Justices/judges applying for re-election to their current position may omit Questions 11–17. If you are a full-time judge seeking a judgeship different than your current position, Questions 11-17 should be answered based on your experience *prior to serving on the bench*.

11. Please answer the following:
- (a) If you are a candidate for Family Court, please provide a brief written description of your experience within each of the following Family Court practice areas: divorce and equitable division of property, child custody, adoption, abuse and neglect, and juvenile justice. Include information about cases you have handled in each of these practice areas, or if you have not practiced in an area, describe how your background and procedural knowledge has prepared you to preside over such matters as a Family Court judge. Please also indicate the frequency of your appearances before a Family Court judge within the past five years.
 - (b) If you are a candidate for Circuit Court, please provide a brief written description of your experience in criminal matters, including any cases handled over the past five years, and include a brief description of the issues involved. Further, please provide a brief written description of your experience in civil matters, including any cases handled over the past five years, and include a brief description of the types of matters handled, issues involved, and procedural history. Please include information such as the primary areas in civil court in which you practice, and whether you represent plaintiffs or defendants, or both. You may go back further than five years if you feel it would assist the Commission with its assessment of your experience. If you lack experience in an area, describe how your background and procedural knowledge has prepared you to preside over such matters as a Circuit Court judge, or how you would compensate for your lack of experience in this area. Please also indicate the frequency of your appearances before a Circuit Court judge within the past five years.

When I was an associate with Ellis, Lawhorne & Sims (formerly Nauful & Ellis) I tried 3 separate jury trials with a partner. Two of those jury trials involved defending insurance carriers in a personal injury (MVA) case. The third trial was a bailment case. These cases were tried before Judge Gary Clary, Judge Stephens, and Judge Costa M. Pleicones, respectively. I also had the privilege of being a law clerk for the Honorable C. Victor Pyle and observed civil and criminal trials for one year. Workers' Compensation appeals have allowed me to argue non-jury appeals before the Circuit Court prior to July 1, 2007. I have also had the opportunity to try many Workers' Compensation cases. These are evidentiary hearings and involve direct and cross-examination of witnesses. Workers' Compensation also involves medical issues/causation which is an aspect of personal injury/medical malpractice claims in the civil court. I have also served as a mediator for both civil and workers' compensation matters

I read the Advanced Sheets to try and keep up with criminal and civil law. I recently attended the Criminal Law Breakout session for the Greenville County Bar "Year End" CLE.

- (c) If you are a candidate for Master-In-Equity, please provide a brief written description of your experience in the Master's court, including any cases handled over the past five years, and include a brief description of the issues involved. Please include the frequency of your appearances before a Master-In-Equity or a Circuit Court judge within the past five years.

 - (d) other: Workers' Compensation Defense (85%), Mediator-civil and workers' compensation matters (15%).

How would your use of social media or other similar types of Internet sites be affected if you were serving in a judicial capacity?

I would not use social media other than for my own informational purposes. No posting or "likes" of any political/social issues. I am only on social media a couple times a week and would anticipate this reducing significantly.

57. List all civic, charitable, educational, social, and fraternal organizations of which you are or have been a member during the past five years and include any offices held in such a group, and any professional honors, awards, or other forms of recognition received and not listed elsewhere.

- (f) Upstate Volunteer Mediation Center (Board 2013-2020)(and served as Volunteer Mediator)

58. Provide any other information that may reflect positively or negatively on your candidacy, or which you believe should be disclosed in connection with consideration of you for nomination for the position you seek. This information may include how your life experiences have affected or influenced the kind or type of judge you have been or plan to be.

I would love the opportunity to be a public servant. Serving in this capacity has been on my heart for a long time. I believe my life, and practice of law, have been characterized by adherence to high ethical principles. I have a solid work ethic, including the exercise of self-discipline in my practice of law. I hope that I am seen as a man of integrity who is trustworthy. I am patient, open minded, compassionate, and try my best to be humble. I would be objective and impartial, just as I am as a Certified Mediator. I think the members of the Bar with whom I practice would have no doubt that I have the temperament required to be a judicial officer. While my practice has been primarily focused on workers' compensation defense, and not before the Circuit Court (except for appeals), I have the utmost confidence that I would serve South Carolina well as a trial judge. This has provided me a wealth of experience involving discovery, litigation, constant interaction with other attorneys due to volume of workers' compensation cases, and the ability to negotiate.

YOUR SIGNATURE WILL BE HELD TO CONSTITUTE A WAIVER OF THE CONFIDENTIALITY OF ANY PROCEEDING BEFORE A GRIEVANCE COMMITTEE OR ANY INFORMATION CONCERNING YOUR CREDIT.

I HEREBY CERTIFY THAT MY ANSWERS ARE TRUE AND COMPLETE TO THE BEST OF MY KNOWLEDGE.
