**SECTION 71 - L460 - COMMISSION FOR MINORITY AFFAIRS**

- 71.6**     **ADD** (CMA: Division of Small and Minority Business Contracting and Certification) **WMC:** ADD new proviso to transfer funds, employees, and assets and liabilities from the Division of Small and Minority Business Contracting and Certification to the Commission on Minority Affairs. Details the continued duties and responsibilities of the Division. Directs that regulations promulgated and contracts entered into by the Division shall be the responsibility of the Commission.  
**HOU:** ADOPT new proviso.  
**SFC SUBCOMMITTEE RECOMMENDATION:**ADOPT new proviso.

*71.6. (CMA: Division of Small and Minority Business Contracting and Certification) For the current fiscal year, the Division of Small and Minority Business Contracting and Certification (the Division) and the funds appropriated to the Division pursuant to Part IA of this Act are transferred to the Commission for Minority Affairs. The Division shall continue to perform its duties and responsibilities required in Article 21, Chapter 35, Title 11 including, but not limited to, assisting the Department of Revenue in providing income tax credits for firms with state contracts that subcontract with minority firms pursuant to Section 11-35-5230(B). In addition to the authorized appropriations for the Division, the employees and the assets and liabilities of the Division are also transferred to and become part of the Commission for Minority Affairs for the current fiscal year. All classified or unclassified personnel transferred by this provision are to become employees of the Commission for Minority Affairs with the same compensation, classification, and grade level, as applicable, for the duration that this provision remains in effect. Applicable regulations promulgated by or related to the Division are continued and are considered to be promulgated by the Commission for Minority Affairs. Applicable contracts entered into by or on behalf of the Division are continued and are considered to be devolved upon the Commission for Minority Affairs at the time of the transfer.*

**SECTION 73 - R060 - OFFICE OF REGULATORY STAFF**

- 73.5**     **DELETE** (ORS: Office of Broadband Coordinator) Establishes the Office of Broadband Coordinator to serve as the broadband planning body for the State and coordinate with entities to encourage development of broadband access. Directs that funds appropriated be used to continue to fund the Broadband Infrastructure Project including projects that were approved for funding in Act 142 of 2020 but not constructed by December, 2020. Directs the office to prioritize infrastructure expansion to provide high-speed service to rural and unserved communities. Directs the office to serve as a central resource to collect and publish information regarding federal and state programs to fund broadband expansion. Require unexpended funds be carried forward and used for the same purposes.

Assembly with recommendations for which legislative, regulatory, or other governmental actions are appropriate to promote broadband access throughout the State.

~~(C) Funds appropriated to the Office of Broadband Coordinator for broadband infrastructure shall be used to continue to fund the Broadband Infrastructure Program, including the completion of those broadband infrastructure projects that were approved for funding pursuant to Act 142 of 2020 but not constructed by December of 2020. Expansion of broadband infrastructure shall emphasize services to rural communities and communities with a lack of access to broadband. The Office of Broadband Coordinator shall prioritize infrastructure expansion that will make high speed broadband available to homes, businesses, schools, health care facilities, and other institutions in unserved areas across South Carolina.~~

~~(D) The Office of Broadband Coordinator shall serve as a central resource to collect and publish information regarding federal and state programs to fund broadband expansion, and to the extent practicable, coordinate resources such that both state and federal resources are efficiently maximized.~~

~~(E) The Office of Broadband Coordinator may use assistance from state and federal agencies or from private organizations and industry to accomplish the purposes of this provision. Unexpended funds at the end of the prior fiscal year shall be carried forward and expended in the current fiscal year by the Office of Regulatory Staff for the same purposes.~~

**73.6** **DELETE** (ORS: SC Broadband Map) Directs the Office of Broadband Coordinator to contact the appropriate entities to provide information necessary to compile the county-by-county mapping plan required by Section 10 of Act 142 of 2020 that shows the location and broadband facility capabilities throughout the State. Provides guidelines for the release of information regarding FOIA requests. Requires unexpended funds be carried forward and spent for the same purposes.

~~or agencies with whom the information is shared are aware of the confidential nature and restricted purposes for which the information may be used and that any such agents or entities that are not state agencies execute an appropriate nondisclosure agreement protecting the information from public disclosure before receiving the information.~~

~~(B) Entities providing broadband service or middle mile infrastructure in South Carolina shall, on an annual basis, provide to the Office of Broadband Coordinator deployment data in a format specified by the office to provide the most accurate and granular representation of currently available broadband infrastructure. These same entities, when they serve residential or business customers, shall also provide the type of technology deployed together with the sustainable download and upload speeds available at each serviceable location. Entities failing to provide such data on an annual basis may be disqualified from state funding opportunities for the current fiscal year. Annually, the office shall compile this information, analyze, and update statewide broadband deployment information.~~

~~(C) Any unexpended funds at the end of the prior fiscal year shall be carried forward and expended in the current fiscal year by the Office of Regulatory Staff for the same purposes.~~

**73.9** **ADD** (ORS: Energy Office) **WMC:** ADD new proviso to allow the Office of Regulatory Staff Energy Office, or its subrecipient, to utilize assistance from state and federal agencies, private organizations, nonprofits, and the industry to efficiently administer programs under the Infrastructure Investment and Jobs Act (IIJA) and the Inflation Reduction Act (IRA). Allows unexpended funds from the prior fiscal year to be carried forward and used for the same purposes. Directs the Executive Director of ORS to procure necessary services to meet federal deadlines through the utilization of SFAA. Allows ORS and the Energy Office to engage professional grant management services and authorizes them to utilize federal funds and existing resources. Requested by Office of Regulatory Staff.

**HOU:** ADOPT new proviso.

**SFC SUBCOMMITTEE RECOMMENDATION:**ADOPT new proviso.

73.9. (ORS: Energy Office) (A) The Office of Regulatory Staff Energy Office, or its subrecipient, may use assistance from state and federal agencies or from private organizations, nonprofits, and the industry to accomplish the purposes of efficiently leveraging resources to successfully administer any programs established by the Infrastructure Investment and Jobs Act (IIJA) and the Inflation Reduction Act (IRA). Unexpended funds from the prior fiscal year shall be carried forward and expended in the current fiscal year by the Energy Office for the same purposes in compliance with federal funding requirements.

(B) In order to comply with federal deadlines for funds commitment and completion, the Executive Director of the Office of Regulatory Staff shall, in accordance with Section 11-35-1570, procure the services needed and shall be responsible for the development of specifications to be included in any contract awarded. The State Fiscal Accountability Authority (SFAA) shall serve as the procuring officer for the procurement process and is responsible for administrative duties related to the process and the contract awarded. SFAA shall assign such personnel as necessary to assist the Office of Regulatory Staff and the Energy Office in carrying out its duties under this provision.

(C) The Office of Regulatory Staff and the Energy Office may procure professional grant management services for oversight and compliance of funds received through the IIJA and IRA, among others, on behalf of the Energy Office. The Energy Office is authorized to fulfill this requirement from federal funds and from existing fund resources as appropriate.

Regulatory Staff. Directs the SC Broadband Office to coordinate with various entities to enhance broadband access, prioritize rural areas, and publish information on funding programs, and create a stakeholder process to address challenges and propose legislative actions. States that funds shall be used for broadband infrastructure expansion, workforce development, and non-deployment programs. Directs the SC Digital Opportunity department to serve as the digital equity planning body and allows them to handle confidential information. Requires the procurement processes to follow specified regulations, and SFAA to oversee administrative duties. Allows professional grant management services for oversight and compliance of funds to be procured. Directs the SC Broadband Office and the SC Digital Opportunity Department to utilize state, federal, or private assistance if needed to accomplish this provision. Directs funds from the prior fiscal year may be carried forward for the same purposes. Requested by Office of Regulatory Staff.

**HOU:** ADOPT new proviso.

**SFC SUBCOMMITTEE RECOMMENDATION:**ADOPT new proviso.

73.10. (ORS: SC Broadband Office and SC Digital Opportunity) (A) From funds appropriated for this purpose, there is established the SC Broadband Office within the Office of Regulatory Staff to serve as the central broadband planning body for the State and to coordinate with federal, state, regional, local, and private entities for the continued development of access to broadband in the State.

(B) The SC Broadband Office shall create a collaborative stakeholder process to identify challenges to expediting broadband access and shall provide a report to the General Assembly with recommendations for which legislative, regulatory, or other governmental actions are appropriate to promote broadband access throughout the State.

(C) Funds appropriated to the SC Broadband Office for broadband infrastructure shall be used to continue to fund the Broadband Infrastructure Program, broadband-related workforce development, and any other federally-approved, non-deployment programs so as to maximize available federal funding under the American Rescue Plan Act (ARPA) and Infrastructure Investment and Jobs Act (IIJA) for the benefit of the State. Expansion of broadband infrastructure shall emphasize services to rural communities and communities with a lack of access to broadband. The SC Broadband Office shall prioritize infrastructure expansion that will make high-speed broadband available to homes, businesses, schools, health care facilities, and other community anchor institutions in underserved areas across South Carolina.

(D) The SC Broadband Office shall serve as a central resource to collect and publish information regarding federal and state programs to fund broadband expansion and maximize resources.

(E) From funds appropriated for this purpose, there is established a SC Digital Opportunity department within the Office of Regulatory Staff to serve as the digital equity planning body for the State and to coordinate with federal, state, regional, local, and private entities to address the digital divide. In the case any personally identifiable information or health related information is collected or shared by state agencies with this department, such information shall have confidential treatment.

(F) This procurement shall be done pursuant to the provisions of Section 11-35-1570. The Executive Director of the Office of Regulatory Staff shall coordinate the process used to procure the services needed and shall be responsible for the development of specifications to be included in any contract awarded. The State Fiscal Accountability Authority (SFAA) shall serve as the procuring officer for the procurement process and is responsible for administrative duties related to the process and the contract awarded. SFAA shall assign such personnel as necessary to assist the Office of Regulatory Staff and the Energy Office in carrying out its duties under this act.

(G) The Office of Regulatory Staff may procure professional grant management services for oversight and compliance of funds received through the IIJA, among others, on behalf of the

South Carolina Broadband and Digital Opportunity Offices. ORS is authorized to fulfill this requirement using federal funds as allowed for administration and from existing fund resources as appropriate.

(H) The SC Broadband Office and the SC Digital Opportunity Department may use assistance from state and federal agencies or from private organizations, nonprofits, and industry to accomplish the purposes of this provision. Unexpended funds at the end of the prior fiscal year may be carried forward and expended in the current fiscal year by the Office of Regulatory Staff for the same purposes.

**73.11** **ADD** (ORS: SC Broadband Map and Internet Service Provider Data) **WMC:** ADD new proviso to create a county-by-county broadband mapping plan. Directs that the office can collect confidential financial data from broadband providers for compliance verification but must treat it as confidential. Allows aggregated data to be publicly shared, but states provider-specific information is restricted to authorized entities. Requires broadband entities to provide deployment data bi-annually, and failure may lead to disqualification from state funding. Requires the office to analyze and update statewide broadband information annually. Requested by Office of Regulatory Staff.

**HOU:** ADOPT new proviso.

**SFC SUBCOMMITTEE RECOMMENDATION:**ADOPT new proviso.

**73.11.** (ORS: SC Broadband Map and Internet Service Provider Data) (A)(1) From funds appropriated, the SC Broadband Office shall contact the appropriate entities to provide information necessary to compile the county-by-county broadband mapping plan showing the location and capability of broadband facilities throughout the State. To meet federal mandates, the SC Broadband Office may be required to collect confidential financial data to confirm and verify compliance with the various grant programs. In order to facilitate the provision of information necessary to these tasks, financial data, including any planned construction timelines and related data provided by a broadband service provider or other entity providing information, shall be maintained by the SC Broadband Office and any other agency as confidential, proprietary, and a trade secret as defined in Section 30-4-40, and subject to exemption from disclosure under state law. Data may be made publicly available in an aggregated, nonprovider specific format or in the form of a map, where information that could be used to determine provider-specific information about the network of the broadband service provider or other providing entity is not disclosed.

(2) Except as otherwise provided in this provision, such broadband provider-specific information shall not be released to any person other than to the broadband service provider or other entity providing information, employees of the SC Broadband Office, agents designated to assist in developing the South Carolina broadband map, entities contracting with the SC Broadband Office, and other state or federal agencies administering funds for broadband deployment without express permission of the submitting broadband service provider or other entity providing information. Such information shall be used solely for the purposes stated under this provision. The SC Broadband Office shall ensure that any such agents, entities, or agencies with whom the information is shared are aware of the confidential nature and restricted purposes for which the information may be used and that any such agents or entities that are not state agencies execute an appropriate nondisclosure agreement protecting the information from public disclosure before receiving the information.

(3) Notwithstanding the above, if required by federal law, ORS may report broadband service provider costs for external reporting.

(B) Entities providing broadband service or middle-mile infrastructure in South Carolina shall, on a bi-annual basis, provide to the South Carolina Broadband Office deployment data in
