- (a) August 1999-December 2000; Law Offices of William S. Tetterton, Camden, South Carolina; General practice in civil litigation, criminal defense and family law. I was an associate primarily working in civil litigation and family law. I was not involved in administrative or financial management of office or trust accounts.
- (b) December 2000- Present; Jennings & Jennings, P.A., Bishopville, South Carolina; Broad general practice in areas of civil, criminal, domestic, real estate, probate and estate matters. The firm consisted of Jacob Jennings, Robert Jennings and Bryan Doby when I joined the firm. I became a partner in 2009. Mr. Robert Jennings died in 2011. Bryan Doby and I became sole shareholders in the firm in approximately 2013. Mr. Jacob Jennings continued to practice in an “of counsel” role until his retirement in 2020. Bryan and I made administrative and financial management decisions together, with Bryan being designated managing partner and dealing with most day-to-day administration and financial management. Bryan Doby became a Circuit Court Judge in December of 2024. Since that time, I have been the sole shareholder in the firm and have been solely responsible for the administrative and financial management of Jennings & Jennings, P.A., including all trust accounts.

Justices/judges applying for re-election to their current position may omit Questions 19–25. If you are a full-time judge seeking a judgeship different than your current position, Questions 19-25 should be answered based on your experience *prior to serving on the bench*.

19. Please answer the following:
- (a) If you are a candidate for Family Court, please provide a brief written description of your experience within each of the following Family Court practice areas: divorce and equitable division of property, child custody, adoption, abuse and neglect, and juvenile justice. Include information about cases you have handled in each of these practice areas, or if you have not practiced in an area, describe how your background and procedural knowledge has prepared you to preside over such matters as a Family Court judge. Please also indicate the frequency of your appearances before a Family Court judge within the past five years.

- (b) If you are a candidate for Circuit Court, please provide a brief written description of your experience in criminal matters, including any cases handled over the past five years, and include a brief description of the issues involved. Further, please provide a brief written description of your experience in civil matters, including any cases handled over the past five years, and include a brief description of the types of matters handled, issues involved, and procedural history. Please include information such as the primary areas in civil court in which you practice, and whether you represent plaintiffs, defendants, or both. You may go back further than five years if you feel it would assist the Commission with its assessment of your experience. If you lack experience in an area, describe how your background and procedural knowledge has prepared you to preside over such matters as a Circuit Court judge, or how you would compensate for your lack of experience in this area. Please also indicate the frequency of your appearances before a Circuit Court judge within the past five years.

In the past five years, I have handled criminal cases such as Murder (2020), DUI 2d/ Child Endangerment (2020), and Trafficking marijuana (2022). These cases involved issues such as the Protection of Persons and Property Act, probable cause issues applied to both a traffic stop and the execution of search warrant. Procedurally, the murder case was dismissed by the Court following a Duncan hearing. The DUI 2d/Child Endangerment was ended upon a plea to Reckless Driving. The Trafficking Marijuana case was disposed upon successful completion of PTI. During the last five years, I have handled other general sessions level offenses as well as magistrate level DUI offenses

In the last five years I have handled a wide range of civil matters in litigation. I estimate I have had between fifteen and twenty tort/negligence lawsuits (automobile, premises liability or other injury cases). In all these cases I represented plaintiffs. During this time, I have also handled approximately ten cases involving property disputes such as declarations of easements, quiet title actions, setting aside a deed due to undue influence or other ownership disputes. I have handled during this time approximately five lawsuits involving business disputes, such as breach of contract, debt collection, defense of debt collection, and disputes among members or shareholders of business entities. In cases that were not in the nature of tort claims, I represented both plaintiffs and defendants.

My experience in criminal and civil matters is relatively broad, but there are certainly practice areas I have not, or infrequently,

experienced. Construction disputes would be an example of an area I have not often dealt with, and I am sure there are others. I am willing and enjoy doing my own research, but do not have an any form of ego which inhibits me from calling on others with more experience for assistance or advice.

- (c) If you are a candidate for Master-In-Equity, please provide a brief written description of your experience in the Master's court, including any cases handled over the past five years, and include a brief description of the issues involved. Please include the frequency of your appearances before a Master-In-Equity or a Circuit Court judge within the past five years.

I represented the defendant in a complex business dispute including breach of contract, tort, and SCUTPA claims. I also pursued similar counterclaims on behalf of my client. The case involved extensive discovery, motion hearings, and an interlocutory appeal. Following remitter, a multi-day bench trial was heard in January of 2016. In addition to fact witnesses, both parties presented expert witnesses in areas such as accident reconstruction, DNA analysis and forensic pathology. The jury trial began September 23, 2019. The jury was unable to reach a unanimous verdict, resulting in a mistrial on October 2, 2019. Following the mistrial, the parties reached a settlement in March of 2020.
- (e) State v. Christopher Blake Kelly, Case No.: 2021GS100056. I represented defendant Christopher Blake Kelly, who was charged with murder. Mr. Kelly shot and killed a masked intruder near the back door of his home at night as the intruder was attempting to steal a motorcycle. The defendant asserted immunity pursuant to the South Carolina Protection of Persons and Property Act. A Duncan hearing was held on November 30, 2022. Multiple witnesses testified and evidence was introduced, including significant video evidence from the defendant's home security cameras.
