of Agriculture (USDA)	A partner agency for nutrition services. Provides health and safety guidelines and funding for Nutrition Service Incentives Program (NSIP) Meals.
United States Department of Health and Human Services (USDHHS)	Federal agency that houses the Administration for Community Living (ACL) and coordinates aging services and programming.
United States Department of Labor (USDOL)	Federal agency that funds the Senior Community Employment Program (SCSEP).
Volunteer	An uncompensated individual who provides services or support to or for older individuals. Only staff working under the AAA, not the AAA's providers, shall be included. Additional definitions may be found in Section 102 of the OAA and 45 CFR Parts 1321, 1326, and 1328 (the regulations implementing the OAA). (as defined by NAPIS)
Vulnerable Adult	Pursuant to Section 43-35-10 (11), a person 18 years of age or older who has a physical or mental condition which substantially impairs the person from adequately providing for his or her own care or protection. This includes a person who is impaired in the ability to adequately provide for the person's own care or protection because of the infirmities of aging including, but not limited to, organic brain damage, advanced age, and physical, mental, or emotional dysfunction. A resident of a facility is a vulnerable adult.
Vulnerable Adult Guardian ad Litem Program	Division within the SC DOA providing guardian ad litem services to vulnerable adults who are in the custody of the SC Department of Social Services.
Waiting List	The data tool used when there are more assessed clients requesting services than units/funds available or the individual has a low priority score. Waiting list data shall be entered into the Department on Aging's approved data system (currently the AIM system) and updated as necessary by the AAA. The waiting list shall be used to determine the next eligible individual (based on a priority score) is selected, when there is an available service opening.

 Agency's governing body, as outlined in the enabling statute. The Department on Aging is a member of the Governor's cabinet, and is supported by the Advisory Council on Aging. The Department's enabling statute at S.C. Code Ann. §43-21-10 mandates the Advisory Council that consists of one member from each of the ten planning and service areas and five members from the state at large. Members are appointed by the Governor for four-year terms and are allowed to serve two consecutive terms. The Advisory Council does not govern the S.C. Department on Aging; instead, the members support the agency and serve in an advisory capacity. Dr. Cheryl Dye is the Chairperson.

The table below shows the current Advisory Council members; these members were appointed when the Department was the Lieutenant Governor's Office on Aging.

 Qualifications and duties of the agency director and governing body, as specified in law.

Qualifications of the Director of the S.C. Department on Aging

Per Section 43-21-70, the Director of the S.C. Department on Aging is appointed by the Governor and confirmed upon advice and consent of the Senate. The Director serves as the Administrative Officer of the agency and serves at the pleasure of the Governor, subject to removal pursuant to the provisions in S.C. Code Ann. §1-3-240. While further qualifications are not prescribed by statute, the most recent search for the current Director included the following minimum and preferred qualifications:

Minimum Qualifications

- A bachelor's degree and relevant program experience to include administrative services, public or business management experience.
- Ten years of progressive leadership and management of executive staff.
- The ideal candidate must have the ability to work with internal and external partners. Implement and adhere to agency/program policies and procedures.
- Maintain strict confidentiality.
- Must possess tact and ability to communicate appropriately, both orally and in writing with co-workers, legislators and public.
- Ability to follow and give written and oral instructions.
- Ability to collect and assemble information in a clear and concise manner.
- Must be flexible and dependable.
- Ability to independently perform a variety of advanced duties while utilizing management.

Preferred Qualifications

• Master's Degree in Public Administration or related discipline area and 10 years of experience in governmental programs and relations.

Duties of the Director of the S.C. Department on Aging

Section 43-21-70 of South Carolina Code provides for an Aging Director, appointed by the Governor and states that the Director shall be the administrative officer. The Aging Director is responsible for administering the Department on Aging and its policies, coordinating and reviewing both federal and state policies affecting older adults and caregivers, undertaking broad advocacy activities, and serving as a liaison with public and private agencies and organizations to represent the interests of South Carolina's elderly population.

Qualifications of the Advisory Council on Aging

Per sections 43-21-10 and 43-21-20 of the South Carolina Code of Laws, the members of the Advisory Council must be citizens of the state who have an interest in and a knowledge of the problems of an aging population. The agency Director is responsible for providing statewide notice that nominations for the Advisory Council may be submitted to the Director for consideration; from those nominations, the Governor appoints the members of the council. Historically, the Governor has not appointed the council members while the agency was under the auspices of the Lieutenant Governor's office, despite the process prescribed in statute. Instead, the AAA Directors put forward nominees who worked closely with the AAAs or who were very engaged in their communities and the Lieutenant Governor made the final decision on appointments. Now that the department is a cabinet-level agency, nominations for future vacancies will proceed as outlined in the statute with the Director soliciting nominations from

the AAAs and others in the Aging Network, and the Governor making the appointments.

To ensure that the Advisory Council represents the public at large, appointees should be diverse in age, have members that are both able and disabled, and who are active leaders in organizations and institutions that represent different concerns of older citizens and their families. The Advisory Council chair must be elected by the members of the advisory council from among its members for a term of two years and until a successor is elected. Meetings occur at least once each quarter and special meetings may be called at the agency Director's discretion.

Duties of the Advisory Council on Aging

Per section 43-21-10 of the South Carolina Code of Laws, the Council is mandated to: act in an advisory capacity to the Division on Aging regarding problems and issues affecting older South Carolinians and their families, thereby assisting the State in planning for an aging population; to assist the Division in providing public education and information about programs and services for this population and in promoting individual and family responsibility for retirement; and to assist in facilitating public/private partnerships to expand resources to meet the needs of older persons. The Council meets at least once per quarter, with special meetings permitted when called by the Chairperson. In addition, each member is expected to establish a relationship with their Area Agency on Aging and attend quarterly Regional Aging Advisory Council meetings. Council members make brief reports of their aging activities as part of the quarterly South Carolina Advisory Council on Aging meetings during the Member Roundtable. Upon recent amendment to the bylaws, council members also have a duty to visit at least four senior centers and/or group dining sites quarterly and to participate in ongoing aging related activities and events for informational purposes.

(B) Has the agency ever conducted an employee engagement, climate, or similar survey? If yes, when was the last one and who conducted it?

No. Neither the S.C. Department on Aging nor its predecessor, the Lieutenant Governor's Office on Aging, have conducted employee surveys.

(C) Does the agency conduct employee engagement, climate, or similar surveys on a regular basis? If yes, what is the frequency?

No. The SC Department on Aging (SCDOA) does not currently conduct employee surveys. This is a topic currently under discussion by the new Director and Divisional Managers and we anticipate implementing an engagement/climate study during the ongoing transition period, with input from this Committee upon conclusion of the study. In the meantime, the SCDOA does hold monthly staff meetings where employees have a forum to discuss ideas, agency programs, and concerns. In addition, divisional managers and supervisors are available to meet with their employees and anyone on staff can make an appointment to speak with the director.

7. Role and responsibilities of the agency compared to its counterpart

Federal counterparts

United States Department of Health and Human Services Administration for Community Living (ACL)

ACL is the federal agency responsible for the administration, coordination, and funding of

entities, if any, at the federal and local levels.

aging services at the direction of the Assistant Secretary for Aging under the federal Older Americans Act. ACL has direct oversight of the South Carolina Department on Aging. Section 305 of the federal Older Americans Act provides for the organizational structure of the Department on Aging.

United States Department of Labor (USDOL)

The USDOL funds and has oversight of the Senior Employment State Community Service Employment Program (SCSEP) at the Department on Aging.

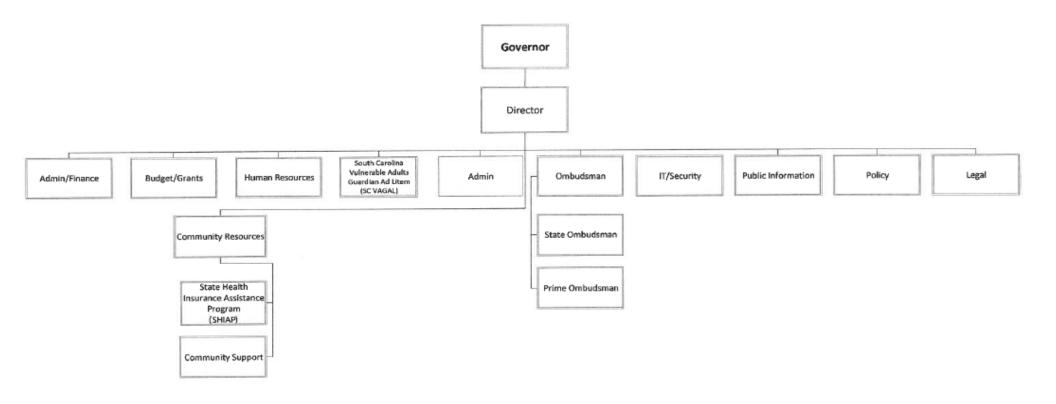

Local Counterparts

10 Area Agencies on Aging (AAAs)

The 10 Area Agencies on Aging are subrecipients under the South Carolina Department on Aging. The federal Older Americans Act mandates that the AAAs procure for service contractors to deliver local services. In addition, the AAAs are responsible for planning and coordinating services in the regions. As a federal pass through entity, the SCDOA allocates funds to the AAAs through a federally approved funding formula. In addition, the SCDOA sets policies and protocols for the AAAs that are not specifically mandated by the Older Americans Act or state law.

8. Organizational Chart.

The following is current as of February 17, 2020.

D. Successes and Issues

9. 3-4 agency successes.

Briefly describe 3-4 agency successes.

Respite and Alzheimer's Grants

In 2019, the Department on Aging received two grants that will aid the respite, caregiver, and Alzheimer's programs.

The Department on Aging received a supplemental grant award (added to the Lifespan Respite Grant) from the federal Administration for Community Living to develop "break rooms" in four South Carolina churches. These rooms are used for family caregivers to be able to leave loved ones in a safe environment.

The Department was awarded an Alzheimer's Disease Program Initiative (ADPI) Grant by the Federal Administration for Community Living that will focus on the rural African American population of South Carolina. The following counties will be phased in over a three-year period: Abbeville, Edgefield, Greenwood, Laurens, McCormick, Saluda, Beaufort, Colleton, Hampton, Jasper, Chesterfield, Darlington, Dillon, Florence, Marion, and Marlboro.

Vulnerable Adult Guardian ad Litem Program

The South Carolina Vulnerable Adult Guardian ad Litem Program (VAGAL-SC) was created in the Office on Aging in 2014. The program initially began as a pilot project at the University of South Carolina, Arnold School of Public Health. Since its inception, VAGAL-SC has provided guardians ad litem for vulnerable adults in over 3,100 cases brought before South Carolina's family courts.

10. 3-4 agency challenges. Briefly describe 3-4 agency challenges and preparations, if any, to address these issues.

Transition to new department

The department continues to transition with the confirmation of a new director in January 2020. As the department transitions, it must plan accordingly to meet the future needs of a growing aging population.

A growing aging population

The senior population in South Carolina continues to increase significantly and will double by 2030. The department continues to plan for the growth by not only addressing the needs and available resources, but by also collaborating with other governmental and non-governmental entities to meet the future needs. With nearly a million seniors over the age of 60, the department and Aging Network are limited by funds and resources to provide direct services. The department only serves about three percent of that population with direct aging services. (Please note, the department services considerable more clients with its informational services such as State Health Insurance Program (SHIP), Medicare Improvement for Patients and Providers Act (MIPPA), Outreach, Prime, Information and Referral Assistance, and serves more through the Ombudsman Program and the Vulnerable Adult Guardian ad Litem Program.)

Funding for Aging Services

The department will continue to seek additional funding and grant opportunities as needed to meet the growing need for aging services. The senior population is expected to double by the year 2030. In addition, the department believes greater flexibility for State Home and Community-Based Services would aid in targeting funds to regions where more funds are needed.

11. 3-4 emerging issues. Briefly describe 3-4 emerging issues anticipated to have an impact on agency operations in the

Senior Population

The senior population will double by 2030 and approximately 11.5% of that population lives in poverty. The expected population growth will have a significant impact on the Department on Aging and the 10 Area Agencies on Aging (AAA). The department and

upcoming five years and preparations, if any, to address these issues.

AAAs will need to continue to collaborate to ensure the required targeted populations are served.

Alzheimer's disease or dementia

At least 10% of South Carolina's population has Alzheimer's or a related disorder. The department will need to continue working with groups like the Alzheimer's Association to address this growing need. Currently, the Alzheimer's Association is advocating for a new Dementia Coordinator at the Department on Aging. In addition, there are nearly one million family caregivers in South Carolina.

Senior Hunger

One in 11 of South Carolina Seniors are at risk for hunger and South Carolina ranks third in the nation for food insecurities (food insecurities is a term used by AARP to designate people that often go hungry because they cannot afford food.) The department has recently hired a Nutrition Coordinator, who is a Registered Dietician. The new Nutrition Coordinator is responsible for coordinating a statewide meal program for Congregate and Home-Delivered Meals provided by the AAAs and their contracted service providers. By law, all meals funded by the department must meet the Daily Recommended Intake (DRI) requirements of the federal government and because of funding; the department is only able to fund one meal per day for five days a week. The coordinator will work with the AAAs to ensure the nutrition program meets the requirements of the federal Older Americans Act under Title III-C. In addition, it will be critical for the coordinator to work outside the Aging Network to collaborate with food pantries and other organizations that can assist in providing food to seniors.

A. Records and Policies Management

12. (A) Agency's records management policy and the	See attached policy.
position or division responsible for managing this policy.	Note: It is the agency's understanding that when the Department on Aging became a cabinet-level agency in the Executive Branch on January 1, 2019, the Director was the de facto records officer responsible for managing agency retention schedules and ensuring compliance. The previous Interim Director did not leave any records as to his efforts regarding records management. The current Director has designated the agency's staff attorney as the records manager for the agency as of February 2020, and that position will be responsible for all aspects of records management.
	The Vulnerable Adult Guardian ad Litem Program has a records retention policy with the SC Department of Archives.
(B) Agency's status in regards to compliance with the records management policy and explanation for noncompliance, if the agency is non-compliant.	To the best of its knowledge, information and belief, the agency is compliant with the current records management policy. Upon reaching out to the Department of Archives, the agency discovered that many of the records policies are outdated (e.g., many date back to when the office was within the Department of Health and Human Services), and previous directors have not kept records concerning their efforts to ensure compliance with the records management policy for the agency as a whole and its component divisions. As a result, the agency is examining compliance within each division to ensure that the agency is adhering to the requirements of S.C. Code Ann. §§ 30-1-10 through 30-1-140.
13. Agency's schedule for regularly reviewing and updating, as necessary, all agency policies and explanation for lack of a schedule, if the agency does not have a schedule.	Absent a change to state or federal law that requires an immediate policy update, the South Carolina Department on Aging (SCDOA) reviews Human Resource policies (overtime, Employee Performance Management System (EPMS), discipline, grievance, reduction in force) every two years. In addition to these five policies, the SCDOA Director and Human Resources Manager also review all other internal policies during the review period. The SCDOA Finance Division reviews the agency's financial policies on a yearly basis, usually at the start of the state fiscal year. In addition, the SCDOA Policy Director regularly reviews program and service policies and procedures starting in January each year. The Community Resources Division assists the Policy Director on program revisions and updates, as required. All divisional and program managers are involved in the review process. A revised service and program policy manual is released annually by July 1 to the 10 Area Agencies on Aging and their contracted service providers.
(A) Agency's status in regards to compliance with S.C. Code Ann. §1-23-120(J) that requires agencies to conduct a formal review of its regulations every five years.	The S.C. Department on Aging is not a regulatory agency and, therefore, does not issue regulations. There are currently no statutes in place mandating that the Department promulgate regulations. If the agency were to ever issue regulations, it would conduct a review of its regulations every five years in compliance with S.C. Code Ann. §1-23-120(J).
(B) Last time the agency conducted a formal review of its regulations.	As noted above, because the S.C. Department on Aging is not a regulatory agency, it does not issue regulations. Therefore, no such review has been conducted to date.
(C) Last time the agency submitted new or revised regulations to the General Assembly.	As the S.C. Department on Aging is not a regulatory agency, the agency has never submitted new or revised regulations to the General Assembly.

14.	How the agency collaborates with other agencies to seek funding (e.g. grant and federal funding).	The Director and staff of SCDOA receive regular notices from federal agencies regarding grant and other funding opportunities. In addition, the department works with state agencies such as the Department of Health and Human Services and the Department of Mental Health on funding opportunities.
15.	Does the agency receive data from other state agencies, which require manual entry? If so, identify the state agencies and the associated	The SCDOA receives nursing and assisted living facility licensing, address, contact, and bed count information from DHEC monthly as a digital file. 	data received.	The Vulnerable Adult Guardian ad Litem Program (VAGAL) receives requests for Guardians ad Litem from the SC Department of Social Services. Requests include the name of the adult, the county, hearing dates, and related court documents. Information is manually entered into the VAGAL-SC database.

 (A) Agency's internal audit process and/or other risk mitigation practices. As a small agency, SC Department on Aging (SCDOA) has limited resources, and does not currently have internal audit staff. In Finance, there is a defined workflow to ensure not only a separation of duties, but also a multi-layered review process to ensure items are recorded properly. Asset inventory is taken annually and all computer equipment is tagged and tracked by the agency.

As a pass-through entity for federal funds, SCDOA is subject to federal code 2 CFR §200.331 and 45 CFR §75.352 requirements for pass-through entities. These regulations require SCDOA to monitor the activities of the subrecipient and to review the financial and performance reports as well as performing an on-site review of the subrecipients' program operations. In addition, 2 CFR §200.521 and 45 CFR §75.521 management decision requires that SCDOA review and issue a management decision within six months of acceptance of the audit report by the Federal Audit Clearinghouse (FAC) from the subrecipient.

In addition, the department has internal reviews for Payment Request Forms (PRFs) monthly to verify service units used at the Area Agencies on Aging (AAA) level to ensure financial integrity of the reimbursements paid to the AAAs.

- Policies and practices are in place to provide least privileged access to data, filtered network access, anti-virus and anti-malware on desktops, laptops, and servers, on-site and off-site backups. All staff take yearly training on security practices. Share all security logs with the State Security Operations Center.
- Physical isolation of Ombudsman files. Separation of functions. A code of conduct specific to the Ombudsmen is signed by each Ombudsman. Frequent training of Ombudsmen.
- Physical isolation of HR files and office. Staff, interns, and volunteers sign confidentiality statements.
- Physical isolation of VAGAL files and offices. A volunteer agreement is signed by all volunteers. Frequent training of staff. Ongoing support and supervision is provided to volunteers.
- Community Resources staff review Notification of Grant Awards (NGAs), Payment Request Forms (PRFs), Area Plans, and State Plan related to each program. Provide technical assistance and training to the field. Staff attend professional trainings.

(B) List of areas reviewed in agency internal audits during the last five years. As a small agency, SCDOA has limited resources, and does not currently have internal audit staff. The agency is looking the feasibility of adding this position.

17. Issues or recommendations from external reviews or audits conducted of the agency during the last five years, which the agency has not yet fully addressed or implemented. Fiscal is done, program may have additional items.

Describe the unique structure of the department with the AAAs and providers as mandated by the Older Americans Act.

The South Carolina Department on Aging (SCDOA) is the federally designated State Unit on Aging (SUA) in South Carolina and is required by the Older Americans Act (OAA) of 1965 (Amended) and the Administration for Community Living (ACL) to submit a State Plan every four years. To fulfill the mission of the SCDOA, this plan sets priorities to ensure comprehensive and coordinated strategies addressing the needs of a growing older population in South Carolina. Section 305 of the Older Americans Act mandates the structure and primary requirements for the Department on Aging to receive federal funding.

As the State Unit on Aging, the department functions as a pass-through agency to allocate federal funding to the Area Agencies on Aging (AAAs) that contract to deliver aging services.

In order to fulfill its mission and goals, the South Carolina Department on Aging (SCDOA) collaborates with numerous partners and Aging Network stakeholders to assist seniors, at-risk adults, persons with disabilities, their families and caregivers to achieve safe, healthy, independent and self-reliant lives. The SCDOA is committed to continually improving its person-centered, statewide comprehensive and coordinated system of programs and services. These programs and services are available to all eligible persons. The services and programs provide access to long-term supports and critical services that give seniors the tools necessary to age in place in their homes safely and independently.

The SCDOA, as the SUA, is responsible for administering federal funds, as well as state appropriated aging funds. The SCDOA allocates OAA funds (through a federally approved Intrastate Funding Formula) to the AAAs. The AAAs use this funding for regional planning, resource coordination, client needs assessments, and oversight of a coordinated service delivery system. In addition to the OAA requirements, the SCDOA must adhere to the South Carolina Code of Laws.

The SCDOA assures that preference will be given to the provision of services to older individuals with the greatest economic need and older individuals with greatest social need, with particular attention to low-income minority individuals, individuals at risk for institutional placement, older individuals living alone, and older individuals living in rural areas.

The Older Americans Act (OAA) mandates that the Department on Aging designates Area Agencies on Aging to coordinate the delivery of aging services regionally.

In South Carolina, the SCDOA has designated 10 Planning and Service Areas (PSAs). These PSAs are officially known as Area Agencies on Aging (AAAs). Seven of the AAAs are housed in Councils of Government (COGs), two are freestanding, private non-profit organizations, and one is housed in a healthcare entity.

The AAAs are responsible for:

- Developing their Area Plans on Aging and area plan administration, and resource development;
- Regional and local Planning, program development and coordination, advocacy, and monitoring;
- Assuring that availability and delivery of aging services through contractual agreements with service providers, and for monitoring their performance;
- Establishing and coordinating an advisory council that provides input on development, and implementation of the area plans, assists in conducting public hearings, reviews and comments on all community policies, programs and actions affecting seniors in

the regions; and

 Working with local business and community leaders, the private sector, local elected officials, and aging network partners to develop a comprehensive coordinated service delivery system.

The AAAs procure with local providers to deliver aging services. Each AAA has service providers that deliver aging services in the 46 counties.

In South Carolina, the SCDOA has designated 10 Planning and Service Areas (PSAs). These PSAs are officially known as Area Agencies on Aging (AAAs). Seven of the AAAs are housed in Councils of Government (COGs), two are freestanding, private non-profit organizations, and one is housed in a healthcare entity.

In addition to the AAAs, the SCDOA proactively collaborates with organizations that support aging causes and services. Here is a sampling of some of the major partnerships.

(B) Best ways for the Committee to compare the specific results the agency obtained with the resources the agency invested The SCDOA is the State Unit on Aging in South Carolina and is primarily a pass through entity that funds 10 Area Agencies on Aging (AAAs). The AAAs contract with local service provider to deliver aging services in the counties. Results of the department's funding is reflected by the number of seniors and vulnerable adults served throughout the state by the AAAs and providers.

(C) Changes to the
report questions,
format, etc., agency
representatives would
recommend.

The SCDOA leadership sought to define deliverables that reflected the scope of services and work provided by the department. Because the department administers federal and state funds that are allocated to AAAs, accurately determining deliverables was sometimes difficult.

(D) Benefits agency representatives see in the public having access to the information in this report.

The SCDOA is a new agency and the current leadership is working to market the department throughout the state. In addition, many policymakers do not know the unique structure of the agency as mandated by the Federal Older Americans Act. It is anticipated that this report will help the SCDOA tell its story and describe how seniors and vulnerable adults benefit from its services and programs.

Another benefit is greater accountability and transparency, as well as a better awareness of the structure of the department and statewide aging network, and the good work provided through services and programs.

(E) Two to three
things agency
representatives could
do differently next
time (or it could
advise other agencies
to do) to complete
the report in less time
and at a lower cost to
the agency.

- 1. Assign project management responsibilities (One staff member assigned to coordinate the project) and have at least two weekly meetings of the key staff to monitor project progress and to discuss unexpected topics or questions.
- 2. As a new agency (2019), it has been time consuming to track specific items such as time going back through multiple agencies and administrations. As a result, of this project, the SCDOA is initiating measures that will make the process easier in the future.

(F) Other comments or suggestions from the agency.

Thank you for giving the SC Department on Aging an opportunity to tell our story. As a new agency, the SCDOA looks forward to presenting to the House Oversight Committee and detail the good work provided by the SCDOA and its statewide aging network of AAAs and their contracted service providers.

Agency Comments (Optional)		The data in FY2016-17 changes are attributed to the administrative changes that resulted from former-Governor Nikki Haley's resignation to become the Ambassador to the United Nations for the United States. Upon her resignation, former Lieutenant Governor Henry McMaster succeeded to the office of Governor. That transition caused some staff turnover and shifting as Kevin Bryant transitioned out of the S.C. Senate to the position of Lieutenant Governor. In FY 2017-18, a number of employees left the Lieutenant Governor's office as a result of retirement, and others left to seek other employment opportunities. Lastly, as a result of a change to the S.C. Constitution, the Governor and Lieutenant Governor were to run on the same ballot; after an unsuccessful bid for Governor, former Lieutenant Governor Kevin Bryant and his staff transitioned out of that constitutional office in January 2019, resulting in a total staff turnover. In that same month, the agency transitioned from the Lieutenant Governor's Office on Aging to a cabinet agency in the executive

Deliverable description		The Silver Haired Legislature (SHL) is funded by the South Carolina Department on Aging (SCDOA) through a line item in the Department's budget. The Department performs no day-to-day coordination of the SHL and is strictly a pass through entity finding purposes, and does not control or oversee how the SHL utilizes those funds. When invited, representatives from the Department on Aging attend meetings of the SHL. The Silver Haired Legislature (SHL) is tasked with studying aging topics and ssues. This model legislature shall: (1) identify issues, concerns, and possible solutions for problems facing the aging population in South Carolina(2) make recommendations to the Governor and members of the General Assembly and to the Joint Legislative Committee on Aging; (3) arrange educational forums to explore issues related to older South Carolinians; (4) promote good government for all South Carolinians. The SHL provides legislative recommendations to the General Assembly.

	The agency has not, to date, charged fees to those parties requesting information under the S.C. Freedom of information Act. This is primarily for the following reasons: 1) prior to FY 2017-2018, the agency did not receive any Freedom of Information Act. requests; 2) certain FOIAs were submitted by staff members and requested information that they already had access to as an agency employee (e.g., the information sought was contained in a policy manual); 3) most of the requests have sought information that is readily accessible and therefore it has not taken a long time to locate and produce the documents; and 4) the agency's published fee schedule permits the Director to waive costs at their discretion, and the two previous directors for the years in which information has been sought using FOIA have exercised their ability to waive the associated fees.

purpose? Purpose of the service/why it is provided (as written in statute/enabling act OR, if not in law, as understood by agency, subject to clarification from the legislature)?	The duties and responsibilities of a guardian ad litem include, but are not limited to: (1) representing the best interests of the vulnerable adult by advocating for the welfare and rights of a vulnerable adult involved in an abuse, neglect, or exploitation proceeding; (2) conducting an independent, balanced, and impartial assessment of the facts and the needs of the vulnerable adult relevant to his or her situation; (3) maintaining accurate, written case records, including case notes, which are a guardian ad litem's work product and not subject to subpoens; (4) providing the family court, and all parties, with written reports including, but not limited to, a comprehensive final report regarding the best interests of the vulnerable adult. The final report must be consistent with the rules of evidence and the rules of the court, and must include, but is not limited to, evaluation and assessment of the issues brought here before the court, the wishes of the vulnerable adult, and promote the best interests of the vulnerable adult until formally relieved of the responsibility by the family court. The guardina ad litem is authorized through course to introduce, examine, and cross-examine witnesses in any proceeding involving the vulnerable adult, participate in the proceeders of any degree necessary to represent the vulnerable adult adequately, participate on a multidisciplinary evaluation team concerning the vulnerable adult, and make motions necessary to enforce the orders of the court, seek judicial review, or petition the court for relief on behalf of the vulnerable adult. Information on the number of hearings was not collected prior to this point. The number of hearings in fiscal year 2020 is down because the program received fewer requests for guardians ad litem during the COVID-19 pandemic.

Purpose of the service/why it is provided (as written in statute/enabling act OR, if not in law, as understood by agency, subject to clarification from the legislature)?	Through the provision of supportive services mandated by the Older Americans Act, seniors are able to maintain adequate income, optimize their mental and physical health without regard to their economic status, maintain independent housing, avoid age discrimination in the workplace, retire with honor and dignity after years of service to their communities, participate and contribute meaningfully in civic life, access client community services, and be free to exercise initiative in their own lives. 42 U.S.C. § 3001. To achieve the objectives laid out by Congress, the Department on Aging provides funds to the sub-recipients (AAAs) for support services for the population aged 60 and over to provide a network of community resources so seniors may live independently in their homes and communities.

Agency Comments Additional comments from agency (optional)	Title III-B Supportive Services provides sub-grantee funds to the ten Area Agencies on Aging regions in SC to carry out a program for supportive services to seniors aged 60 and older in the state. Mandated by the federal Older Americans Act, Area Agencies on Aging (AAAs) are organizations designated by the State Unit on Aging to provide planning and administrative oversight for a multi-county planning and service area. The Area Agencies on Aging assess and prioritize the needs of older adults within their planning and service areas and allocate federal and state funding to provide services that meet those needs. South Carolina has 10 Area Agencies on Aging are private non-profit organizations: two are freestanding (Region III Catawba and Region IX Trident), and one is part of a community health organization (Region III) Variage Point). Each Area Agency on Aging contracts with providers of aging services. Service providers receive federal, local (city and county), and state funding through performance-based contracts, i.e., the provider agrees to provide a specified amount of a specific service at an agreed-upon unit rate. Supportive services include: Information and Referral assistance, GetCaresC, Assessment Home Repair, Homemaker, Transportation, some Adult Day Care, Senior Day, and Outreach. GetCaresC is a website where anyone can visit to search a database of programs and services available to older adults, caregivers, and those who serve them in South Carolina. Senior Day is the event hosted by the Department on Aging to celebrate Older Americans Month. In F120, as part of COVID-19 response, the aging network added, expanded, and amendes exvices to meet unique needs and requests during unprecedented times. Some added services included Care Calls to combat social isolation and to do wellnes checks; Groceries and Supplies were able to be purchased and/or delivered to a seniors home if there was usse with access to basic needs; PPE was able to be purchased and/or delivered to a seniors home if there was usse w

A	gency Comments Additional comments from agency (optional)		The Eldercare Trust Fund of South Carolina is administered by the South Carolina Department on Aging; monies for the Trust are received through voluntary contributions established in S.C. Code Ann. § 12-7-2419 (SC Department on Revenue Check the Box Program), as well as other contributions, gifts, or bequests. Those monies received are must on deposit with the S.C. State Treasurer in an interest-bearing account. These funds are used to award grants to public and private nonprofit agencies and organizations to establish and administer innovative programs and services that assist older persons to remain in their homes and communities with maximum independence and dignity. The Trust is supplemental in nature to other programs and services provided by or through state agencies, and does not take the place of other programs and services. For S.C. Code Ann. § 43-21-180, monies deposited in the Trust Fund and all earnings from the investment of these funds, after allowances for operating expenses, are available for disbursement upon authorization of the department. However, if there is a year in which more than two hundred thousand dollars is deposited in the trust fund, twenty-five percent of the amount over two hundred thousand dollars and earnings from the investment of these funds must be placed in a separate account. When the assets of this separate account exceed five million dollars, no further deposits are required to be made to the separate account and all future earnings from the investment of the monies in this separate account account also are available for distribution upon authorization of the department. The Department on Aging administers the Eldercare Trust Fund by: assessing the needs of the frail elderly to establish priorities for meeting the needs; receiving gifts, bequests, devises and voluntary contributions through the Check the Box Program for deposit into the fund, soliciting proposals for programs indefined meet the service needs; providing technical assistance to those submitting proposals

Agency Comments	71	T
Additional comments from agency (optional)	This is an advisory council that meets quarterly. It is a member-driven council and the Department on Aging only helps to coordinate the meetings. Members set the meeting agendas.	The Palliative Care and Quality of Life Study Committee was established to meet for one year and to make a report to the General Assembly and Governor. The Department on Aging was tasked by the legislation to coordinate the meetings and to fulfill staffing duties.

Agency Comments		
Additional comments from agency (optional)		As stated in previous accountability reports, targets are based on actual need and funding available. The South Carolina Department on Aging allocates funds, the Area Agencies on Aging (AAAs) and providers delive the services. The AAAs set targets in their area plans. Nutrition services include congregate and home delivered meals. Unit costs are set by the Area Agencies on Aging through regional competitive bid processes. For FY20, the number of people served will be an undercount as demographic data was not being captured for many meals and services during COVID, so unique clients cannot be determined, the known clien count is what is used.

Additional comments from agency (optional)	The South Carolina Department on Aging allocates funds to breakrooms who deliver the services.
	The program was a pilot program that continues to grow based on the community partnerships
	and the need for caregivers and the seniors with dementia and other memory loss disorders. There
	are currently 7 active breakrooms which include: 1. St Luke Presbyterian Church, Orangeburg (in
	operation)
	2. St Paul United Methodist, Kingstree (in operation). A 7th breakroom was approved, but COVID
	has delayed its official operations.
	3. Turner Memorial AMEC, (in operation)
	4. Mt Nebo AMEC, Awendaw (in operation)
	5. Glorious Apostolic Pentecostal, Timmonsville (under construction)
	6. Hebron Zion Presbyterian, Johns Island (under construction)
	7. Brown Chapel AME, in partnership with Bible Way, Arthurtown section of Columbia (under
	construction).
