The Public Utilities Review Committee originally scheduled a meeting to screen candidates for the Public Service Commission, Seat 2, on September 11, 2018. This meeting was canceled due to Hurricane Florence and the Governor's executive order to close state government offices in order to evacuate those in the storm's projected path as efficiently and expeditiously as possible.

Following the cancellation of the September 11th meeting, the Review Committee expeditiously rescheduled the meeting to screen Public Service Commission candidates for Monday, September 24, 2018. Pursuant to Section 2-20-30 of the South Carolina Code of Laws, a meeting to screen candidates must occur at least two weeks before the election. As the General Assembly is now reconvening the first week in October, a screening held on September 24th will not meet the two week minimum requirement established by law.

As a result of these circumstances, the screening of Public Service Commission candidates is postponed.
