South Carolina Department of Health and Environmental Control
2600 Bull Street

Dear Director Heigel:

On behalf of the entire ad hoc committee, I would like to thank you and your staff for sharing your time and knowledge with the committee. A motion passed during the December 1, 2015, ad hoc committee meeting that the committee would conclude the Department of Health and Environmental Control's involvement in its study, unless, during the remainder of the study, committee members learned additional information for which they needed to follow up with agency. Thank you for your cooperation during the legislative oversight process.

Sincerely,

Gary E. Clary
Ad Hoc Committee Chair
