### Purpose:

"The General Assembly finds that:

- The state correctional facilities are overcrowded and are operating at 158% of their designed capacity.

- Although new correctional facilities are planned and are being built to meet the projected inmate population increases, the costs of these facilities are more than \$40,000 per bed.
- At the same time, the state's budgetary resources are becoming more limited, and the future availability of capital improvement bonds for more prison construction is uncertain."

# Early Termination

## *Deliverable 50*

REQUIRED BY SECTION  
24-23-130

*Note: Early termination only applies to probationers.*

### Purpose *(continued)*:

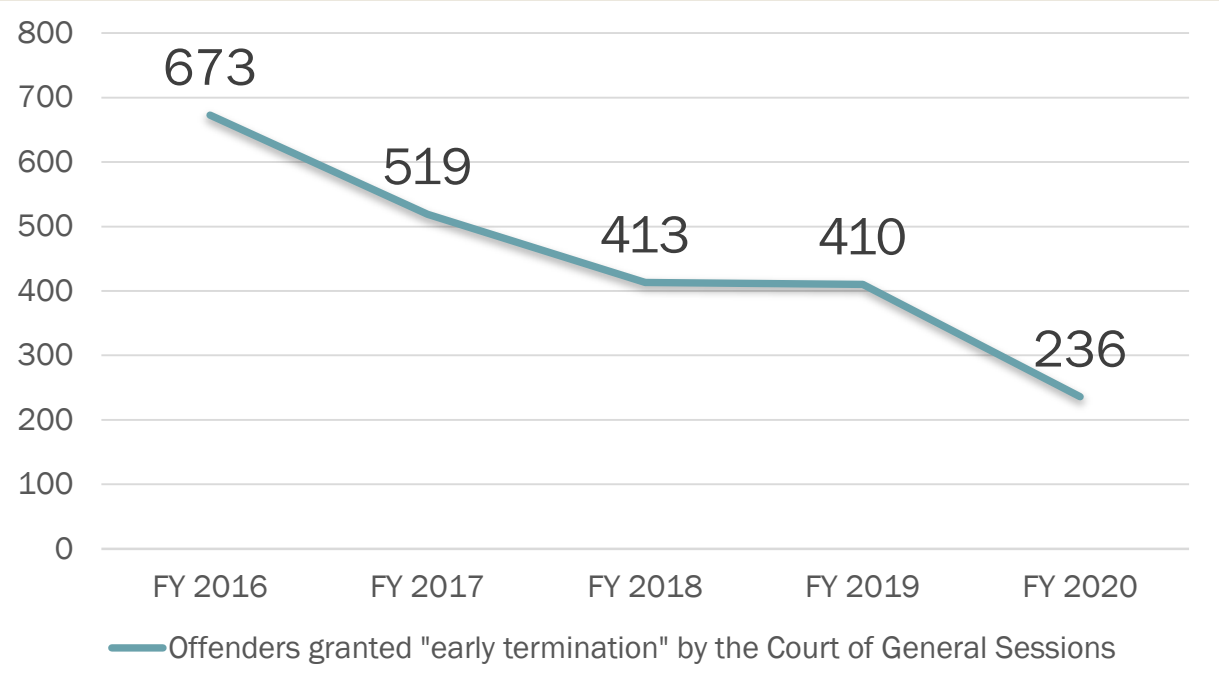

Thus, the authority of the court to terminate supervision early, with the recommendation of the Agent-in-Charge of the county probation office, was established in the 1980s as a way to safely remove carefully screened offenders from further supervision in order to accommodate related legislative efforts to alleviate prison overcrowding through inmate release mechanisms.

## South Carolina Department of Probation, Parole and Pardon Services Summary of Administrative Hearing

Releasee: xxxxxxxxxxxx SCDC# xxxxxxxxxxxx SID#: xxxxxx

Location: WebEx—Newberry County Detention Center Newberry, South Carolina

Date: August 26, 2020

Time: 9:13 AM

### Persons in Attendance

Name	Relationship
xxxxxx	Administrative Hearings Officer
xxxxxxxxxx	Agent
xxxxxx	Supervised Reentry Releasee

### Hearing Officer's Findings:

I find that xxxxxxxxxxxx violated conditions 2, 6 and 10 as set forth in the affidavit(s) dated August 5, 2020 ; such conditions having been contained in the Order of Release accepted by xxxxxxx in writing on July 31, 2020.

I find that xxxxxxx failed to refrain from changing residence without the consent of the Agent; and allow the Agent to visit in the home at any time. On August 5, 2020 Mr. xxxxxxx's mother informed the Agent that Mr. xxxxxxx's whereabouts were unknown and he hadn't stayed at the reported address since August 2, 2020. During the Administrative Hearing, Mr. xxxxxxx stated that he'd moved in with his girlfriend.

I find that xxxxxxx failed to refrain from the violation of Federal, State, or Local Law. I find probable cause to believe that Mr. xxxxxxx committed crimes of Assault and Battery First Degree; Strong Arm Robbery; Domestic Violence Second Degree; and Burglary First Degree on August 5, 2020. An incident report prepared by the City of Newberry Police Department on August 5, 2020 and a Supplemental Report dated August 6, 2020 recount details provided by two victims and a witness. The victims were initially uncooperative until confronted by the information provided by a witness. The witness overheard the altercation while on the telephone with his sister, Ms. xxxx (victim #1) and was informed that Mr. xxxxxxx had severely beaten Mr. xxxxxxx (victim #2). The victims reported that Mr. xxxxxxx kicked Ms. xxx's door in, took her telephone and threatened her with violence. Ms. xxxxx stated that Mr. xxxxxxx stepped between she and Mr. xxxxxxx in her defense. Mr. xxxxxxx was punched repeatedly in the face. Mr. xxxxxxx reported that Mr. x took his cellular phone and his wallet before leaving. The wallet contained \$20.00 and a Wells Fargo Debit Card. The hospital reported that Mr. xxxxxx suffered three broken bones due to the assault: a zygomatic fracture (an important bone for the

SCDPPPS Form 1193 (Template)

appearance of the face), an orbital fracture (a bone surrounding the eye) and a mandibular fracture (a fracture of the jaw that may result in decreased ability to fully open the mouth). The officer also observed bloody gloves, blood splatter on the wall, and a tissue heavily covered in blood on the floor where Ms. xxxxxx was cleaning her apartment following the assault. Mr. xxxxxx claimed to be in a relationship with Ms. x. Due to the evidence supporting the report that the victim was assaulted, I find probable cause to believe that all other crimes also occurred as reported.

I find that xxxxxxx failed to follow the advice and instructions of the agent; and comply with any further conditions imposed by the Department or its Agents. On July 31, 2020 the Agent in Charge instructed Mr. xxxxxxx to contact his Agent on August 3, 2020. Mr. xxxxxx failed to do so.

I find that the aforementioned violations constitute a willful failure to follow the advice and instructions of the supervising agent. I base these findings on the evidence and testimony presented at the Administrative Hearing.

### Hearing Officer's Conclusions:

Within one week of his release, Mr. xxxxxxx had failed to contact his supervising Agent as instructed, changed his residence without consent and committed a burglary and brutal assault in the community. Mr. xxxxxxx denies certain details of the incident, but admits to assaulting xxxxxxx. Mr. xxxxxxx suffered three broken bones in his face and required that two metal plates be surgically placed in his jaw. Based on the Agent's testimony, Mr. xxxxx is in danger of losing his eyesight. Mr. xxxxxx greatly minimized the details of this incident. Mr. xxxxx's actions demonstrate that he is not currently prepared to return to the community. It is ordered that the release of Mr. xxxxxxx is now revoked.

### Decision of the State:

Return to the South Carolina Department of Corrections.

Respectfully Submitted,

xxxxxxxxxxxxxx

# RECOMMENDED LAW CHANGES

# Recommended Law Change #1

SECTION 22-5-580

Deliverable 28-  
*“Probation Agents assigned to  
General Sessions Court”*

Slides: Field Operations 54-55

## Current Law:

- Required that a statewide pretrial classification program be established to improve magistrates’ collection and consideration of information concerning release of defendants to bail.
- It also required that PPP, an executive branch entity, promulgate regulations which were to be used by magistrates, judicial branch entities, for gathering information to be considered in admitting defendants to bail.
- This included a requirement that PPP create a “point total” system for pretrial bond screenings for magistrates.

Recommendation: Repeal.

# Recommended Law Change #1

SECTION 22-5-580

Deliverable 28-  
*“Probation Agents assigned to  
General Sessions Court”*

Slides: Field Operations 54-55

## Basis for Recommendation:

- After this law was enacted in 1995, PPP and Court Administration staff at the time raised concerns regarding separation of powers.
- Section 22-5-510, by way of amendments enacted in 2010 Act No. 273, Section 10, 2014 Act No. 144 Section 3, and 2015 Act No. 58, Pt III, Section 11, now provides magistrates with a long list of information they either “must” consider or “may” consider when admitting defendants to bail.
- It also mandates that all relevant information be provided to the magistrates by the arresting law enforcement agency. Section 22-5-580 has effectively been replaced by section 22-5-510. As a result, 22-5-580 should be repealed.

# Recommended Law Change #2

SECTION 23-3-540(H)

**Deliverable 21-**  
***“Active Electronic Monitoring  
[Global Positioning Satellite  
(GPS) Tracking]”***

Slides: Field Operations 131-  
134 “Electronic Monitoring  
[Global Positioning Satellite  
(GPS)]” & 151 “Jessie’s Law”

## Current Law:

- Provides for a ten-year review of the “Jessie’s Law” GPS monitoring of child sex offenders.

Recommendation: Strike the last sentence of Subsection (H), which reads, “*A person may not petition the court if the person is required to register pursuant to this article for committing criminal sexual conduct with a minor in the first degree, pursuant to Section 16-3-655(A)(1), or criminal sexual conduct with a minor in the third degree, pursuant to Section 16-3-655(C).*”

Basis for Recommendation: S.C. Supreme Court ruling, *State v. Dykes*, 403 S.C. 499, 744 S.E.2d 505 (2013) held that the final sentence of (H) was unconstitutional.

# Recommended Law Change #5

SECTION 24-21-220

## Deliverable 2- “Administrative Assistance for the Board of Pardons and Pardons”

Slides: Agency Overview 16  
“Agency Head Duties” & 21-23  
“Parole Board”

### Current Law:

- Establishes the broad powers and duties of the Director of the Department. Includes language about providing an annual written report to the Board, the Governor, and the General Assembly providing statistical and other information pertinent to the Department’s activities.

Recommendation: Change the language to allow for this report to be made **electronically accessible** to the Board, Governor, and the General Assembly, as well as the public, without requiring that the Department provide an actual written report to the three named entities.

# Recommended Law Change #6

SECTION 24-21-430

## Deliverable 43- “Search and Seizure”

Slides: Field Operations 88-91  
“Standard Conditions of  
Supervision” & 104-107  
“Search and Seizure”

### Current Law:

- The list of probation conditions which may be imposed does not include a prohibition on the possession of a firearm while on probation, leaving it as a court-ordered or Department-enhanced condition, only because it is “not prohibited.”

Recommendation: Add the prohibition against possessing a firearm to the list as a specifically sanctioned option for the court.

# Recommended Law Change #10

## SECTION 9-11-40

### Deliverable 3- “Employment and Staffing”

Slides: Agency Overview 16  
“Agency Head Duties”  
& 26-64 “Agency Divisions”

*In a 2013 SCDPPPS review, the  
Legislative Audit Council  
recommended the General Assembly  
consider amending this law.*

#### Current Law:

- In regard to a “police officer” as defined in the statute, provides that “Notwithstanding the provisions of this subsection, no person shall become a member on or after July 1, 1963 unless his employer certifies to the system that his service as a police officer requires at least one thousand six hundred hours a year of active duty and that the person’s salary for the service is at least two thousand dollars a year.”

Recommendation: Amend the law by adding a provision that would allow a law enforcement officer, with a certain number of years of line duty experience, but who has moved to an administrative position in a law enforcement agency, to retain PORS membership and benefits even if his or her service as a police officer does not require at least one thousand six hundred hours a year of active duty.
