- Ashley Brown, Deputy Director
- Ce Scott-Fitts, Deputy Director
- Angela Brewbaker, Finance Director

## Agency Information

The mission of the South Carolina Arts Commission is to promote equitable access to the arts and support the cultivation of creativity in South Carolina.

### **The South Carolina Arts Commission**

- is the only state organization charged with supporting and providing leadership for the arts statewide.
- works to ensure that all S.C. citizens and visitors benefit from opportunities for rewarding arts experiences.

**SOUTHCAROLINA ARTS COMMISSION\***

## Economic Impact of the Arts

- A new Economic Impact of the Arts Study documents an annual \$14.1 billion impact on the state's economy by the arts-related economic cluster.
- 123,550 creative sector jobs generate \$5.7 billion in wages and salaries and an estimated annual tax revenue of \$360.2 million for the state of South Carolina.
- The creative economy in South Carolina is growing – the \$14.1 billion impact is a 45 percent increase from the 2018 study figure of \$9.7 billion.

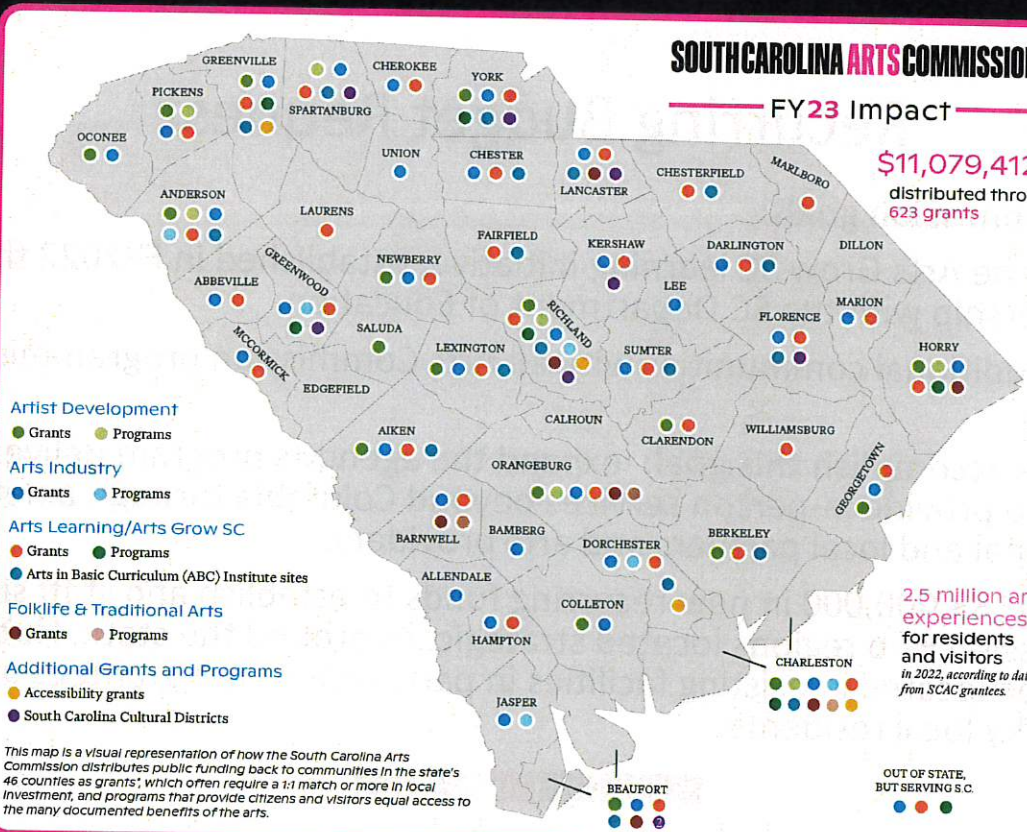

## FY2023 Grants Summary

- SCAC awarded \$11 million through 623 grants to support community arts activities, help artists grow sustainable careers, and increase arts learning opportunities for students through school-based arts programs.
- An additional \$2 million in recurring state appropriations enabled the agency to increase FY2023 grant awards in the categories of Arts Project Support, Fellowships, and Operating Support.
- Additional state funds also allowed SCAC to open FY2024 Operating Support grants to new applicants, with 20 new applicants approved.

## Recurring Budget Request

- **Arts Commission goals:**
  - Sustain the Arts Grow SC learning initiative, established in FY2022 through a partnership with the SC Department of Education.
  - Reach additional communities with all Arts Commission programming and services.
- **How we accomplish this goal:** expand the agency's program delivery model to provide in-person services beyond Columbia through a network of regional and local partners and arts providers.
- **Request:** \$3,000,000 in new recurring funds to establish and staff six Arts Commission Hub regions located strategically around the state. Hubs would be located in existing facilities in partnership with grantees and staffed by local residents.

**SOUTH CAROLINA ARTS COMMISSION\***

# Recurring Budget Request

## Breakdown of \$3 million request

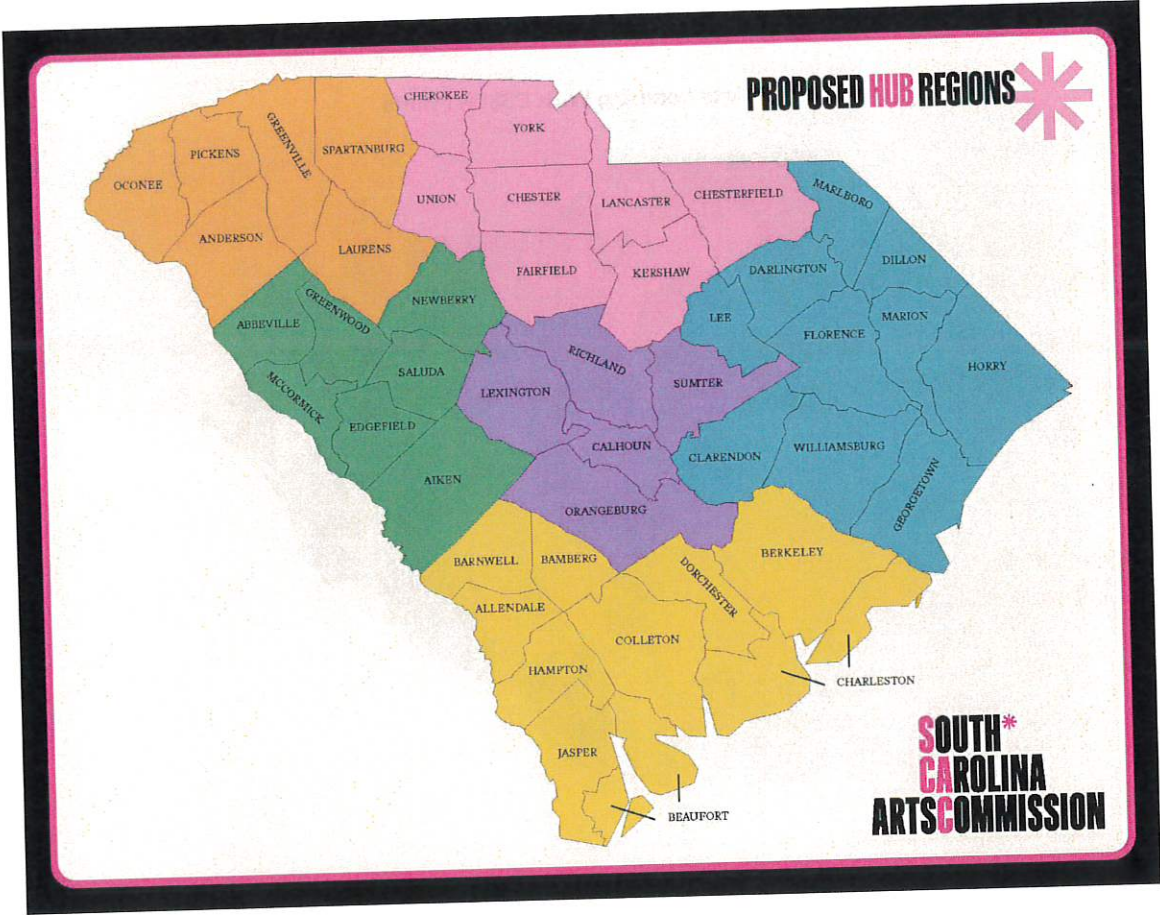

- \$567,600
  - \$504,600 - Six FTEs (\$58,000 salary + 45% fringe)
  - \$63,000 - Operational costs for six positions (\$10,500 each – laptop, monitor, accessories, office furniture, software licenses)
- \$2,432,400
  - 20% (\$486,480) would support operational costs at each of the six Hub locations, such as storage, office and or meeting spaces, etc.
  - 80% (\$1,945,920) would provide program grants in each service area.

**Arts Learning With ESSER Funds**

## Cost Savings Plans

3% Reduction=**\$267,936**

- Reduction in Distributions to Subdivisions: \$241,142
- Reduction in Other Operating: \$ 26,794

2% Reduction=**\$178,624**

- Reduction in Distributions to Subdivisions: \$149,945
- Reduction in Other Operating: \$ 7,892

1% Reduction=**\$89,312**

- Reduction in Distributions to Subdivisions: \$74,972
- Reduction in Other Operating: \$ 3,946

## Cost Savings Plans

- The commission works consistently to identify cost savings in all aspects of our operations. However, with minimal funds allocated to these operations we do not anticipate that we will achieve savings of more than \$50,000.

## Overview

### Mission

The mission of the South Carolina Arts Commission is to promote equitable access to the arts and support the cultivation of creativity in South Carolina.

The 1967 act that created the S.C. Arts Commission charged the agency "to insure that the arts... will continue to grow and play an ever more significant part in the welfare and educational experiences of our citizens." It identifies four priorities for the agency:

1. To stimulate and encourage throughout the State the study and presentation of the performing and fine arts and public interest and participation therein;
2. To make such studies as may be deemed advisable of public and private institutions engaged within the State in artistic and cultural activities, including but not limited to music, theater, dance, painting, sculpture, architecture and allied arts and crafts, and to make recommendations concerning appropriate methods to encourage participation in and appreciation of the arts to meet the legitimate needs and aspirations of persons in all parts of the State;
3. To take such steps as may be necessary and appropriate to encourage public interest in the cultural heritage of the State of South Carolina and to expand the State's cultural resources; and
4. To do such other things as may be necessary to carry out the provisions of this chapter (**SC Code of Laws, Section 60-15-60**).

The Arts Commission works to accomplish its mission by focusing resources in three areas:

- **Arts Learning**, to establish the arts as an integral part of South Carolina's educational systems and the lifelong learning process of our citizens.
- **Community Development**, to stimulate the development of South Carolina's culturally diverse arts resources and organizations and promote creative partnerships to improve the quality of lives, preserve cultural heritage, and enhance economic growth.
- **Artist Development**, to encourage, nurture and support the artistic growth and the personal and economic well-being of South Carolina's artists.

The SCAC accomplishes its goals by enlisting four main strategies:

- **Staff Assistance** – The SCAC's staff of experienced arts professionals consult with and assist local organizations, governments, schools, artists, citizens and others. These services are delivered via direct interaction between staff and constituents.
- **Direct Programs** – Programs, exhibitions, conferences, awards and other events wholly produced and presented by the Arts Commission, usually targeted to a statewide audience.
- **Partnerships** – Building strong programmatic and financial relationships with strategically aligned organizations to maximize productivity, cost effectiveness, statewide reach and inclusiveness for a variety of statewide programs.
- **Grants** – Cash awards with matching and reporting requirements, designed to support and advance the state's long-range and strategic goals for the arts, delivered through an accountable and transparent application and review process.

**Agency-wide**

- The agency placed grants in 43 of 46 counties in FY2023, awarding \$11,079,412 through 623 grants to support community arts activities, artists, and arts learning programs.
- An additional \$2 million in recurring state appropriations enabled the agency to increase FY2023 grant awards in the categories of Arts Project Support, Fellowships, and Operating Support. Additional state funds also allowed SCAC to open FY2024 Operating Support grants with 20 new applicants approved.
- A new Economic Impact of the Arts Study revealed an annual \$14.1 billion impact on the state's economy by the arts-related economic cluster, which supports 123,550 jobs that generate \$5.7 billion in wages and salaries and an estimated annual tax revenue of \$360.2 million for the state of South Carolina. The study indicates that the creative economy in South Carolina is growing – the \$14.1 billion impact is a 45 percent increase from the 2018 study figure of \$9.7 billion.
- The Arts For All grant was created to increase accessibility to the arts for individuals with disabilities. In FY2023, applicant organizations received professional development around accessibility best practices, architectural reviews of physical spaces, and assessments of websites and other digital access points. In FY2024, grant awards are supporting needs such as facility accessibility, hearing and viewing assistive technology, sensory-sensitive performances, and website accessibility upgrades. Twenty-four organizations are part of the initial grant offering.
- The Creative Arts Therapy Initiative project was developed with the Medical University of South Carolina to serve students in schools, group homes, and foster care with a focus on supporting mental health through the arts. Arts therapists worked with students in three school districts in Berkeley, Charleston, and Florence counties and at Epworth Children's Home in Columbia.
- The Rural Libraries Engagement grant for rural and small-town libraries was launched to support public library-led projects that encourage local communities to participate in arts and culture activities. These grants will also help stimulate partnerships between libraries, artists, and arts organizations. These rolling grants of up to \$2,500 are designed to serve communities with a population of 25,000 or less. Libraries in 33 of 46 counties are eligible. McCormick County Library and Abbeville County Library were the first to be awarded grants.
- The agency annually surveys grantees on measures such as staff assistance, ease of access to programs and services, and the usefulness of agency communications. In FY2023, the agency's overall satisfaction score was 4.66 on a 5-point scale (5 being the highest score.)
- The agency expended 70% of its state appropriation in grants as legislatively mandated.

**Arts Learning**

- The agency completed year two of Arts Grow SC, a three-year, \$20 million partnership with the S.C. Dept. of Education. Arts Grow SC uses American Rescue Plan/ESSER III funds to help public schools address pandemic-related learning loss with proven, arts-based learning initiatives, including using arts integration to remediate core subject areas and providing summer and after-school learning opportunities. ESSER funds are designated for education.
- The Arts Grow SC partnership with Greenville County's Governor's School for the Arts and Humanities helped support 4,269 students participating in the school's Spark! Program (A Read to Succeed Summer Reading Camp.) One Calhoun County school received services over several

months, benefiting 367 students and 36 teachers. This work demonstrated how a grant awarded in one county can benefit constituents in a county that did not receive a direct grant.

- Grants supported by Arts Grow SC:
  - The School Arts Support grant was open to arts teachers and non-arts teachers to explore arts integration in their classrooms. Sixty-four schools in 19 counties received grants up to \$2,500 per request.
  - The Arts Learning Loss grant addressed learning loss in the arts classroom due to the pandemic. The grant was open to ABC Certified Schools with low-income student populations of 60 percent or higher. Twenty schools in 15 counties received grants of up to \$5,000.
  - The Term Arts Education grant supported quality arts education programs for K-12 students during the school term through both traditional providers and other organizations. Forty-three grants of up to \$15,000 were awarded in 13 counties.
  - The Summer Arts Education Projects grant spans two summers and three fiscal years (FY2022-2024), with funding of up to \$25,000 per summer. The grant supports arts education programs for K-12 students between school years, through both traditional and non-traditional providers. The grant funded 62 projects in 18 counties.
- Three schools became newly Certified Arts in Basic Curriculum (ABC) schools -- Hendrix Elementary IB World School (Spartanburg County School District Two), Beaufort Elementary School (Beaufort County School District), and Angel Oak Elementary School (Charleston County School District). ABC Certified Schools commit to implementing and maintaining standards-based arts curricula and making the arts an integral part of the basic curriculum and daily classroom instruction. An ABC Institute specialist worked with school districts that do not have arts teachers, cultivating relationships with schools across the state and distributing toolkits in 31 counties.

### **Artist Development**

- The Artist & Entrepreneur Incubator (AEI) completed year two with a change in structure to allow more artists to participate. Instead of a series offered over several months, the same content was offered three times in six-week sessions from October – June. AEI is a series of discipline-based interactive workshops for S.C. artists interested in transitioning their craft into a business. Nineteen artists attended over the course of nine months.
- The Emerging Artist Grant returned for a third year. In addition to a grant of up to \$1,500, six artists benefited from mentorship and professional support facilitated by the Artist Development Director. The grant and support are intended to deepen artistic practice and foster artistic excellence; encourage career growth, advancement, and sustainability; and provide professional development and opportunities for collaboration.

### **Arts Industry**

- A leadership- and capacity-building initiative, Emerging Arts Leaders was formed to nurture and strengthen emerging arts leaders and their organizations. Participants meet with the Arts Industry Director four times a year.
- S.C. Arts Network (SCAN) was created to provide networking and resource sharing opportunities to enhance leadership capacity and develop innovative, effective, and sustainable arts management practices. SCAN members convened monthly with a guest speaker to discuss industry issues, including fundraising, program development, and social media engagement. Average attendance was 15 participants.

# SOUTH\* CAROLINA ARTSCOMMISSION

## FY25 Budget Request

- The Arts Commission's fundamental goal is to promote equitable access to the arts and support the cultivation of creativity in South Carolina.
- This is accomplished through support of a growing statewide network of arts providers.

### \*New recurring funding

We request **\$3,000,000 in new recurring funds** to establish and staff six Arts Commission Hubs located strategically around the state.

#### JUSTIFICATION

The SCAC's three-year partnership with the Department of Education resulted in **Arts Grow SC**, which in FY22 began using the arts to focus on pandemic-related learning loss and after-school and summer learning opportunities.

Arts Grow SC has **revolutionized arts learning partnerships** throughout South Carolina, bringing together more than 25 partners—with many of the same priorities—to form partnerships to serve K-12 students from rural and urban districts alike.

The SCAC is seeking an FY25 funding increase of \$3 million to **establish and staff six hubs across the state** to place programming assistance and new grant opportunities in communities that would benefit the most. (Funding for six new FTEs is included in this request.)

The six hubs:

- would **expand new partnerships and further their reach** to additional communities
- and would be staffed by new SCAC staff members who live in the communities being served.

It is the SCAC's desire that all see benefit from **easier access to the benefits of the arts**, not just in learning, but in economic vitality and quality of life. This additional funding would **expand on proven methods** that accomplish those goals.

Dee Crawford,  
Chairman

David T. Platts,  
Executive Director

### The South Carolina Arts Commission...

- is the only state organization charged with supporting and providing leadership for the arts statewide.
- works to ensure that all S.C. citizens and visitors benefit from opportunities for rewarding arts experiences, with emphasis on rural, high poverty and minority communities.

### FY23 Grantmaking

Awarded \$11,079,412 through 623 grants to support community arts activities, artists, and in- and out-of-school arts learning programs around the state.

FY23 Impact

**\$11,079,412**  
distributed through  
623 grants

2.5 million arts experiences for residents and visitors in 2022, according to data from SCAC grantees.

This map is a visual representation of how the South Carolina Arts Commission distributes public funding back to communities in the state's 46 counties as grants\*, which often require a 1:1 match or more in local investment, and programs that provide citizens and visitors equal access to the many documented benefits of the arts.

- Arts in Basic Curriculum (ABC) Instructure sites  
This partnership's broad reach is shown by the 18 counties marked on the map.

### Folklife & Traditional Arts

#### Grants

- Folklife & Traditional Arts Project  
Grants support non-profit organizations that seek to promote and preserve the traditional arts practiced across the state.
- Traditional Arts Apprenticeship Initiative (Also ●)  
Apprenticeships support mentor artists who seek to pass their artistic and cultural knowledge to qualified apprentices who in turn gain the skills needed to pursue the art form beyond the apprenticeship.

### Additional grants and programs

- Accessibility grants  
Help arts organizations make programs and existing facilities accessible to South Carolinians with disabilities.
- S.C. Cultural Districts  
Strollable, easily identifiable geographic areas that have a concentration of cultural facilities, activities and assets and serve as centers of cultural, artistic and economic activity. The SCAC is authorized to grant official state designation to cultural districts.
