RE: Administrative Law Court, Seat 3

Dear Ms. Crawford:

I am writing to amend the answers to numbers 36 and 55 of my Personal Data Questionnaire. As detailed more fully below, I now have expenditures associated with my candidacy. Additionally, I inadvertently left off the contact information for the references I provided.

36. Itemize (by amount, type, and date) all expenditures, other than those for travel and room and board, made by you, or on your behalf in furtherance of your candidacy for the position you seek. If you have spent over \$100, have you reported your expenditures to the House and Senate Ethics Committees?

8/6/2020	Candidate Palm/Post Cards	\$63.54
8/6/2020	Candidate Business Cards	\$16.00
8/7/2020	Postage for Introduction Letters	\$93.50

These expenditures were reported to the House and Senate Ethics Committees.

55. List the names, addresses, and telephone numbers of five (5) persons from whom you are providing references. Also, provide the Commission with **original letters** of recommendation from each person listed herein, including their signature (preferably in blue ink). **The Commission will not accept a photocopy or electronic submission of a letter of recommendation and failure to include all five (5) original letters of recommendation in your packet when you submit it will render your packet incomplete.** Please **do not** have references mail your reference letters to the Commission directly. *You must return the five (5) original letters of recommendation to the Commission with your application.*
