DEFARTMENT OF PARKS, RECREATION AND TOOKISM - 11/2/2010		
<b>Finding:</b> 1. The Committee finds lack of clarity pertaining to maintenance responsibility for signage or landscaping near an interstate allows for situations that may negatively impact the Department of Parks, Recreation, and Tourism's efforts to		
promote South Carolina to those who travel through it. When a local government is granted an easement to construct		
signage or landscaping near an interstate (e.g., welcome to the state or county), there is usually no condition that the local		
entity maintain the appearance of the signage or landscaping or that it be removed if it falls into disrepair.

COMMISSION ON INDIGENT DEFENSE - 11/2/2018		
· ·		
<b>Finding 1:</b> S.C. Code Section 17-3-45(b) is an example of lack of clarity regarding which entity is responsible for ensuring accurate collection and remittance of fines and fees as it states the entity responsible is the clerk of court "or other appropriate official." This issue, relating to fines and fees which fund indigent defense services, further supports the Committee's recommendation from its study of the Law Enforcement Training Council and Criminal Justice Academy that the General Assembly should consider clarifying statutes regarding fines and fees (e.g., to indicate which entity is responsible for ensuring county and local governments properly collect and remit these and additional options for enforcement to ensure compliance).

<b>Finding:</b> 2. The determination of whether a flight on a state-owned aircraft is for official business is not made by SCAC; rather, it is made by the entity requesting the flight with oversight provided by those regulating the entity's actions.		
<b>Finding:</b> 3. No entity or division within state government is tasked with centralized management of manned aircraft (i.e., airplanes, helicopters) or information pertaining to their operations.		
<b>Finding:</b> 4. No entity or division within state government is tasked with centralized management of unmanned aircraft systems (e.g., drones) or information pertaining to their operations.		
<b>Finding:</b> 5. If more state-owned aircraft move to using a central source (i.e., SCAC) for fuel and maintenance, when possible, there may be a potential cost savings for the state.		
<b>Finding:</b> 6. Airports in the state not recognized in the federal National Plan of Integrated Airport Systems (NPIAS) may desire to seek alternative funding sources in addition to striving for funding eligibility from NPIAS. A		
Finding: 7. If a dedicated source of funding for matching state grants is accessible each year in July, the state may further leverage federal funding for airports within the state recognized in NPIAS. A; B (The state fiscal year begins in July, and the		
federal fiscal year begins in October.)  Finding: 8. As of June 2019, SCAC has never exercised its authority to separately or jointly acquire, establish, construct, expand, own, lease, control, equip, improve, maintain and operate its own airports, or, among other things, acquire land by		
condemnation or purchase.  Finding: 9. As of June 2019, Clemson University has never exercised its authority to develop an airport.		
Clemson University currently uses the Oconee County airport.		
<b>Finding:</b> 10. Four provisos related to SCAC have been included, with minimal to no change, in the General Appropriations Act for more than a decade, and the General Assembly may wish to consider codifying one or more of them. Topics addressed by these provisos include: reimbursement for services; carry forward; office space rental; hangar/parking facilities; and aviation grants.		
1. Provide notice to the appropriate congressional district legislative delegation one year prior to the expiration of a commissio ner's term.	Agency: Aeronautics Commission	
<ol><li>Provide the Secretary of State's Office updated records to reflect the correct year in which the term ends for commissioners from congressional districts one and three.</li></ol>	Agency: Aeronautics Commission	
3. Conduct a formal evaluation of SCAC's executive director on a regular basis (e.g., annual or biennial) and include the requirement of, and procedures for, this evaluation in SCAC's written policies.	Agency: Aeronautics Commission	

RECOMMENDATION OR FINDING	ТО	STATUS NOTES
4. Establish a method to electronically collect flight information (e.g., passenger names, purpose of each flight, etc.) in advance of a flight and publish it, after the flight, in a searchable, online format (e.g., search by purpose, agency, passengers, reimbursement status, etc.)	Agency: Aeronautics Commission	
5. Post on SCAC's website the Budget and Control Board Report analyzing the issue of owning versus chartering planes for state use	Agency: Aeronautics Commission	
6. Begin the process of updating current, and promulgating new, regulations (i.e., publication of a Notice of Drafting in the State Register) within the next year.	Agency: Aeronautics Commission	
7. Require adherence to airport land use and safety zones as a prerequisite to receiving state grants administered by SCAC (e.g., include in forthcoming regulations).	Agency: Aeronautics Commission	
8. Determine if there are potential cost savings it may obtain through the purchase of a utility plane versus entering into agreements with another state agency for use of a utility plane and provide the analysis to the Committee within the next twelve months.	Agency: Aeronautics Commission	
Request a waiver from the State Fiscal Accountability Authority (SFAA) and Joint Bond Review Committee (JBRC), authorizing it to participate in the federal asset transfer program if the prerequisite approval from its commission prior to accepting any assets remains.	Agency: Aeronautics Commission	
10. Determine benefits of, and what is necessary for, it to track and validate scheduled times and mileage of aircrafts subject to the airline property tax and provide its analysis to the Committee within the next twelve months.	Agency: Aeronautics Commission	
11. Formulate a written records retention policy that complies with the various requirements (e.g., Public Records Act and South Carolina Uniform Electronic Transactions Act) to transfer agency records, including electronic ones, to the Department of Archives and History.	Agency: Aeronautics Commission	
12. Develop a schedule to digitize the physical maps, photos, and other SCAC printed materials stored at its office.	Agency: Aeronautics Commission	
13. Codify state operated aircraft flight log requirements in Proviso 117.22 from the 2018-19 General Appropriations Act and require the log to be in an online, searchable format.	General Assembly	
14. Establish a stakeholders' group to recommend a legislative/regulatory framework for operation of unmanned aircraft systems (e.g., drones) in the state and, as part of the process, obtain input from potentially impacted parties, including, but not limited to, state agencies, local governments, and the military	General Assembly	
15. Adopt state statutes that mirror federal statutes pertaining to the use of unmanned aircraft systems (e.g., drones) in and around military facilities, to provide additional state penalties	General Assembly	
16. Clarify the transportation company aircraft fuel sales tax exemption by revising S.C. Code Ann. § 12-36-2120(9)(d) [exemptions from sales tax] to make the exemption only available to entities that pay the airline property tax.	General Assembly	
17. Remove the requirement that SCAC provide State Law Enforcement Division personnel methods to test flight crew members' blood alcohol content in S. C. Code Ann. § 55-1- 100(B) [Operating or acting as flight crew member of aircraft while under influence of alcohol or drugs unlawful; criminal prosecution and rights of accused; penalties].	General Assembly	
18. Revise S.C. Code Ann. § 15-9-410 [Provisions as to nonresident aircraft operators are not applicable to certain air carriers] to conform to Federal Aviation Administration requirements.	General Assembly	
19. Repeal S.C. Code Ann. §§ 23-33-10 ["Missile" defined] and 23-33-20 [Permit required for firing missile], as federal laws and regulations supersede these statutes.	General Assembly	
20. Revise statutes that still reference SCAC as a division of the Department of Commerce.	General Assembly	
RURAL INFRASTRUCTURE AUTHORITY - 12/16/2019 Finding: 1. The committee supports legislative action to provide resources to support statewide access to broadband		
services, including in rural communities.  1. Consider clarifying the role and responsibilities of RIA's Local Government Division by repealing S.C. Code of Laws § 1-11-25 and amending § 11-50-30(E). This removes references to an obsolete program and reflects the duties this division had at the time of the transfer to RIA.		
2. Consider clarifying RIA's role in coordination of state infrastructure development efforts by amending S.C. Code of Laws § 11-50-30(C). This could facilitate agency efforts to assess statewide needs and support regional approaches.	General Assembly	
3. Consider removing outdated accounting requirements by repealing S.C. Code of Laws § 1-11-26. For example, this section requires maintenance of separate bank account for grant funds, which is no longer required with modern accounting practices.	General Assembly	
4. Consider updating terminology related to counties in which eligible rural infrastructure projects can be located by amending S.C. Code of Laws § 11-50-40(13). This replaces the terms "distressed or least developed" with "Tier III or IV," in accordance with related sections of law.	General Assembly	
5. Consider defining "environmental facilities" in the Rural Infrastructure Act by amending S.C. Code of Laws § 11-50-40. Adding this definition makes this section consistent with other laws that govern RIA.	General Assembly
