Originally submitted on August 15, 2025

9. List each college and law school you attended, including the dates of your attendance, the degrees you received, and if you left an institution without receiving a degree, the reason for your departure.

In reference to question 9(b), I would like to strike the portion of my graduating year from law school and change it from 2000 to 2001. The complete amended answer should read, The University of South Carolina School of Law, 1998-2001.

- 19(b). If you are a candidate for Circuit Court, please provide a brief written description of your experience in criminal matters, including any cases handled over the past five years, and include a brief description of the issues involved. Further, please provide a brief written description of your experience in civil matters, including any cases handled over the past five years, and include a brief description of the types of matters handled, issues involved, and procedural history. Please include information such as the primary areas in civil court in which you practice, and whether you represent plaintiffs, defendants, or both. You may go back further than five years if you feel it would assist the Commission with its assessment of your experience. If you lack experience in an area, describe how your background and procedural knowledge has prepared you to preside over such matters as a Circuit Court judge, or how you would compensate for your lack of experience in this area. Please also indicate the frequency of your appearances before a Circuit Court judge within the past five years.

I am supplementing my answer to include,

Since filing my application in August, I have taken a CLE on construction defect cases and a CLE on tort reform and liquor liability. I have also registered for a CLE on motor vehicle accidents.
