Discussion of the Law Enforcement Training Council and Criminal Justice Academy

- I. Chairman Tallon reminds agency personnel who were sworn in during prior meetings that they remain under oath anytime they are with the subcommittee or Committee.
- II. Chairman Tallon asks questions about the Academy’s facilities, including, but not limited to, leaks in the roofs and showers, that Lennie Hicks, Facilities Operations Manager, answers.
- III. Director Swindler and other Academy personnel including Deputy Director Mike Lanier, CFO Tom McQueen, and General Counsel Jimmy Fennell provide information on the following:
 - a. Goal #3;
 - b. Personnel Change in Status forms when individuals are hired at law enforcement agencies. General Counsel Fennel notes biggest issue is not being notified when law enforcement entities around the state hire new officers, despite state law requiring this notification within three days of the hire;
 - c. Personnel Change in Status forms when individuals separate from a law enforcement agency. Academy believes agencies are reporting better because of continued emphasis during training;
 - d. Funds the Academy receives which are unrelated to the Academy’s strategic plan and passed through to ETV; and
 - e. Fines and fees the Academy receives as part of its funding.

Subcommittee members ask questions which Academy personnel answer.

- IV. Members make various motions during the meeting which are listed below.

Rep. Arrington's motion that the Subcommittee Study include a recommendation that the agency research and implement a way to allow agencies to complete personnel change in status information via a web based form and the Training Council create formulas and rules in the database which will increase the ability to analyze the information including, but not limited to, trends in officer separations and notification of officers who are frequently moving between agencies, which may indicate an individual leaving prior to disciplinary action:	Yea	Nay	Not Voting
