The Education Oversight Committee, 30 as established in Chapter 6, Title 59, is responsible for determining 31 if an eligible school meets the criteria established by subsection 32 (A)(1), and shall publish an approved list of such schools meeting 33 the criteria. If an independent school does not apply to be an 34 eligible school, the independent school may not be published as an 35 approved school, and contributions to that school shall not be 36 allowed for purposes of the credit allowed by this paragraph. - (3) Any independent school not determined to be an eligible school pursuant to the provisions of this paragraph may seek review by filing a request for a contested case hearing with the Administrative Law Court in accordance with the court's rules of procedure.
- (4) The Education Oversight Committee, after consultation with its nine-member advisory committee, may exempt an independent school having students with exceptional needs who receive scholarship grants pursuant to this paragraph from the curriculum requirements of subsection (A)(1)(d).
- 38 (H) (1) By August first of each year, each nonprofit scholarship 39 <u>funding organization must apply to the Department to be considered</u> 40 <u>an eligible organization for which its contributors are allowed the</u> 41 <u>tax credit allowed by this paragraph. If a nonprofit scholarship</u> 42 <u>funding organization does not apply, the organization may not be</u> 43 <u>published as an approved organization, and contributions to that</u>

organization shall not be allowed for purposes of the credit allowed by this paragraph. A nonprofit scholarship funding organization's application must contain:

- (a) the number and total amount of grants issued to eligible schools in the preceding fiscal year;
- 6 (b) for each grant issued to an eligible school in the
  7 preceding fiscal year, the identity of the school and the amount of

  - (g) a certification by the organization that it meets the definition of a nonprofit scholarship funding organization as that term is defined in subsection (A)(4) and that the report is true, accurate, and complete under penalty of perjury in accordance with Section 16-9-10.
  - (2) By receiving the application materials and approving the organization as an eligible organization pursuant to item (1), the department is not determining that the organization meets all of the requirements of a qualified nonprofit scholarship funding organization and the organization remains subject to examination as provided for pursuant to subsection (1).
  - (3) The department has authority to disclose the names of qualifying nonprofit scholarship funding organizations to the Education Oversight Committee. The department also may disclose to the Education Oversight Committee the names of organizations that applied but were not qualified by the department and those organizations whose eligibility has been revoked in accordance with subsection (I)(2), as well as the reason the application of the organization was not accepted or the reason its qualification was revoked.
- 40 <u>(4) By September first of each year, the Education</u>
  41 <u>Oversight Committee must publish on its website a list of all</u>
  42 <u>qualifying nonprofit scholarship funding organizations, provided by</u>
  43 the department, to include their names, addresses, telephone

numbers, and if available, website addresses. Also, the results of the audit required by item (1)(e) must be published with the list.

(1) (1) The department has authority to oversee, audit, and examine the nonprofit scholarship funding organizations, including determining whether the nonprofit scholarship funding organization is being operated in a manner consistent with the requirements for an IRC Section 501(c)(3) organization or is in compliance with any other provision of this paragraph.

(2) (a) If at any time during the year, the department has evidence, through audit or otherwise, that a nonprofit scholarship funding organization is not being operated in a manner consistent with the requirements for operating an IRC Section 501(c)(3) organization or is not in compliance with any other provision of this paragraph, the department may immediately revoke the organization's participation in the program and must notify the organization and the Education Oversight Committee in writing of the revocation.

(b) Notice of Revocation may be provided to the organization by personal delivery to the organization, by first class mail to the last known address of the organization, or by other means reasonably designed to provide notice to the organization.

(c) Any donations made following the date the notice of revocation is received by the organization or in the case of delivery by mail ten days after the notice of revocation was mailed, will not qualify for the credit and the donated funds must be returned to the donor by the organization. This paragraph shall not limit the department's authority to deny any tax credit or other benefit provided by this paragraph if the circumstances warrant.

(d) (i) Within thirty days after the day on which the organization is notified of the revocation, the organization may request a contested hearing before the Administrative Law Court. Within thirty days after a request for a contested case hearing is received by the Administrative Law Court, an administrative law judge shall hold the contested case hearing and determine whether the revocation was reasonable under the circumstances. The department has the burden of proof of showing that the revocation was reasonable under the circumstances. The revocation is 'reasonable' if the department has some credible evidence to believe that the organization is not being operated in a manner consistent with the requirements for operating an IRC Section 501(c)(3) organization or is not in compliance with any other provision of this paragraph. The decision made by the administrative law judge is final and conclusive and may not be reviewed by any court. If the

organization does not request a contested case hearing within thirty
 days of the immediate revocation, the revocation shall become
 permanent.

(ii) If the administrative law judge determines that the revocation was reasonable, the administrative law judge shall remand the case to the department to issue a department determination for permanent revocation within the time period determined by the judge. The organization may appeal this department determination in accordance with Section 12-60-460. At the contested case hearing on the department determination, the parties can raise new issues and arguments in addition to those issues and arguments previously presented at the revocation h<u>earing.</u>

(iii) If the administrative law judge determines that immediate revocation is not reasonable, the revocation shall be lifted and the organization may resume accepting donations and award scholarships hereunder. The department may still issue a department determination in accordance with Section 12-60-450(E)(2).

(iv) If at any time during the process, the department believes the organization is in compliance, the department, in its sole discretion, may reinstate the organization and notify the Education Oversight Committee.

(v) Following the permanent revocation of a nonprofit scholarship funding organization, the Education Oversight Committee has the authority to oversee the transfer of donated funds of the revoked organization to other nonprofit scholarship funding organizations.

(J) A nonprofit scholarship funding organization may transfer funds to another nonprofit scholarship funding organization, especially in the event that the organization cannot distribute the funds in a timely manner or if the organization ceases to exist. None of the funds that are transferred by one nonprofit scholarship funding organization to another may be considered by the former organization when calculating its administrative expenses.
