MEMORANDUM

TO: Candidates for Boards and Commissions

FROM: Office of the Senate Clerk

DATE: December 17, 2015

RE: Accessing Credit Report Information

Realizing that many citizens in South Carolina have taken the security measure of freezing the access to their credit report, we are asking that if you have placed that security on your accounts please make a notation on your application indicating that you have. Those applicants will be contacted by telephone and asked that the freeze be lifted on a designated date for the sole purpose of accessing the credit report. Your report will be accessed on that date and you can reinstate your freeze. This applies only to the Equifax reporting service which is used by the Senate Clerk's Office.

If you have any questions, please contact the Senate Clerk's Office at (803)212-6200.
