My service at the Administrative Law Court has been among the highlights of my legal career. As a judge, I have tried to emulate the good characteristics of the many excellent judges before whom I appeared while practicing law. I strive to be prepared, knowledgeable about the law and most importantly, fair and objective in all cases. It is vitally important to be attentive, respectful and courteous to the litigants. I always appreciated those judges who actively listened to the evidence and evaluated my legal arguments. Whether as a trial judge or when acting in an appellant capacity, I do my best to fairly evaluate the evidence and to fully address the legal arguments presented when reaching a decision.
