Minority Affairs Commission

**The lives that the Comm. of Minority Affairs, Committee of Hispanic/Latino has touched so many lives! They have presented themselves in a very professional means, extending the rights, laws, and assistance to the disadvantaged or uneducated. This branch of the Minority Affairs has always amazed me with the abilities of the committees leader. She has thought through difficult situations and always has the most effective and intelligent answers. All the committees have wonderful leaders, with a fantastic Commissioner over all of them. South Carolina would have a great loss if the Commission of Minority Affairs did not exist. All of these councils/commissions have a very important impact on South Carolina, but only the Commission of Minority Affairs reaches over the boundaries of race, language, demographics and income.**
