1A.58. (SDE-EIA: Technology Professional Development) ~~Of the funds appropriated in Section VIII.C.3 for Professional Development, \$4,000,000 shall be designated for use as professional development for the use of classroom technology. Funds designated for technology-related professional development shall be distributed to each school district or special school in proportion to the previous year's one hundred thirty five day average daily membership. Districts must report by June fifteenth of the current fiscal year on the amount of funds expended, the types of activities funded by the district, and the number of teachers participating in the activity on a form prescribed by the department.~~
