**Revenue compared to costs for the Information Technology Division (FY 2015-16 – FY 2018-19)[30]**

The Information Technology Division provides support to all divisions of the Secretary of State's Office, as well as develops and maintains agency databases and applications. In addition, the Information Technology Division maintains the agency's website. According to Google Analytics, the Secretary of State's website had 2,350,385 unique views in FY 2017-18. The agency's new website was launched in August 2019. The Information Technology Division also performs cybersecurity functions along with the Department of Administration's Division of Information Security.

Information Technology Costs Excluding Agency Operations

	Workbook Costs	Website Costs
FY 2018-19	$5,000.71	$57,644.84
FY 2017-18	$4,751.33	$5,903.50
FY 2016-17	$4,404.79	$3,862.11
FY 2015-16	$3,283.70	$5,985.69

Note: Workbook costs relate to the annual information technology plan and information security plan the agency is required to submit to the Department of Administration pursuant to Proviso 117.112.
