

Representative **Murrell Smith** proposes the following amendment:

General Proviso - 117

New:

117.Tel. (GP: South Carolina Telemedicine Network) From the funds appropriated to the Medical University of South Carolina for the MUSC Hospital Authority for Telemedicine and the funds appropriated and authorized for the Department of Health and Human Services, the agencies must continue the development of the South Carolina Statewide Telemedicine Network. The South Carolina Telehealth Alliance shall submit a proposal to the MUSC Hospital Authority and the Department of Health and Human Services to determine which hospitals, clinics, schools or other entities are best suited for Telemedicine partnerships.

(A) the Department of Health and Human Services shall develop or continue a program to leverage the use of teaching hospitals to provide rural physician coverage by expanding the use of Telemedicine, to include new applications such as School Based Telehealth, and Tele-ICU.

(B) during the current fiscal year the Department of Health and Human Services shall contract with the MUSC Hospital Authority in the amount of \$9,000,000 to lead the development and operation of statewide, open access, South Carolina Telemedicine Network. Institutions and other entities participating in the network must be afforded the opportunity to meaningfully participate in the development of any annual refining to the initiative's strategic plan. Working with the department, the MUSC Hospital Authority shall collaborate with Palmetto Care Connections to pursue this goal. No less than \$1,000,000 of these funds shall be allocated toward support of Palmetto Care Connections and other hospitals in South Carolina. The MUSC Hospital Authority must provide the department with quarterly reports regarding the funds allocation and progress of telemedicine transformation efforts and networks. These reports must include an itemization of the ultimate recipients of these funds, whether vendors, grantees, specific participating institutions, or the Medical University of South Carolina, and must distinguish between funds allocation to the university as a participating institution as opposed to those retained and used by the university in its capacity as the administering entity for the network.

(C) the MUSC Hospital Authority shall publish a summary report to the Governor and the General Assembly indicating the overall progress of the state's telemedicine transformation by March 1, 2018.
