

## Non-Profit Corporations Created and Used by Offices of Solicitor

The South Carolina Commission on Prosecution Coordination has created a list of non-profit corporations created by the Solicitors' Office for purposes of the operation of the Solicitors' Offices using information provided by the Solicitors. Only two Circuits have created non-profit corporations for purposes of the Solicitor's Office.

<b>Circuit</b>	<b>Name of Non-Profit</b>	<b>Purpose/Use of Non-Profit</b>
<b>10</b>	Tenth Circuit Solicitor's Foundation	This nonprofit corporation is listed on the Secretary of State's website as a nonprofit incorporated on May 27, 1997 (purpose unknown). We have been informed this nonprofit is not active, and that the Solicitor's Office will move to dissolve the corporation with the Secretary of State.
<b>14</b>	SOVSC	The Fourteenth Judicial Circuit Solicitor's Office incorporated SOVSC as a nonprofit in 2017 for the purpose of obtaining a loan and buying a building for the office to occupy.
<b>14</b>	Justice Institute	The Fourteenth Judicial Circuit Solicitor's Office incorporated the Justice Institute as a nonprofit in 2017. Its purpose is to develop training programs for prosecutors and law enforcement, as well as potentially partner with colleges to engage with future lawyers, law enforcement officers, and administrative staff.
<b>15</b>	Solicitor's Interventions Programs, LLC	The Fifteenth Circuit created Solicitor's Interventions Programs, LLC in 2009 for the purpose of buying the building that currently houses PTI staff. (PTI is intended to be a self-supporting program, and the counties do not provide space or facilities for these employees.)
<b>15</b>	15 <sup>th</sup> Circuit Drug Enforcement Unit, LLC	The Office also created 15 <sup>th</sup> Circuit Drug Enforcement Unit, LLC for its Drug Enforcement Unit. It was formed to buy the building that houses the Circuit's DEU agents. (The counties do not provide space or facilities for these employees.) This LLC was formed in 2014, and the building that was bought though this LLC still serves as the facilities for the Circuit's DEU agents.
