Circuit Court, Seat 3
Amendment to the Sworn Statement
July 31, 2025

17. The following list contains five categories of offenders that would perhaps regularly appear in your court. Discuss your philosophy on sentencing for these classes of offenders.

- a. Repeat offenders:
- b. Juveniles (that have been waived to the Circuit Court):
- c. White collar criminals:
- d. Defendants with a socially and/or economically disadvantaged background:
- e. Elderly defendants or those with some infirmity:

I am striking my prior answer to subsection (e.), and replacing it with this amendment.

With regard to elderly defendant's or those with some infirmity, I consider age and any particular infirmity that may be present when making my decision on sentencing. I also take into consideration the the law, the facts, prior criminal history, the victim's position, the state's recommendation and any other pertinent circumstances in order to craft a sentence that serves justice in the best way I can.
