Re: Amendment to PDQ

Dear Ms. Taywick:

In regards to number 33 on the PDQ, the monthly payment plan with the United States Treasury has been paid in full. In regards to number 50, it appears that the number provided for Tommy Coward is a fax number. His telephone number is 803-648-8211. Thank you for the email. I do not see any changes that are needed in regards to the sworn statement.

Sincerely yours,

M. Anderson Griffith
