OUR MISSION

The mission of the St. Francis Center is to give direct service to the poor by providing food; offering prescription, dental, and utility assistance; arranging for repairs which make homes livable; subsidizing short-term housing for persons and families in crisis; and awarding scholarships which enable young people to forge hope-filled futures. It does so in an environment of peace and beauty.

To accomplish its mission, the Center, under the sponsorship of the Sisters of Saints Cyril and Methodius, partners with individuals, families, faith communities, and local agencies to help create more stable and healthful lives for people in our area.
