Dear Director Adams:

The Economic Development, Transportation, and Natural Resources Subcommittee of the Legislative Oversight Committee is currently studying the S.C. Commission for Minority Affairs. In an effort to address some of the issues that have been identified during the study, the Subcommittee is considering making a recommendation that would impact the Department of Administration. Accordingly, the Subcommittee seeks the department's feedback on the following recommendation:

> That the General Assembly amend statute so that the Commission for Minority Affairs is administered by the Department of Administration's Office of Executive Policy and Programs.

If possible, please respond prior to the Subcommittee's next meeting on Wednesday, April 11. Thank you for your service to the citizens of South Carolina and for your cooperation with the legislative oversight process.

Sincerely,

Bruce W. Bannister
Subcommittee Chair
