AGENCY HISTORY

HISTORY

- **1941-** Governor Burnet Rhett Maybank signed into law Act 562 (amended by Act 563) **creating the South Carolina Probation and Parole Board** (which encompassed all agency administrative functions and employed 8 Probation Officers); Jake C. Todd was appointed Director and reported to the Board.

***Clemency-** the act of reducing a penalty for a particular criminal offense without clearing the person's criminal history

INTERNAL AUDIT & RISK MITIGATION

INTERNAL AUDIT PROCESS

The **Office of Professional Responsibility (OPR)** was established in 2017.

OPR is comprised of:

Office of Internal Audit (OIA)

Office of Privacy and Risk Management (OPRM)

Quality Assurance (QA)

These sections collaborate to identify, analyze, monitor and evaluate risks to which SCDPPPS is exposed and develop ways to improve processes.

OPR Staff pictured left to right: Stephanie Mungo, Lisa Hawkins, Katrina Suber, Allison Avinger, Dantavia Gamble, Taylor Bankhead, Jovonya Key and Ashley Martin. (**Not Pictured:** Jeff Harmon, Rebecca Raybon and Melvin Warren)

INTERNAL AUDIT PROCESS (CONTINUED)

- The Director tasks OPR to work jointly on process improvement projects.
- Prior to beginning an audit (approved by the Director), the Office of Internal Audit communicates information obtained to the team and an official audit file is created.
- If a security or process concern is identified, OPR implements the most appropriate plan of action.
- Privacy and Risk Management and the Office of Internal Audit gather data from the Offender Management System and the Research and Evaluation section.
 - *Data gathered includes: financials, supervision status, overdue case closures, risk assessments, home visits and active/pending warrants and citations.*
- Privacy and Risk Management conducts periodic visits using an internal checklist and interviews staff regarding concerns, recommended process improvements and complaints.
- If it is found that standard operating procedures are not being followed, this is addressed per policy and procedure and a plan of action is devised.

OFFICE OF PRIVACY AND RISK MANAGEMENT

- The Office of Privacy and Risk Management (OPRM) **assists the Budget Office in conducting an annual financial audit** of travel reimbursements throughout the agency. If there are any discrepancies, a risk mitigation plan will be developed to identify the gap.
- Assists the Finance Division in conducting **daily agency-wide audits of career development forms** in connection with reimbursement forms to mitigate any financial risks of overpayment.
- Audits data located within the Department using a **data classification template**. This template helps the Information Technology section recognize the best course for protecting the Department's data.
- Conducts a Privacy Analysis to locate gaps within processes and develop risk mitigation plans using the data classification template.

OFFICE OF PRIVACY AND RISK MANAGEMENT (CONTINUED)

- Conducts **random office visits** to discuss areas of improvement and ensure compliance with the Department's policies and procedures.
- Conducts **cases of interest reviews** at the discretion of the Director and/or Chief Deputy Director.

2013 LAC RECOMMENDATIONS ADDRESSED

- ✓ The Legislative Audit Council completed a Limited Scope Review of SCDPPPS in June 2013.
- ✓ All of the issues noted in the 2013 LAC audit occurred during prior SCDPPPS administrations.
- ✓ The current administration commenced in January 2015.
- ✓ All LAC recommended changes have been implemented.

LAC: The South Carolina Department of Probation, Parole and Pardon Services should use the \$2 million in state appropriations from FY 11-12 to hire new, additional agents to assist in fulfilling its mission, as legislatively intended.

- SCDPPPS: *The 44 FTEs, along with the \$2.6 million that SCDPPPS received in FY 16, have all been identified and have since been filled. Identifiable position numbers were assigned to these FTEs to ensure that funding was spent specifically for the FTE positions requested at that time.*

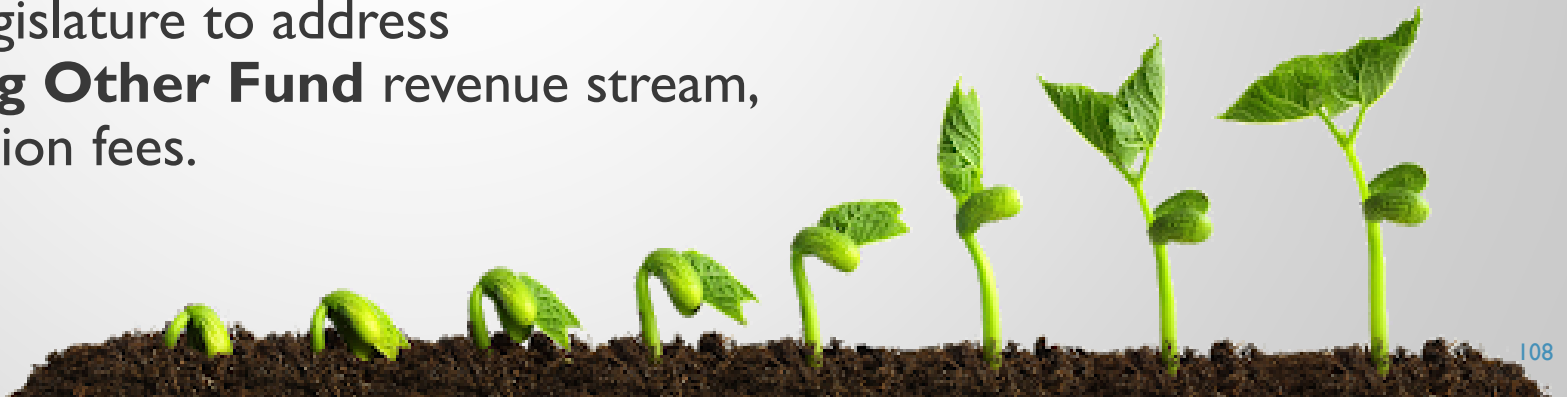

LAC: The South Carolina Department of Probation, Parole and Pardon Services should ensure that its employees are on the most cost-effective device plan to avoid unnecessary usage charges.

- SCDPPPS: *The usage and pricing are reviewed monthly to determine if the current plan is meeting the needs and mission of the agency.*

AGENCY ACCOMPLISHMENTS & EMERGING ISSUES

CASELOAD REDUCTION THROUGH OFFENDER SUPERVISION SPECIALISTS (OSS)

- By creating the Offender Supervision Specialists (OSS) position in 2016, SCDPPPS has successfully **reduced Agent caseloads by an average of 53%** in the “Big Four” counties of Charleston, Greenville, Richland and Spartanburg.
- The average OSS caseload size is **148 cases** *(as of 6/30/20)*.
- The number of OSS has increased from 20 to 63 from FY 2016 to 2020.

The Offender Supervision Specialist Bill (H.3742) was signed into law on May 19, 2017, codifying the practices of this successful program. ...

AGENT TO VEHICLE RATIO

**Through Legislative support of the Agency Fleet Replacement Plan
SCDPPPS has achieved its goal of reducing the vehicle to Agent ratio to 1:1**
(2015-2020 Strategic Plan Objective 1.3.3)

This expanded fleet is utilized for:

- daily operations
- community contacts
- non-custody transports
- in- and out-of-state extraditions
 - warrant teams
 - court appearances
 - alerts
 - special assignments
 - emergency deployments
- response to global positioning system (GPS) alerts

DOMESTIC VIOLENCE SPECIALIZED CASELOADS

- Since the program's establishment in October 2017, the **number of offenders has increased 6.7%** from 985 to 1,051 active offenders.
- The program began with 20 Domestic Violence Agents and now has **27 Agents** who serve 12 counties.
- Experienced Agents were promoted, trained and certified to supervise this unique population. *(2015-2020 Strategic Plan Objective 1.1.6).*
- **75%** of offenders in this program **successfully complete** their probation term without revocation.
- The average caseload for these Agents is **39 offenders**, enabling Agents to focus solely on supervising this high-risk group.

ADDITIONAL SPECIALIZED CASELOADS

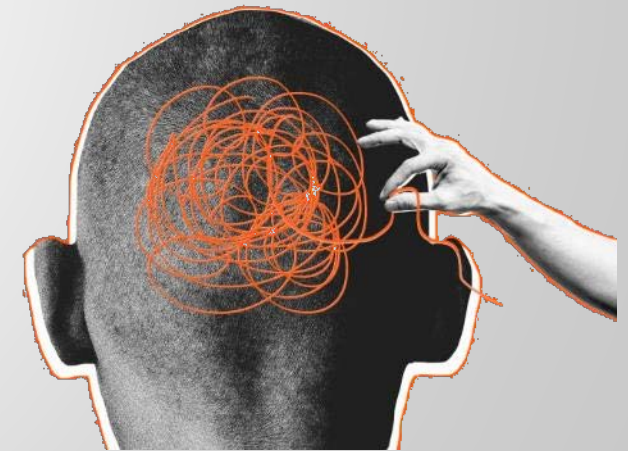

- Specialized caseload management enables SCDPPPS to address the needs and demands of high-risk offenders through intensified supervision and intervention.
- Sex offender specialized caseloads were implemented agency-wide in 2005.
- SCDPPPS seeks to expand its number of specialized caseloads (Sex offender, domestic violence, mental health, etc.)
- Agents receive comprehensive training tailored to address the needs of these unique populations. *(2015-2020 Strategic Plan Objective 4.4.3).*

EXPANSION OF MENTAL HEALTH AND REHABILITATIVE SERVICES

- **SCDPPPS improved offender access** by embedding Rehabilitative Services programming (i.e., batterer's intervention and substance use education) directly in multiple county offices.
- Increased its focus on offender behavioral health needs by **partnering with SCDC to share information regarding discharge plans** for mentally ill inmates.
- Embedded a SC Department of **Mental Health liaison** in a SCDPPPS' county office to help bridge the gap between law enforcement and community needs.
- Provided **mental health training** to 100% of Agents.

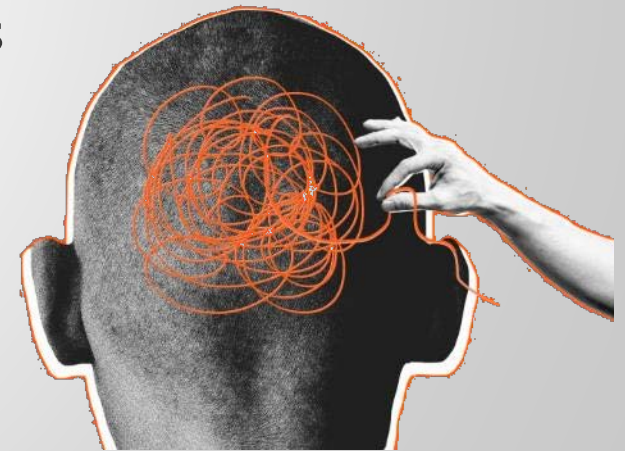

(2015-2020 Strategic Plan Objective 4.4.1).

EXPANSION OF MENTAL HEALTH AND REHABILITATIVE SERVICES *(CONTINUED)*

SCDPPPS has requested \$804,575 in its FY 2022 budget to achieve these Mental Health Program goals:

- 1) Improve access to standardized screening and assessment tools.
- 2) Create collaborative, comprehensive case management plans that address criminogenic needs.
- 3) Coordinate services that establish stability for offenders living with mental illness.

AGENCY CHALLENGES

AGENCY FLEET REPLACEMENT

- SCDPPPS currently has 118 vehicles in its fleet at an average base monthly lease rate of \$57.35.
- These vehicles were purchased in 2014 under an MOU between State Fleet Management (SFM) and SCDPPPS.
- The MOU originally included administrative and insurance costs.
- The lease agreement has come to fruition with an increased average of \$502 per vehicle per month.
- For officer safety, these vehicles must be replaced.

SCDPPPS has requested \$625,672 in its FY 2022 budget for the Agency Fleet Replacement Plan.

ENHANCING THE PAROLE BOARD DECISION-MAKING PROCESS

- The Parole/Pardons Investigations Division was created to standardize the parole and pardon investigations process.
- The work previously completed by Agents in 46 counties is now delegated to 18 Investigators and 63 Offender Supervision Specialists (OSS).
- This new section has enabled Agents to allot more staff hours to their C-I law enforcement duties.
- This organizational change has increased consistency of investigations and centralized the operations of Paroles, Pardons and Release Services.
- Additional FTEs are sorely needed in this area to enable SCDPPPS staff to more thoroughly vet pardon applications and to review an increased percentage of sentencing documents.

**SCDPPPS has requested \$905,062 in its FY 2022 budget
for 12 Paroles, Pardons and Release Services FTEs.**

EXPANSION OF INMATE RELEASE SERVICES

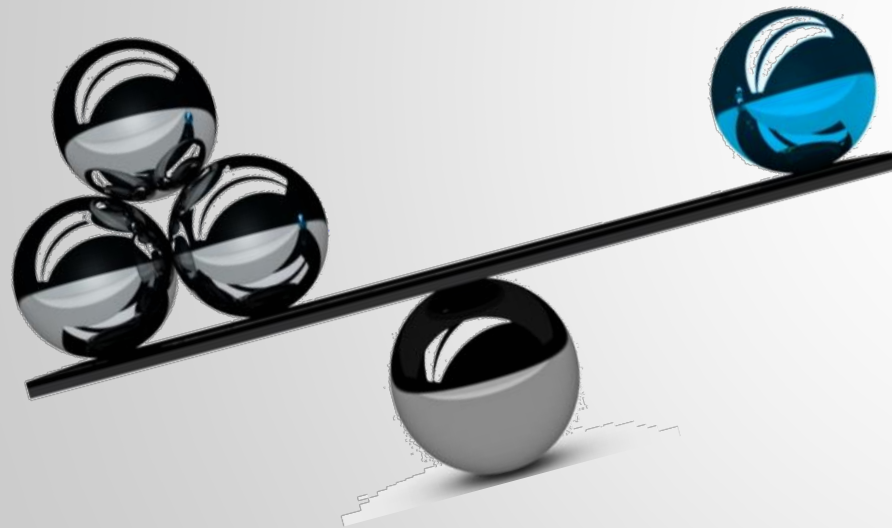

- SCDPPPS aims to increase the number of inmates released to supervision with completed risk-needs assessments by hiring additional Examinations and Release Services staff.
- New staff in this area will enable the agency to operate additional parole hearing videoconferencing sites to include every institution in SCDC.
- This improvement would greatly reduce, if not eliminate, the need for SCDC to transport inmates to parole hearings.

**SCDPPPS has requested
\$1,036,269 in its FY 2022 budget
for 13 Examinations and Release Service FTEs.**

A BALANCING ACT

To prepare **offenders** under our supervision toward becoming productive members of the community;

To provide assistance to the **victims** of crimes, the courts and the Parole Board; and

To protect **public** trust and safety.
