Candidate for Judge of the Circuit Court, At-Large, Seat 12

AMENDMENT TO PDQ

Originally mailed on Friday July 10, 2020 and received as complete on Monday July 13, 2020

36. Itemize (by amount, type, and date) all expenditures, other than those for travel and room and board, made by you, or on your behalf in furtherance of your candidacy for the position you seek. If you have spent over \$100, have you reported your expenditures to the House and Senate Ethics Committees?

I need to amend my Personal Data Questionnaire as it pertains to the above question. On August 31, 2020 I spent one hundred seventy-six dollars and forty-nine cents (\$176.49) at Office Depot on paper, envelopes and postage in order to prepare and send cover letters and information sheets to members of the General Assembly.

I have mailed letters to both the House and Senate Ethics Committees notifying them of this expenditure.

AMENDMENT TO PDQ

Originally mailed on Friday July 10, 2020 and received as complete on Monday July 13, 2020

47. Have you ever been sued by a client? Have you ever been a named party (personally or professionally) in or had a pecuniary interest in any civil or criminal proceedings? If so, give details, including, but not limited to, dates, and resolutions.

I spoke with a current client of mine named John Lawrence Barfield on the afternoon of Friday, July 17, 2020. During that conversation he told me that he had filed a civil action against me and that he had a case number. He did not tell me which court he had filed the action in, nor did he tell me what cause or causes of action he is claiming. In fact, I do not have any other information regarding any potential civil suit he may have filed against me. Merely him saying that he had done so.

AMENDMENT TO PDQ

47. Have you ever been sued by a client? Have you ever been a named party (personally or professionally) in or had a pecuniary interest in any civil or criminal proceedings? If so, give details, including, but not limited to, dates, and resolutions.

I had previously amended my Personal Data Questionnaire to include information about a potential lawsuit that a client had filed against me. At the time of the first amendment, I did not really have any information other than my client telling me that he had filed a lawsuit against me. I would like to update that amendment by including that a lawsuit was indeed filed against me by my client, John Lawrence Barfield. The Civil Action Number is 8:20-cv-2634 DCN and it was filed on July 16, 2020. In the filing, he claimed that his Fifth and Fourteenth Amendments had been violated. He also claimed that I had assaulted him in front of two guards by stomping his foot. He claimed injuries to his toe and the top of his foot and asked for five thousand dollars in punitive damages. The action was dismissed without issuance and service of process by the Honorable David C. Norton on August 19, 2020.
