Administration: Rule 608 Appointment	SCCID is requesting a \$1,000,000 increase in Other Funds Authorization to allow the agency to expand the legal services provided to parents in DSS Abuse & Neglect cases. Funding for this authorization is pursuant to a Memorandum of Understanding between SCCID and DSS which reimburses SCCID a percentage of the allowable costs associated with the legal representation of qualified individuals under the Title IV (E) program under the Social Security Act. 61.7	Defense of Indigents Civil Action Application Fee	<p>This provision establishes a \$40 Civil Application Fee for any one who is represented by appointed counsel for specific identified civil court actions. The amended language would require the Clerk of Court collect the \$40 Civil Application Fee and remit to the State Treasurer (not directly to Indigent Defense). The Clerk's of Court Offices have been lumping the \$40 PD Application fee (Proviso 61.1) and the \$40 Civil Application Fee together. This will require the Clerk's separate the two fees when submitting to the State Treasurer so the Commission can then distribute the funds for their intended purposes. **ACCOUNTABILITY
OF FUNDS**

This funding request is based upon the Strategy 1.1 Enhance the Circuit Public Defender System. The Other Funds Authorization request will allow SCCID to use federal funds provided by DSS through a Memorandum of Understanding to enhance the quality of parent representation provided in Abuse & Neglect cases by including additional professional services, training for attorneys, earlier appointment of counsel and other resources to increase the quality of representation.

What specific strategy, as outlined in the most current Strategic Planning and Performance Measurement template of agency's accountability report, does this funding request support? How would this request advance that strategy? How would the use of these funds be evaluated?

**RECIPIENTS OF
FUNDS**

The funds are provided as a reimbursement of expenditures provided through a MOU between SCCID and DSS and will be used to procure professional services from Social Workers, investigators and additional services deemed necessary in the representation of clients of the civil court appointed attorney.

What individuals or entities would receive these funds (contractors, vendors, grantees, individual beneficiaries, etc.)? How would these funds be allocated – using an existing formula, through a competitive process, based upon predetermined eligibility criteria?

**JUSTIFICATION OF
REQUEST**

SCCID is requesting a \$1,000,000 increase in Other Funds Authorization to allow the agency to expand the legal services provided to parents in DSS Abuse & Neglect cases. Funding for this authorization is pursuant to a Memorandum of Understanding between SCCID and DSS which reimburses SCCID a percentage of the allowable costs associated with the legal representation of qualified individuals under the Title IV (E) program under the Social Security Act. This reimbursement is an enhancement program to ensure that both the Title IV (E) eligible child in foster care and that child's parents are prepared for and participate in all stages of foster care related legal proceedings.

Please thoroughly explain the request to include the justification for funds, potential offsets, matching funds, and method of calculation. Please include any explanation of impact if funds are not received. If new positions have been requested, explain why existing vacancies are not sufficient.

**ACCOUNTABILITY
OF FUNDS**

This funding request is based upon the Strategy 2.1 Provide mandatory training program for all new Public Defenders and contract attorneys. The project will emphasize training for all attorneys defending indigent juvenile offenders. The intensified training will build upon the training function already established in the state's Commission on Indigent Defense, coordinated by Juvenile Defender Advocate who will serve as a resource for juvenile defense attorneys.

What specific strategy, as outlined in the most current Strategic Planning and Performance Measurement template of agency's accountability report, does this funding request support? How would this request advance that strategy? How would the use of these funds be evaluated?

**RECIPIENTS OF
FUNDS**

SCCID received a federal grant from the US Department of Justice, through the Office of Juvenile Justice and Delinquency Prevention for 3 years. The grant ended in December of 2022 and we are asking that the federal authorization be removed from our budget for FY24-25.

What individuals or entities would receive these funds (contractors, vendors, grantees, individual beneficiaries, etc.)? How would these funds be allocated – using an existing formula, through a competitive process, based upon predetermined eligibility criteria?

**JUSTIFICATION OF
REQUEST**

SCCID is requesting \$121,477 in Federal Funds Authorization for the third year of a three-year grant from the Office of Juvenile Justice and Delinquency Prevention under the US Department of Justice. The grant ended in December of 2022 and that agency is asking that the federal funds authorization of \$121,477 be removed from the budget for the FY24-25.

Please thoroughly explain the request to include the justification for funds, potential offsets, matching funds, and method of calculation. Please include any explanation of impact if funds are not received. If new positions have been requested, explain why existing vacancies are not sufficient.

**SUMMARY &
EXPLANATION**

This provision establishes a \$40 Civil Application Fee for anyone who requests the appointment of counsel for specific identified civil court actions. The amended language would require the Clerk of Court to collect the \$40 Civil Application Fee and remit it to the State Treasurer and not directly to the Commission on Indigent Defense. The Clerks of Court Offices have been combining the collected \$40 PD Application fee (Proviso 61.1) and the \$40 Civil Application Fee and remitting it to the Treasurer under the PD Application collections. This amendment will require the Clerk's to separate the two fees when submitting them to the Treasurer's Office. The Treasurer's Office would itemize the distributions and the Commission can then track the collections and distribute the funds for their intended purposes.

Summarize the existing proviso. If requesting a new proviso, describe the current state of affairs without it. Explain the need for your requested action. For deletion requests due to recent codification, please identify SC Code section where language now appears.

FISCAL IMPACT

None. The Clerks of Court Office would remit the \$40 civil application fee to their County Treasurer's Office, who would in turn transfer the funds to the State Treasurers Office and those funds would be sent to SCCID on a monthly basis along with other funds that the Treasurer's Office collects and remits to SCCID.

Provide estimates of any fiscal impacts associated with this proviso, whether for state, federal, or other funds. Explain the method of calculation.

If it appears that the person has some assets but they are insufficient to employ private counsel, the court, in its discretion, may order the person to pay these assets or a portion thereof to the ~~State Treasurer's Office on a monthly basis separate from the application fee collected pursuant to Section 17-3-30(B)~~ **Commission on Indigent Defense**.

(C) In matters in which a juvenile is brought before a court, the parents or legal guardian of such juvenile shall execute the above affidavit based upon their financial status and shall be responsible for paying any fee. In matters concerning juveniles, the parents or legal guardians of said juvenile, shall be advised in writing of this requirement at the earliest stage of the proceedings against said juvenile.

(D) Nothing contained above shall restrict or hinder a court from appointing counsel in any emergency proceedings or where existing statutes do not provide sufficient time for an individual to complete the application process.

(E) The appointment of counsel, as herein before provided, creates a claim against the assets and estate of the person who is provided counsel or the parents or legal guardians of a juvenile in an amount equal to the costs of representation as determined by a voucher submitted by the appointed counsel and approved by the court, less that amount that the person pays to the appointed counsel.

(F) Such claim shall be filed in the office of the clerk of court in the county where the person is assigned counsel, but the filing of a claim shall not constitute a lien against real or personal property of the person unless, in the discretion of the court, part or all of such claim is reduced to judgment by appropriate order of the court, after serving the person with at least thirty days' notice that judgment will be entered. FORM E – AGENCY COST SAVINGS AND GENERAL FUND REDUCTION CONTINGENCY PLAN

TITLE Agency Cost Savings and General Fund Reduction Contingency Plan

AMOUNT \$1,485,338
What is the General Fund 3% reduction amount? This amount should correspond to the reduction spreadsheet prepared by EBO.

**ASSOCIATED FTE
REDUCTIONS**

No reduction in State Authorized FTE's. However, a reduction in Defense of Indigent Per Capita funding could result in a loss of public defender positions, which are county positions, but partially or fully funded with State Defense of Indigents Per Capita funds.

How many FTEs would be reduced in association with this General Fund reduction?

**PROGRAM/ACTIVITY
IMPACT**

- I. Administration
 - Rule 608 Appointment
 - II. Office of Circuit Public Defender
 - Defense of Indigents/Per Capita

What programs or activities are supported by the General Funds identified?

AGENCY NAME:	Commission on Indigent Defense		
AGENCY CODE:	E230	SECTION:	61

SUMMARY

If the 3% General fund reduction were to be implemented, SCCID would take the cuts from our budget lines as follows:

Rule 608 Appointment	(856,166)
Defense of Indigent per capita	(629,172)
SCCID 3% Reduction	(1,485,338)

This reduction would decrease this agency's ability to fund the much-needed legal representation for the indigent citizens of South Carolina. The reduction of these funds means that the county Public Defender Offices will not be able to fund attorney positions to efficiently handle cases that are brought to court, thus increasing the caseloads of the already strained public defenders working in the 16 judicial circuits. The reduction in staff could cause the court docket to slow down even further thus creating additional problems for other agencies of the State, local law enforcement, etc. The reduction of funds for the Rule 608 Appointment, would mean that SCCID would not be able to pay the private contract attorneys for handling the cases of the indigent citizens of South Carolina and would also increase the backlog of cases, which has grown exponentially due to court closures during COVID.

Please provide a detailed summary of service delivery impact caused by a reduction in General Fund Appropriations and provide the method of calculation for anticipated reductions. Agencies should prioritize reduction in expenditures that have the least significant impact on service delivery.

AGENCY COST SAVINGS PLANS

SCCID continues to look for ways to be more efficient with less resources. In FY23, SCCID did not fill four FTE positions within the agency and have absorbed those job responsibilities within the existing staff.

What measures does the agency plan to implement to reduce its costs and operating expenses by more than \$50,000? Provide a summary of the measures taken and the estimated amount of savings. How does the agency plan to repurpose the savings?

AGENCY'S DISCUSSION AND ANALYSIS

The South Carolina Commission on Indigent Defense (SCCID) continued to strengthen and fulfill the mission of our statewide public defender system which was created in 2007. The Agency held regular meetings with the Circuit Public Defenders to address the numerous issues resulting from COVID-19's effects on court operations. The Agency along with Circuit Defenders developed a plan to hire temporary contract attorneys to assist in moving the backlog of cases. Over a two-year period, ending on June 30, 2023, those attorneys have handled 18,751 warrants.

In October of 2019, SCCID was awarded a Federal Grant from the Office of Juvenile Justice Delinquency Prevention Program for a period of 3 years. During the FY21-22 legislative session, the General Assembly approved the agency's request to covert this position to a State funded FTE, upon expiration of the grant. In December of 2022 this grant position was converted to a State funded position. This position continues to address issues in the state's juvenile defense system by equipping lawyers with skills to prevent youth from being unnecessarily incarcerated, and to assist youth in remaining in the community or re-entering the community with reduced risk of recidivism. This position continues to emphasize training for all attorneys defending indigent juvenile offenders. The intensified training builds upon the training function already established by the state's Commission on Indigent Defense, coordinated by the Juvenile Defender Advocate, who serves as a resource for juvenile defense attorneys. The training includes specialized topics regarding the ability of juvenile defense counsel to advocate for placement decisions to reduce juvenile prospects of re-offending and promote successful reentry if placed out of their homes.

SCCID continued quarterly meetings with the Circuit Public Defenders and maintained open communication lines with all. SCCID continued to expand its training program. SCCID successfully conducted its 9th annual Public Defense 100 training series for new public defenders entering the system from throughout the state. The program consists of three multi-day seminars and workshops focusing on case analysis and trial advocacy. SCCID has also expanded its training to include attorneys, who contract with the agency, to represent indigent clients in cases where the public defender has a conflict. In addition to its ongoing training programs, SCCID will continue to present seminars on new and developing areas in the law to assure that clients receive knowledgeable and effective representation. The Agency also implemented new training for Commission members by instituting a 2-day seminar the will now be an annual event.

The agency entered its 11th year of contracting with private attorneys to handle Criminal Conflicts, Family Court, PCR and SVP cases. Contracts are awarded on a one-year basis to attorneys throughout the state. This program, which effectively supplants the Rule 608 court-administered program, continues to be highly successful and efficient in moving cases, and continues to receive universal approval from judges, participating attorneys, prosecutors, and agencies that are involved. Only the most qualified attorneys are selected for contracts which are awarded by a committee consisting of representatives of the agency, the SC Bar, the Commission, and the Circuit Public Defenders. The results of the contract system have been to eliminate calendar conflicts, move the dockets faster, reduce the number of potential appeals, and provide quality representation. The agency continued its partnership with the USC Law School's Children's Law Center to co-host seminars on Family Law issues for contract attorneys and public defenders handling juvenile criminal cases. SCCID fully participates in the Bench and Bar Committee for Family Law and has a well-established cooperative relationship with all interests which are represented on

the committee including DSS, DJJ, Court Administration, GAL Program, Family Court Judges, and other key personnel in the Family Court.

The agency continues to monitor and review its policies and guidelines and their application by service providers, including private investigators, contract attorneys and other counsel appointed by the courts. We have frequently requested hearings or telephone conferences with judges and counsel to address requests for attorney fee/expert witness fees that exceed caps, policies and guidelines, or to establish an agreement as to caps on fees and experts in many cases. This involvement has resulted in a much more efficient use of limited state resources. While it has taken many years to reach this point, nearly all participants in the system now recognize that the agency does carefully monitor and audit voucher requests for payment of fees and costs that do not appear reasonable. The contract system, because of its flat fee structure, has resulted in a more efficient voucher processing system. Due to this increased efficiency, the agency has not had to fill a voucher processing position after the position became vacant.

We continue to work very diligently to have municipalities with their own optional courts provide resources for indigent representation. As a result, in a growing number of municipalities, the municipality and the circuit public defender have entered into contracts for indigent representation. The legislature overwhelmingly again approved Proviso 61.11, which requires adequate funding by municipalities that chose to have a municipal court. This requirement continues to fulfill a long-term goal of the Commission and the agency and is a significant achievement in both providing access to justice at the municipal level and having the funding source for it as well.

The agency continued support and program planning for the SC Public Defender Association for their annual training conference (SCCID successfully implemented an online option for those unable to attend in person); co-sponsoring with the USC School of Law's Children's Law Center seminars on juvenile issues for both public defenders and private bar contract attorneys; its arrangement with the Nelson Mullins law firm to provide pro bono appellate attorneys to assist the agency's appellate division in brief writing and oral arguments of selective cases before the state's appellate courts to help alleviate the crushing caseload that our appellate division must handle.

The position of Comptroller/Financial Analyst created in July of 2016 and filled in August of 2016 continues to serve a crucial function for the agency. This position provides the agency with an uninterrupted focus on its finances and their sources, which can be very complex to understand and follow, and allows us to pursue financial audits of fee and fine allocations. It has also allowed the Assistant Director position to focus entirely on administrative and personnel matters and supervise voucher processing and payment. This has resulted in a much smoother and more cost-effective operation of the agency with increased accountability. In addition, there is continued publishing of weekly (every Monday) financial reports with year to date and supporting information and side-by-side comparisons of 3 consecutive fiscal years; continued adjustments in agency operational priorities as necessary and close monitoring of fees and fines revenue designated for agency receipt.

The Agency has continued to work on ways to give and receive employee feedback. In March 2023 supervisors met and evaluated each employee's performance, outlining any areas for improvement, highlight things they have done well, and accept feedback on each employee's assessment of the Agency's performance. The Agency also implemented a policy that all employees leaving the Agency will complete an exit interview. This will provide the Agency with information concerning tasks we may be doing well and those tasks we may can improve on.

In November 2018, the House Legislative Oversight Committee conclude their review of SCCID and provided their final recommendations. SCCID has completed many of these recommendations and continues to work on the others. The Agency received positive feedback from the Committee for the

preparation and extensive compilation of Agency data This process has required substantial work and production of documents, many of which can be found posted on the SC Legislature website (<https://www.scstatehouse.gov/>) under the tab "Committee Postings and Reports". There you can also find video archives of each of the meetings.

During the FY22-23 Legislative Session, the agency successfully advocated for \$11,200,733 to hire 48 new Public Defenders and retain critical attorneys and staff. 1	Recurring	Increase in Other Funds Authorization I. Administration: Rule 608 Appointment	SCCID is requesting a \$1,000,000 increase in Other Funds Authorization to allow the agency to expand the legal services provided to parents in DSS Abuse & Neglect cases. Funding for this authorization is pursuant to a Memorandum of Understanding between SCCID and DSS which reimburses SCCID a percentage of the allowable costs associated with the legal representation of qualified individuals under the Title IV (E) program under the Social Security Act. This reimbursement is an enhancement program to ensure that both the Title IV (E) eligible child in foster care and that child's parents are prepared for and participate in all stages of foster care related legal proceedings.			1,000,000		1,000,000		
2	Recurring	Decrease in Federal Funds Authorization	SCCID is requesting a reduction in federal funds authorization of \$121,477 for FY24-25 because the 3 year grant from the Office of Juvenile Justice and Delinquency Prevention expired in December of 2022.				(121,477)	(121,477)

SCCID FY24-25 PROVISOR REQUEST SUMMARY

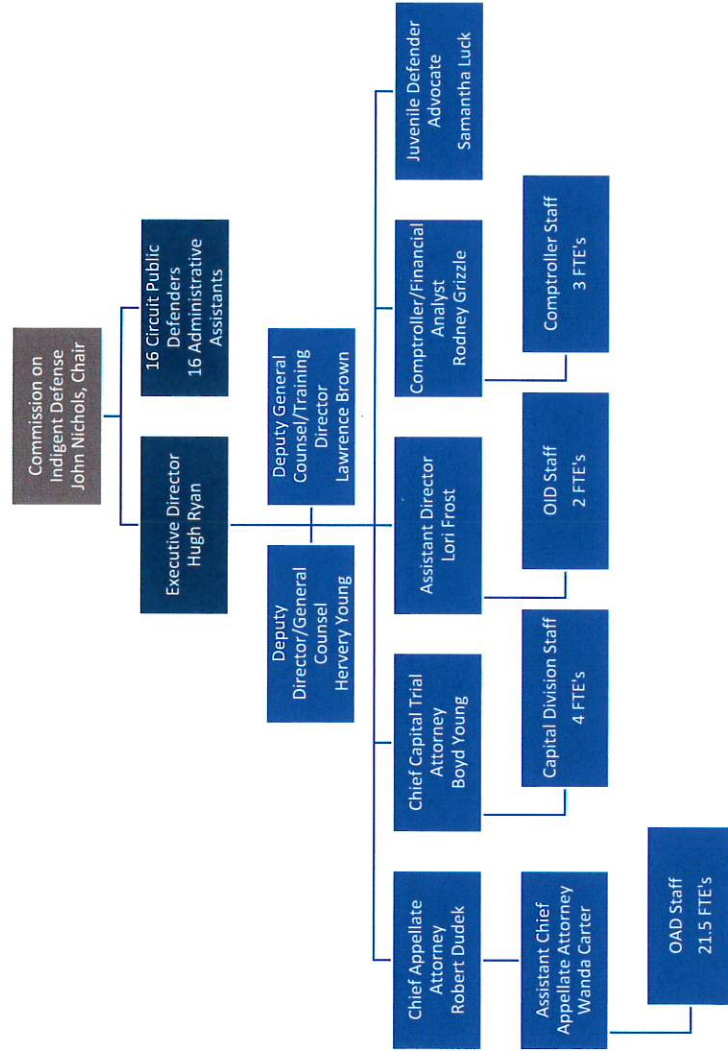

Law Enforcement and Criminal Justice Subcommittees				
Proviso Request Summary				
Renumbered FY 24-25 Proviso #	Proviso Title	Short Summary	Recommended Action	Proviso Language
61.7	Defense of Indigents Civil Action Application Fee	<p>This provision establishes a \$40 Civil Application Fee for any one who is represented by appointed counsel for specific identified civil court actions. The amended language would require the Clerk of Court collect the \$40 Civil Application Fee and remit to the State Treasurer (not directly to Indigent Defense). The Clerk's of Court Offices have been lumping the \$40 PD Application fee (Proviso 61.1) and the \$40 Civil Application Fee together. This will require the Clerk's separate the two fees when submitting to the State Treasurer so the Commission can then distribute the funds for their intended purposes. (\$40 PD fee for public defender operations and \$40 Civil fee for civil, predominately Family Ct. DSS matters.</p>	AMEND	<p>(INDEF: Defense of Indigents Civil Action Application Fee) (A) A person requesting appointment of counsel in any termination of parental rights (TPR), abuse and neglect, or any other civil court action in this state shall execute an affidavit that the person is financially unable to employ counsel and that affidavit shall set forth all of the person's assets. This affidavit must be completed before counsel may be appointed. If it appears that the person has some assets but they are insufficient to employ private counsel, the court, in its discretion, may order the person to pay these assets or a portion thereof to the State Treasurer's Office on a monthly basis separate from the application fee collected pursuant to Section 17-3-30(B). Commission on Indigent Defense.</p> <p>(B) A forty dollar application fee for appointed counsel services must be collected from every person who executes an affidavit that they are financially unable to employ counsel. The person may apply to the court, the clerk of court, or other appropriate official for a waiver or reduction in the application fee. If it is determined that the person is unable to pay the application fee, the fee may be waived or reduced, provided that if the fee is waived or reduced, the clerk or appropriate official shall report the amount waived or reduced to the trial judge and the trial judge shall order the remainder of the fee paid by a time payment method or such method as the trial judge deems appropriate. The clerk of court or other appropriate official shall collect the application fee imposed by this section and remit the proceeds to the Commission on Indigent Defense State Treasurer's Office on a monthly basis separate from the application fee collected pursuant to Section 17-3-30(B). The monies must be deposited in an interest-bearing account separate from the general fund and used only to provide for indigent defense services. The monies shall be administered by the Commission on Indigent Defense. The clerk of court or other appropriate official shall maintain a record of all persons applying for representation and the disposition of the application and shall provide this information to the Commission on Indigent Defense on a monthly basis as well as reporting the amount of funds collected or waived.</p> <p>(C) In matters in which a juvenile is brought before a court, the parents or legal guardian of such juvenile shall execute the above affidavit based upon their financial status and shall be responsible for paying any fee. In matters concerning juveniles, the parents or legal guardians of said juvenile, shall be advised in writing of this requirement at the earliest stage of the proceedings against said juvenile.</p> <p>(D) Nothing contained above shall restrict or hinder a court from appointing counsel in any emergency proceedings or where existing statutes do not provide sufficient time for an individual to complete the application process.</p> <p>(E) The appointment of counsel, as herein before provided, creates a claim against the assets and estate of the person who is provided counsel or the parents or legal guardians of a juvenile in an amount equal to the costs of representation as determined by a voucher submitted by the appointed counsel and approved by the court, less that amount that the person pays to the appointed counsel.</p> <p>(F) Such claim shall be filed in the office of the clerk of court in the county where the person is assigned counsel, but the filing of a claim shall not constitute a lien against real or personal property of the person unless, in the discretion of the court, part or all of such claim is reduced to judgment by appropriate order of the court, after serving the person with at least thirty days' notice that judgment will be entered. When a claim is reduced to judgment, it shall have the same effect as judgments, except as modified by this provision.</p>
