Department on Aging

As president of the SC Association of Area Agencies on Aging and as the AAA director in the Appalachian region, I would like to complement the SCDOA team and Director Munn. Navigating through this difficult time would be more difficult without the excellent leadership that the State office is providing. Our State office has vastly improved over the last few months! We actually have State staff that is QUALIFIED for their positions, such as Director Connie Munn, Anita Atwood over programming staff, Jennifer Brewton over the Family Caregiver Program, and the newly hired Rowan Goodrich over the Nutrition Program. We are heading in a positive direction!
